

# GOYDERS LINE GAZETTE

## JULY 2023

District Council of  
**ORROROO**  
**CARRIETON**

## CHILDCARE WORKING PARTY UPDATE

The Orroroo Carrieton Childcare working party on Wednesday 28<sup>th</sup> June 2023 hosted the Shadow Minister for Early Childhood Education, Angie Bell MP and Rowan Ramsey MP, our local Federal Member for Grey. Both were keen to understand the needs and issues in our Council district. We sincerely thank them for their engagement and willingness to meet our community.

We took the opportunity to discuss the issues with the current childcare model that continues to 'leave our community behind'. Our working party and local parents attended and provided 'real life examples' of the impacts of the deficiencies in current policy, legislation and funding for childcare in rural communities. Our working party offered well researched suggestions

in relation to possible legislative changes that could assist small communities like ours to fill the large gaps created by flawed policy and funding models.

We clearly articulated the real impact of the 'lack of access' to childcare, and the likely impact on learning outcomes for our children within our community. We look forward to the coalition providing strong advocacy on our behalf to make meaningful inroads into the childcare desert in the Mid-North of South Australia. Our district is a highly productive area with a vibrant community that contributes so much and receives so little in relation to Childcare and other services. Put simply we pay for a service that we can't access.

Above L-R:

Cr Jessica Watson, CEO Paul Simpson, Angie Bell MP Shadow Minister, Lucy Hooper, Tessa McNamara, Joan Luckraft, Luke Ellery, Rowan Ramsey Federal Member for Grey, Chloe Hunter RICE, Paul Pitkin & Lisa Slade

## Message from the Mayor

A few weeks ago Rob and I attended the Crows versus Eagles footy match at Adelaide Oval where we were treated to a masterclass from Tex Walker in his 250<sup>th</sup> game. The people forming the guard of honour at the start of the game were not the usual privileged supporters but representatives from the States first responders, SAPOL, SA Ambulance, SES, MFS and CFS and they received a very warm round of applause from the crowd. It reminded me how important these services are to us here in Orroroo Carrieton and in many instances these positions are filled by volunteers. The whole event tended to coincide with me being given by Joy Ford the list of community organisations that the OP Shop has supported over the past little while where they are able to put back into the community all profits as no wages are paid to those who volunteer their time in the shop. How lucky are we to have so many people who do so many things in a volunteer capacity.

As I come to the end of my time here in Orroroo I've become a bit nostalgic and remember some of the duties I performed when my children were at school all on a volunteer basis. The School Welfare Club, doing lunches at the school canteen (when there were enough Mums that you were only required once a term), doing pool duty at least three times a year which is certainly a thing of the past. They were the days when the pool was run by a committee and the entry fees covered the expenses. Of course we women in the canteen were charged with the responsibility of rescuing anyone who got into difficulties in the water but luckily I was never called upon to dive in or perform any resuscitation. And we even had a diving board then!

I look back on umpiring and scoring for Junior Tennis, Minis footy and netball, being team manager when Rob coached SAPSASA footy for two years. I remember the year Fleur did the Junior Colts stats when Rob coached the team. Years of netball umpiring and coaching where I got to associate on such a personal level with almost every young girl who lived in Orroroo or Carrieton as they all played in those days. Wonderful memories, I wouldn't have changed any of it except perhaps winning that F grade grand final in Peterborough on that appalling windy day. You know, the Norah Kuerschner who never usually missed year.

What a wonderful thing is sport in our community and its another recipient of so many volunteer hours. Officials, coaches, umpires, scorers, trainers, canteen workers, gate keepers, bar managers and workers, caterers all doing their particular duty to provide enjoyment for so many others.

This is my last official Message from the Mayor as by the time the next Goyders comes out I will have retired from the mayoral position. I do intend however to continue as a councillor for the remainder of the year as we still have reason to come back to the farm periodically for that time frame. We can make it coincide with the 4<sup>th</sup> Wednesday of the month. The removalist comes tomorrow, its amazing the things you find when you pack up 52 years of hoarding and how difficult it is to throw so much away. So many incredible memories.

*Cheers Kathie*

---

Council is deeply saddened by the passing of **Murray Shackelford**.

Murray served the community as an elected member of Council for over 16 years, elected as Councillor for the District Council of Orroroo Carrieton, and ending his term in October 2014.

Whilst being on Council, Murray was involved with many extra Committees such as Orroroo Memorial Hall Committee, Development Assessment Panel and was the inaugural Chair of the Orroroo Cropping Committee to name a few.

Murray volunteered with many other community groups including the Orroroo Gymkhana, Carrieton Rodeo and the Orroroo Equine Club.

Council extends its condolences to the Shackelford Family.

## CLEANERS WANTED

Council is seeking reliable, motivated and versatile cleaners for casual roles in various locations across the District. We are seeking applications from candidates with a strong eye for detail who are able to clean to a high standard, keep storage areas stocked and organised, have excellent customer service skills and at times work with minimal supervision. Previous cleaning experience is an advantage.

Successful applicants must undergo a pre-employment medical and provide evidence of a current National Police check and Working with Children Check.

Written applications of no more than one page plus your CV can be forwarded to [council@orroroo.sa.gov.au](mailto:council@orroroo.sa.gov.au). For further information or to discuss your interest please contact Ann at the Council Office on 8658 1260.

## From the Council Desk

Welcome to July and fortunately the start to the season has been good for most in primary production circles, we have seen very few frosty mornings which is certainly assisting with crop and feed growth.

The Annual Business Plan and Budget has been finalised by Council and we are pushing forward with much of the service and capital delivery program delivery for the community. Our Capital Program is very much 'back to basics' and this will see some sealed road resealing within Orroroo Carrieton and several kilometres of Price Maurice Road the Orroroo side of the Pekina entrance. We also have three segments of township road in Orroroo being upgraded to sealed road: this sealed road work is all expected to occur and be completed by December this year. Our unsealed road re-sheeting program will occur in the last half of the financial year.

We have once again made the finalist of the South Australian Ag Town of the year, this year it is a top 10 finalists that is then reduced to a top 3 finalists after another public voting process, so get your voting hats on for another push. We all know this district is awesome, so now we just need to make sure everyone else finds out.

We have been fortunate in gaining the Green Industries South Australia grant (\$150,000) for the upgrade of our landfill and transfer station, this will allow us to improve the facilities out at the site, and you will note already that the entrance gate has been moved approximately 200m further up the road. Colin Dawes has finished up as the long term manager of the 'dump site' and we sincerely thank Colin for his many years of service to the Council and ratepayers. There is no immediate change to the operations of the site apart from the look, and there are no impacts to residents using the site.

'Roasting in the Roo Camp Oven Cook-off' is happening this weekend at the Orroroo Recreation Ground, starting on Saturday morning. Despite, what looks like some pretty ordinary winds, we expect this to be a cracker of an event, and we have plenty of undercover areas with an extra marquee connected to the lions pavilion, some large fires and heaters for warmth. There are heaps of kid's activities, lots of different food stalls provided by local businesses and groups, local music legends and of course a fully stocked bar. Tickets are \$10 at the gate or available online (see Facebook site for links), so come on down and support all the local clubs and business in raising funds within our community.

We hope this will become a recurring event, but we certainly need strong community support to make that happen, the more attendances we have enables the attraction of more grant funding opportunities. From ticket pre-sales, we already have at least 100 non-locals staying and importantly spending money in our town and businesses due to the event.

I'll see you there!

Next Council Meeting will be held  
Wednesday 26<sup>th</sup> July 2023  
at 9am in the  
Orroroo Council Chambers.

### Thank You Colin Dawes

Council would like to take this opportunity to thank Colin Dawes for his many years of contracted service to the council and community, managing the Orroroo Landfill site.

Colin has concluded his contract with Council on Sunday 2<sup>nd</sup> July 2023. Through all types of weather (sun, wind and rain), Colin has looked after the Orroroo landfill site and assisted users with disposal of their waste.

Thank you Colin!

THANK  
YOU!

**Dog and cat renewal notices** have started to be delivered to our pet owners by their preferred method of contact - email, post or SMS.

We encourage owners to renew online at [www.dogsandcatsonline.com.au](http://www.dogsandcatsonline.com.au) or if you are needing some assistance, please come into the Council Office or phone our office on 8658 1260.

Please note when logging onto Dogs & Cats Online (DACO) there is now an additional security feature of multifactor

# PROBUS REPORT

## TRIP TO FARINA

On Tuesday 20<sup>th</sup> June 2023, 7 members of the Orroroo Probus club left for a trip to Farina for a visit to the bakery. We travelled to Hawker, had a look at the displays of old equipment, in Teague's garage, and then into the General Store for lunch.

After a nice lunch, a look at the new panorama at Jeff Morgan's Gallery, and a very interesting tour of the gymnasium, after which we headed for Leigh Creek. We visited the Aroona Dam, and were surprised at the amount of water that it held. The Outback Motel in Leigh Creek had very good accommodation and also a lovely facility for dinner. We left early the next morning for Farina, (without any breakfast I might add,) arriving in Farina approx. 8.45am and were very surprised to see the large amount of people already there.

The bread and baked goodies were selling very quickly and we each purchased bread and pastries. A pie and a cup of coffee for breakfast. The bread is baked in the old underground oven, but the pastries are baked in the café section in the modern ovens. All very nice eating. The restoration work is a credit to the volunteers that give their expertise to make this possible. We toured around the town and visited the Anzac Memorial, Cemetery, etc. On the way home we called in for lunch at Copley. It rained on and off most of the way back to Orroroo.

A big thank you to Richard Bramley for providing the transport, and also to John Arthur for his help. A good time was had by all.

The next PROBUS meeting is to be held in the Commercial Hotel on Tuesday 4<sup>th</sup> July. Our Guest speakers will be Shirley and Henry Crossley who will talk about their Carriage Driving trips interstate and overseas.

Visitors Welcome

**Above:** Faye Case, Myra Arthur, John Arthur, Barb Smith, Yvonne O'Dea, Richard Bramley & Beryl Luke

## Council Depot

All residents are reminded that there is to be no access to the Council Depot in Orroroo.

All visitors must report to the Council Office and be escorted in the Depot by Staff.

## Adoption of Valuations and Declaration of Rates 2023-2024

Notice is given that the Council at a Special meeting held on the 2<sup>nd</sup> June 2023, in respect of the financial year ending 30 June 2024, resolved as follows:

### Adoption of Valuations

Adopted, for rating purposes, the most recent valuations of the Valuer-General available to Council of the Capital Value of land within the Council's area totalling \$387,381,980, of which \$378,779,719 is the total Capital Value of rateable land.

### General Rates

Declared the following rates for the year ending 30 June 2024, be declared on rateable land within its area, based on the capital value of the land.

- (a) 0.2290 cents in the dollar for Primary Production land located within the Council area
- (b) 0.3555 cents in the dollar for all other forms of land use located within the Council area

### Fixed Charge

Declared a fixed charge of \$358.00 on all rateable land within the Council area.

### Annual Service Charges

#### Waste Management Collection

Imposed an annual services charge for waste management collection of \$450.00 to be applied to all properties to which the service is provided or is made available, with a charge of \$140.00 for each additional bin.

#### Community Waste Water Scheme

Imposed an annual service charge based on the level of usage of the service of \$1,600 per property unit in respect of all land to which the Council provides the Community Wastewater Management scheme.

#### Separate Rate—Regional Landscape Levy

Declared a separate rate of 0.01141 cents in the dollar on all rateable land within the Council area to recover the amount payable to the Regional Landscapes Board.

## Rainfall

Good rains recorded throughout the district with many mild misty days to complement the rainfalls and turn the country side green Almerita 55mm (140 YTD), Carrieton 55.8mm (122.6mm YTD), Eurelia 52.2mm (134mm YTD), Glen Roy 60.6mm, Johnburgh 56mm (134.5mm YTD) Mookra 51mm (115.5mm YTD), Sandal Park 40mm (110.5mm YTD)

## Extending sympathy to

Ian Fisher and Leigh Morgan on the sudden death of his brother Kevin. Kevin grew up at Carrieton on family farm north of Carrieton and moved to WA in his twenties. RIP Kevin

Glynn Shackelford and his sister Bev Redden on the death of their father Murray. Murray spent many years running shearing teams in Carrieton and surrounding areas and was a supporter of the Carrieton Rodeo club. RIP Murray.

Joan Gibb and Linda Roesler and their families on the passing of Melva Hombsch. In her time at Carrieton Melva contributed to community events, was recognised for her cake decorating and hairdressing skills and is fondly remembered for her friendly banter at her usual place in an evening at the bar sitting alongside Roley drinking stout.

## Carrieton Community Store

has a new manager. After many years of efficient and dedicated management Deb Hombsch has chosen to retire and work at home on the farm with John and enjoy family time and her many hobbies. As manager, Deb became an information directory on local affairs, postal enquiries, tourism updates and even police information. A morning tea to thank Deb is to be organised and advertised on Facebook, Carrieton Out and About. Christine Sims is taking on Debs position. We wish her well hoping she enjoys her varied and valued work in the Carrieton community.

**Best Wishes to Denise Williams** who recently put away her nursing shoes to enjoy retirement.

**Rodeo Club** held it's annual AGM in June. All positions remained the same. Plans for coming New Years rodeo proceeding with new LED lights to be installed.

**Carrieton Progress Report** from Tuesday June 20<sup>th</sup> 2023. Playground has sufficient funds to be able to get started and have most of the project finished at the end of financial year. FRRR project at clubrooms is finished with Memorial Hall kitchen still to be done.

Lease fee imposed by Council on cropping project land was discussed and reluctantly accepted. Paul Simpson CEO of Council discussed importance of The Strategic Plan and has offered to work regularly for a couple of hours in old Council office for people to visit and discuss local issues.

Local signage – Some directional signs are missing and need replacing, tourism info for Carrieton is to be presented to Council office within the month.

**SA Tourism Commission** along with South Aussie with Cosi visited Almerita to view and open Almerita's recently renovated accommodation "HendersHouse". The rural house is 5kms from the main homestead. An exciting addition to the varied accommodation on offer at Almerita. Bookings for Henders House open on August the 1<sup>st</sup>.

**Above Two Images:**  
South Aussie With Cosi's visit to Almerita

**Dogs missing!** A local owner of six four month old Jack Russel pups was surprised to find four missing from their cage one morning with scratch marks at the fence, the only indication of where they could have gone. five days later in a nearby paddock someone spotted some movement near an old dead ewe. Investigating further one pup was found huddled within the smelly carcass in good condition for having found shelter and food, albeit rotten, within the old ewe. Too date the other three are still missing.

Midyear **school holidays** and a good time for student and parents to take a break. Safe travels and enjoy family time for those braving the wintry conditions to take a holiday break away from home.

**Catholic Mass times** for July remain at 6pm with Father Mark Whybrow at Saint Raphaels, Carrieton.

**Congratulations to Lyn Forster** on her recent retirement. A section of Lyn's retirement speech:

*"What started 23 years ago was overwhelming and full of apprehension.*

*The position advertised in the local paper was to offer a 2 year pilot program to run a volunteer based community transport through the Department of Transport under the umbrella of the Central Local Government Region.*

*Here I was, a widow with 2 teenage boys, no computer skills, never worked in an office before but those wiser than me gave me a chance.*

*My only claim to fame, if you can call it that, was I knew from first-hand experience the lack of transport and medical services in the region.*

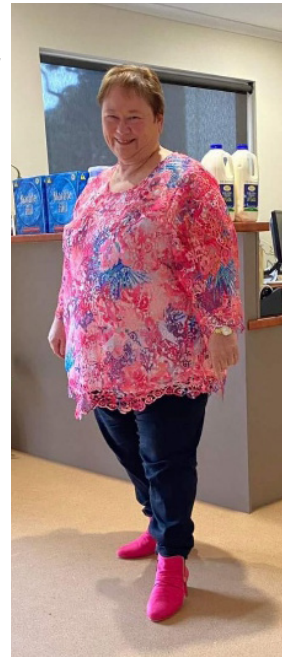

*This organization is something I've been very proud of. Over many years the service has grown across six council regions and to the current contingent of 40 volunteer drivers.*

*There has been a sense of achievement in many ways, you as volunteers make this the easiest job in the world, and the most enjoyable, your dedication and support to me over the years is something I will never forget. I have made firm friends and it's been a pleasure working with you.*

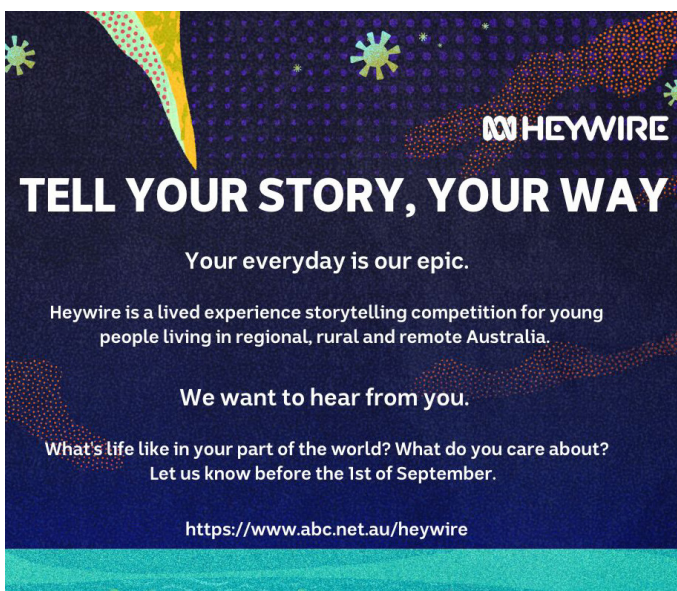

*As 152 drivers you have completed 4,765,250K's driven 69,509.25 volunteer hours. Now for the future of NPTN -under the Guidance and Management of Care in Motion. We are currently on a recruitment drive to encourage more volunteers. The ageing population, the lack of public transport and limited medical professionals which guarantees the need for the service to continue. With change comes growth, bringing adjustments, amendments, and diversity.*

*I know you will embrace the changes as they present themselves, gracefully, with the same persistence and dedication and loyalty you have shown me."*

If anyone is interested, they should call Care in Motion on 1300 132 932.

# 54 31 Collective News

54 31 Collective is a local not-for profit enterprise run by volunteers, our ethos is to connect, collaborate and create a community space for both locals and visitors to our town to enjoy and learn the story behind the products and creators.

54 31 Collective provides rural creators with links to Orroroo & surrounds a platform to grow their micro business, without all of the overheads of running their own shopfront. We also aim to develop a community space to encourage all ages of the community to gather & encourage social connectivity.

We are very proud of our 6 local business pods, and thank them for their commitment to 54 31 Collective, and making our small enterprise a success.

Our Business Pods are:

- Rustee Windmill – Kathy Pitkin
- EKR Candles & Rubi Red Resin – Eliza & Courtney Rowe
- Stitched Up – Maddie Shute
- Orroroo Kangaroo – Taryn Ackland
- Black Rock Kitchen – Gaye Kuerschner
- 54 31 Traders – Kate Pearce & Fiona Dignan

Since opening our doors in March 2022, we have had multiple pop ups & workshops (21 to date with 258 participants), and are currently supporting an additional 48 small rural businesses within the store.

We are very grateful and humbled by the overwhelming support we have received from our local community and visitors to our town. 54 31 Collective has been able to grow off the success of our already established local businesses in our Main Street, which have a fantastic reputation, enticing travellers to stop.

54 31 Collective plans to develop our community hub, our successful Thriving Communities Program Grant application will help us achieve this.

Our Thriving Communities Program application focused on 5431 Connect Create Celebrate project, which focuses on delivering three pillars:

**CONNECT:** The development of a Community Garden, at the rear of the shop, which will be a community garden space that can be utilised for individuals and groups. Works are planned to commence in August/September, if you are keen to get involved in this community project please do not hesitate to contact us.

**CREATE:** A series of free resilience building workshops, to promote social connectivity and develop skill and knowledge.

Workshops include: Safe Sprouts Baby & Child First Aid, Men's Health Night, Gardening workshop, Outdoor cinema events with the purchase of outdoor cinema equipment to allow for ongoing movie nights for community use.

More information will be advertised once dates and details are confirmed.

**CELEBRATE:** Rural Women's Day Luncheon celebration on 14<sup>th</sup> October, please see attached information, we are very excited with our line up of guest speakers, tickets will be released soon, follow us on social media to get all the latest updates.

54 31 Collective **AGM** is on Monday 31<sup>st</sup> July at 4.30pm, all welcome.

## PERSONAL LEARNING PLAN

At the beginning of Term 2 the Year 10 students travelled to Adelaide for their PLP Camp. The camp had a heavy focus on future career pathways, learning beyond secondary school; including TAFE, Universities and Vocational Education Training. There was also a hint of History as part of the visit!

Many thanks to Mrs Kathy Pitkin for driving the bus admirably, Mrs Jo Ramadan for attending as parent and Mr Christopher Mayman for organising.

## New Members Welcome

Borrow Books, DVD's, Audio Books  
 Access Computers, Internet,  
 Printing & Laminating Services

Jess Kuerschner has been providing IT assistance to community members since February this year. The library staff has consistently received positive feedback in relation to Jess' amazing ability to pass on her extensive IT knowledge in layman's terms. Thank you Jess for joining our library team. We are going to miss your calm and cheerful demeanor around the library every Thursday afternoon and we wish you well for a wonderful journey ahead with your new family.

We are now happy to announce that Joshua Furler will be joining us to provide technology assistance from August. Joshua is new to Orroroo and in addition to taking on his role as IT support for community members, he also teaches science and maths at the school.

Common questions that people have had answered so far include:-

- How do I .....
- use my device?
  - take photos?
  - edit photos?
  - access Youtube?
  - use Social Media?
  - connect to the internet?
  - use websites like MyGov?
  - stay safe online?
  - understand error messages?

Please call in to the library or phone 8658 1390 to make an appointment for IT assistance and to welcome Joshua to the community. One-on-one IT assistance is fully funded and proudly sponsored by BeConnected.

**Be Independent.

Australians thrive in  
a digital world

# Goodbye Orroroo!

## THANK YOU FOR ALL YOUR HELP AND WELCOMING US INTO YOUR COMMUNITY

We have been so privileged to be welcomed and a part of this amazing community for the past 9-weeks. The resource that has been created will be on the following pages. We hope that it reflects the social connectedness within Orroroo and surrounding areas. In the resource, you can find various social groups or activities and details regarding these. We hope that we have made you all proud. Both of us are very sad to be finishing, however, this is not goodbye, it is see you next time.....

- WARM REGARDS, CHELSEA AND KAYLA

#### TEMPORARY TRAFFIC CONTROL DEVICE

##### NOTICE UNDER SECTION 17 (3) ROAD TRAFFIC ACT, 1961

I, Christopher Drew Holland, Senior Sergeant of Police, for and on behalf of the Commissioner of Police, exercise the authority delegated by the Minister for Transport under Section 11 Road Traffic Act, and make the following order under Section 17 (3) of the Act.

I declare that the 'Orroroo Markets' is a 'temporary purpose' to which this section applies.

I direct that a 25km/h temporary speed restriction will apply to the following roads between 8.00am and 2.00pm on Sunday 19 March 2023, Sunday 30 July 2023 and Sunday 29 October 2023:

##### Within the District Council of Orroroo Carrieton area: -

- Second Street, Orroroo between Fourth Street and Fifth Street.
- Fourth Street, Orroroo between a point approximately 50 metres either side of Second Street
- Fifth Street, Orroroo between a point approximately 50 metres either side of Second Street

I hereby authorise District Council of Orroroo Carrieton, its agents and contractors to install and remove, or cause the installation and removal of necessary and appropriate traffic control devices for the conduct of the speed zones.

I direct that the installation and removal of necessary and appropriate traffic control devices for the conduct of this event can only be performed by a person with work zone traffic management training.

All works to be undertaken must be done so in accordance with the "SA Standards for Workzone Traffic Management" (which calls up the Austroads Guide to Temporary Traffic Management and AS1742.3).

The permit holder must ensure that, a legible and complete copy of this Approval (as either a hard copy or electronic copy) is available at the event site at all times that workers are present and is immediately provided to an Authorised Officer upon request.

*C.D. Holland*

C.D. HOLLAND  
S/SGT 36182  
For and on behalf of  
COMMISSIONER OF POLICE  
27 February 2023.

(PCO 2002/0001)

# Open Day

20th July

11.00am - 1.00pm

35 Fifth Street, Orroroo

email: orroroomensshed@gmail.com

The Orroroo Men's Shed is a great place for men to connect with mates, learn new skills, and give back to their community.

Shoulder to Shoulder not Face to Face

# ORROROO COMMUNITY GYM

## Equipment Update:

The current recumbent bike is showing signs of wear and tear, being one of the most used pieces of equipment in the Gym.

The Committee have ordered a new commercial grade recumbent bike which will suit our gym well. As is common now though, it will take at least 10-12 weeks before it will be delivered, so we will keep you posted on its installation.

Photo example only.

## Other News:

- A new Orroroo Community Gym Information Brochure has been developed. This updates opening times, equipment, membership and program information for new members and will be sent out to current gym members too.
- Gym Group Exercise sessions (*Strength For Life & Movers and Groovers*) need access to all the gym equipment for the time that a session is running. For that reason, we are now closing the Gym to casual users when a group activity with a leader is operating. A re-opening time will be identified on the sign at the door.
- Council and the gym committee are working together to resolve the ongoing problems with the new carpet.
- We continue to find coffee stains on the carpet and gym equipment. Please remember that bottled water is the only drink allowed in the gym.
- Can all weights and dumbbells, which are used in front of the mirror wall, please be replaced in the appropriate place after exercise. It is unfair to expect the next person who wants to use the gym to put them away.

**NO FOOD, HOT OR COLD DRINKS OTHER THAN WATER ARE ALLOWED IN THE GYM.**

## Orroroo Community Gym Programs

### “Pilates Plus”: Instructor Kay Parkyn: *Enquiries 0479 111 040*

*These sessions are open to all age groups and for male and female participants. No referrals necessary.*

Sessions are conducted on Monday & Wednesday at 5:30—6:30pm, and Friday mornings 9—10am.

Participants are welcome to bring own mats and balls, however all equipment is available if you need it.

Sessions are held in the Town Hall, so enter through the Town Hall doors please

*(Could new participants arrive 10—15 mins early to their first class to enrol with Kay)*

Gym members free. Non Gym members \$5 or \$3 concession to cover gym admission.

### “Strength For Life”: Conducted by a qualified fitness instructor.

*Are you aged over 60 to 65 years, and would like to take part in progressive strength training sessions to promote strength, balance, flexibility and health?*

If you are under 65 years you will require a Doctors Referral but if you are over 65 years you will need a My Aged Care Referral through “GP Plus” at Port Pirie, 08 8638 1100 or My Aged Care on 1800 200 422. Once these have been received the Physiotherapist will contact you to arrange an assessment to devise a program for you.

These sessions are conducted in the Gym Room

### “Movers and Groovers”:

**Conducted by the Physiotherapy Allied Health Assistants.**

*Would you prefer a more low impact exercise session to improve your physical activity and emotional well-being?*

“Movers & Groovers” Is a chair based exercise program run during school terms for people over 60—65 years of age. It aims to reduce falls, improve physical activity and emotional wellbeing. You will require a Physiotherapist assessment prior to starting, so contact “GP Plus” at Port Pirie, 08 8638 1100 or My Aged Care on 1800 200 422.

## SIGNS & SYMPTOMS OF Sleep Apnea

Sleep apnea is a common sleep disorder. However, many people suffering from this problem is left undiagnosed because some of the most prominent warning signs happen during sleep. The best way to determine if you are exhibiting sleep apnea related symptoms is to ask your spouse, roommate or bed partner to note the following.

### ACT NOW

TALK TO OUR FRIENDLY STAFF TODAY @  
**ORROROO PHARMACY 08 8658 1548**  
 16 Second Street, Ororoo SA 5431

### Random fact about Sleep Apnea:

Your tonsils could be the culprit. If you have large tonsils, they could potentially obstruct part of your airway and contribute to episodes of obstructive sleep apnea. Children who have large tonsils and large adenoids are also at risk for this.

## SLEEP APNEA CHECKLIST

## Turning 50...?

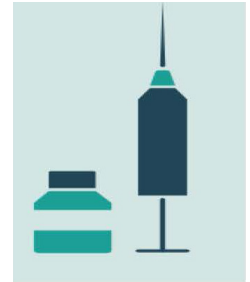

Think about getting Shingles vaccine

Vaccination is your best protection against shingles. Shingles commonly presents as a painful, self-limiting vesicular rash on skin.

Shingles vaccines are recommended for people aged  $\geq 50$  years.

The lifetime risk of reactivation of virus is about 50%. The risk and severity of outcomes increases with age and those who has chicken pox in childhood.

Talk to our friendly staff @ **Ororoo Pharmacy**

## Signs and symptoms

Tingling

Burning pain

Itching

Fatigue

Sensitivity to light

Headache

Blistering rash

Ongoing pain after shingles that lasts for more than 3 months is called **post-herpetic neuralgia**.

**Gone Riding**

Please see some correspondence from Norfolk Metals regarding mineral exploration in Orroroo and surrounds. After some requests from the community, Council has requested further information from Norfolk Metals that could be shared with the community.

This correspondence is provided for information only. Any and all enquiries should be referred to the email address as provided in the letter.

ASX:**NFL**

## Background on Norfolk Metals and the Orroroo Uranium Project

Norfolk Metals listed on the Australian Securities Exchange (ASX) March 2022 via an Initial Public Offering (IPO) with exploration licences in Tasmania and South Australia:

- The Orroroo Uranium Project comprises two granted exploration licences, EL6552, and EL6814, which together cover 659km<sup>2</sup> located approximately 274km northwest of the capital city of Adelaide, South Australia. (see Figure 1)

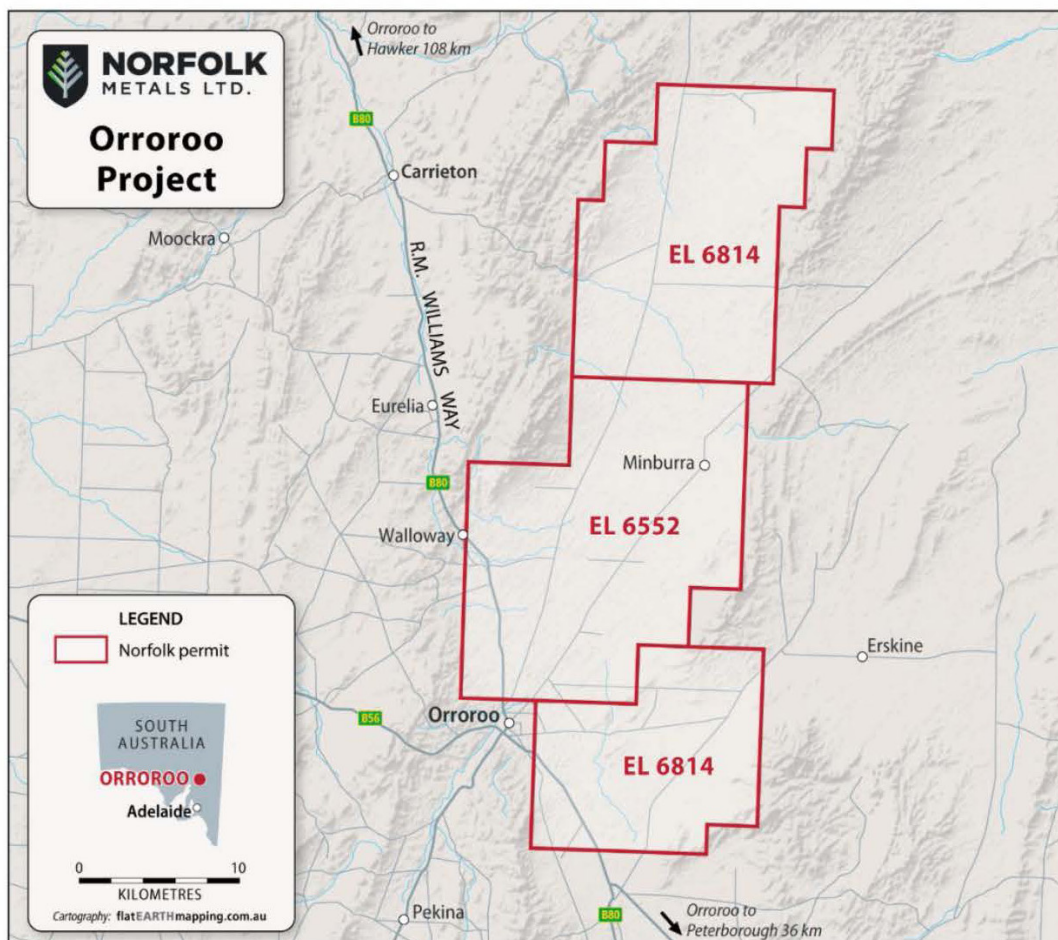

Figure 1 – Exploration permits encompassing the Orroroo Project

## **Orroroo Project Background**

To date, mineral exploration within the Walloway Basin north of Orroroo was limited to coal exploration drilling by Linc Energy during the period 2009 to 2010. Routine downhole geophysical surveys completed as part of this exploration campaign revealed five drill holes with gamma anomalies (elevated radioactivity) similar to other sediment hosted uranium deposits elsewhere in regional South Australia (e.g. Beverly and Honeymoon).

## **Initial Testing Methods**

During February 2023 (see ASX announcement, 17 February 2023, *Commencement of Orroroo Uranium programs*), Norfolk Metals engaged Adelaide-based geophysical contractor Geosensor Wireline to re-enter historical Linc Energy wells Orroroo 7P3, Orroroo 9P3 and Orroroo 15P1 and re-logged the wells with a Spectral Gamma and PFN (Prompt Fission Neutron) to confirm the source of the gamma anomalies and measure uranium in the subsurface. The work confirmed uranium mineralisation at depths of 100 to 113m below the surface.

## **Subsequent Testing Methods**

To better understand the potential for sediment hosted uranium within the Walloway Basin, the Company engaged Atlas Geophysics to complete a ground gravity geophysical survey within the boundaries of land the Company had been granted access from relevant stakeholders to help map the subsurface geology to define potential paleo channels. The survey is non-invasive and comprised the collection of up to 2235 survey points on a nominal 250 by 250m grid.

## **Future Testing Methods**

Further testing to determine the prospectivity of the Walloway Basin will likely involve very limited rotary mud drilling. This is the same drilling technique used when drilling water wells for agriculture and the intention is to contract a local driller. This exploration process can only be conducted after several important criteria are met including but not limited to; the gravity survey results being interpreted alongside the existing historical information available, plus consultation and required approvals of private landowners, District Council of Orroroo Carrieton, South Australian Native Title Services and the Department for Energy and Mining South Australia.

**Orroroo Community Engagement**

Norfolk is committed to engaging with the community of Orroroo through mutually beneficial partnerships. The Company is a 2023 Platinum Sponsor of The Orroroo Football and Netball Club, a recent sponsor of The Orroroo Golf Club and has elected to sponsor the 2023 Rural Women’s Day to be hosted in Orroroo on the 14<sup>th</sup> October 2023. The company is committed to creating local employment & supporting local business where possible, employing a local community member as the community liaison. Norfolk also pledges where possible to accommodate all employees & sub-contractors within the township of Orroroo, in an attempt to support all businesses within the town.

More information on the Company and our Environmental, Social and Governance commitments can be found at [www.norfolkmetals.com.au](http://www.norfolkmetals.com.au)

**ORROROO REGIONAL TOURISM GROUP  
WINTER MARKET IN THE MAIN**

Sunday 30<sup>th</sup> July  
9am – 1pm

Why not come for a drive or a walk and check out what the stalls have on offer.

Grab breakfast, brunch or lunch from one of our fabulous cafés or hotels while enjoying live music in the main  
We welcome you all.

If you would like to have a stall on this day please contact via email [Orroroortg@gmail.com](mailto:Orroroortg@gmail.com) or via messenger through ORTG Facebook page or Joy 0427 533 628 and leave a message

*see you there!*

**Looking back at Eurelia in 1950 ... it appears that Mr Smith's time in the general store was short-lived.**

**The Advertiser (Adelaide), Wednesday 12<sup>th</sup> July 1950 p12**

Properties Sold At Eurelia  
EURELIA. July 11<sup>th</sup>

Mr J Dinon has sold his property at Eurelia West to Messrs Shephard Bros, at £3 10/ an acre. This property has been owned by the Dinon family for over 70 years. Mrs F Dinon has disposed of her general store to Mr Smith of Adelaide. Mr J Read has disposed of his property in the HD of Eurelia to Messrs Williams Bros, at £31/ an acre.

The Advertiser (Adelaide), Thursday 19<sup>th</sup> October 1950 p9 No General Store At Eurelia  
EURELIA. October 18<sup>th</sup>

The local residents have been faced with the problem of getting someone to carry on the general store at Eurelia. It is the first occasion that the district has been without a business, and great inconvenience is being felt by all.

**The Advertiser, Monday 9<sup>th</sup> February 1953**

VA Cunningham and Co wish to advise that they have purchased and taken over Young's Hardware Store and Blacksmith Shop at Paskeville on February 2<sup>nd</sup> 1953. We are therefore desirous of selling our Blacksmith Arc Welding. Timber and Hardware business at Orroroo. This is a marvellous opportunity for hardware and arc welding alone. Gross turnover 1951-52. £39,500, as per taxation papers and books available for inspection. Orroroo business is still working at full capacity phone Orroroo 47.

**Looking forward, looking back ...**

John O'Dea's catchy little song Bob The Railway Dog is racing up the country music charts Australia-wide, well done Johnno...

**The Advertiser (Adelaide), Friday 13<sup>th</sup> November 1936**

Owned Bob The Railway Dog  
Yesterday I met Mr William Seth Ferry, of Mount Barker, W A, just before he left for Perth after a prolonged stay in Adelaide. Old northerners will remember him well. He entered the railways as a porter in 1883, and ended up as assistant stationmaster at Peterborough in 1889.

Mr Ferry once owned Bob the railway dog, which became famous. He told me how he acquired it:— 'I was a special guard in 1884' he said 'and picked Bob up at Terowie on September 25<sup>th</sup> he had been consigned from Adelaide together with 50 other dogs to a man in charge of the rabbiting party at Carrieton. I think the police had taken him collarless in Adelaide.

*I took a fancy to him, and when the train reached Carrieton I wanted to buy him, but the man would not sell. However, he stipulated that he would make an exchange because one dog was as good as another to him.' 'I went on to Port Augusta, and got a dog from the police, took it back next day and that is how Bob came on the railway.*

*I registered him immediately to establish ownership, and he went back to Terowie with me that day. Bob remained with me until February 1<sup>st</sup>, 1885 when I went to Peterborough station as foreman porter. He continued to ride on the train.' 'When I went to the West in 1889 somebody hid him at Alberton so that I should not get him. I never saw him again after that.'*

Mr Ferry went through the construction of the Broken Hill railway, and says he loaded the first lot of sheep on that line at Paratoo. That was before it was taken over by the Government.

## The Pictorial Australian (Adelaide), Friday 1<sup>st</sup> March 1895

OUR NORTHERN MANUFACTORIES  
Mr D DAVIES' MACHINERY PREMISES, CARRIETON

Mr D Davies (pictured right), one of Carrieton's old identities, whom has aided materially to build up the township during a term of sixteen years, has now launched out in one of the largest undertakings in the north. Carrieton is the largest agriculture centre in Australia, commanding as it does nine hundreds, principally devoted to wheat growing. Here there are located a prosperous yeomanry in a substantial producing centre.

With such a population a factory like the one under notice is as essential to the place as is the ordinary reaper. For years past Mr Davies' business was conducted in premises near the Eureka Hotel, but finding the room quite inadequate for his daily increasing business he has completed one of the finest, imposing, and in every respect well-equipped buildings of its sort to be found in the north. Its situation is in Main and Second streets, occupying one-and-a-half acres, the front portion being two-storey, of stone and brick, and the large workshops, in which all the machinery is fixed, are built of wood and iron.

Looking at the building from a Northern view it possesses features of attraction and interest. The elegant design is most imposing, with six large windows and three doors opening on to a spacious balcony. Want of space prevents our mentioning more than the principal machinery employed. There is a shoeing forge and timber depot, with racks for various sizes of timber, all filled. Underground tank, with a holding capacity of 13,000 gallons on top of which is the store room for materials in use on the premises such as bolts, nuts, screws, and a perfect ironmongery shop.

The galvanized-iron storeroom, a suitable place for various lengths of iron, racks, frames, &c. A turning lathe, and what is known as a self-acting screw-cutting machine. Fitters' bench with every appliance for work, a large steam-hammer, one of Hawthorne's powerful, capable of a blow of 30 hundred weight. Forges of which there are eight, five benches for wheelwrights and carpenters, two screwing machines, large steam drill with all fittings for work, a heavy shear and punching machine, planing machine, hand saw for all turnery work, then the tennoning machine, circular moulding machine, and two circular saws. All the machines, and also the forges are worked by a powerful engine, of Garrett & Sons, 12 horse-power, of high speed, fitted

with a large 24 inch fire-blast, for blowing the forges. Office, 24 x 19, which is fitted with desks and elegant furniture.

The shoeing shop leads directly from the street, having large folding doors, and every appliance for the expert farrier. The paint-shop is a capital enclosure in which the most delicate work can be conducted in any weather.

There is a powerful lift which takes material to the second storey. Water is laid on from a well 100 feet deep, by means of pipes, and the engine has also to conduct the water-raising. The most conspicuous piece of machinery is a drop hammer of enormous size and strength, with a fall of seven tonnes at every blow, and a regulation of from 5 lbs to 7 tonnes, worked by friction. Mr David Davies the proprietor, was born 9<sup>th</sup> September 1855, and is a native of Monmouthshire, England. His parents came to this colony during the following year.

Mr Davies received the greater part of his education at the Talisk Mine, Cape Jarvis under the instruction of Mr Wilshire, who is still engaged in tuition under the Education Department. When 17 years old Mr Davies commenced to learn the trade which has placed him in his present position. After fulfilling his apprenticeship, Mr Davies worked as a journeyman at Port Wakefield, Naracoorte, Jamestown, and Yongala, after which he commenced business in a very small way at Carrieton. By diligence and strictly honest dealing, the business steadily grew, increasing from one fire to five, besides employing 21 woodworkers and painters, which, with the smiths and strikers made a total of 31 hands.

In 1890 Mr Davies sold out to the Limited Company of Davies Bros, which Company he ably managed for a period of two years, at the expiration of which time he repurchased the business, and has conducted it ever since.

Mr Davies once belonged to the Order of Rechabites and is still a Freemason, but he has been far too busy a man to have any time for accepting positions as councillor & which positions he has been frequently called upon to accept, but has been compelled to decline. Our pictures are reproduced from negatives by Mr E Thomas of Carrieton.
