BENDLEBY RANGES INDUCTED INTO SA TOURISM AWARDS HALL OF FAME

On Friday 3rd November 2023 Bendleby Ranges won Gold at the South Australian Tourism Awards for a third year in a row, inducting them into the Hall of Fame in the Adventure Tourism category.

"We are absolutely thrilled to win Gold and to be inducted in to South Australia's Hall of Fame for Adventure Tourism."

"It is pleasing to be recognized as a quality tourism business in South Australia and the Southern Flinders Ranges. The awards application process is quite extensive, however reviewing your business and its improvements at the same time really makes it a worthwhile exercise." Kylie Luckraft

Charlie and Kylie Luckraft will travel to Darwin in March 2024 for the Australian Tourism Awards and will be up against Australia's best Adventure Tourism businesses.

Message from the Mayor

Another month has flown by. Congratulations to the Carrieton community on another very successful Gymkhana & Motokhana. A great day's fun and entertainment for the big crowd of people who attended.

Council's Strategic & Community Plan was adopted at the November meeting. We have listened to the community and most of the Plan reflects the input of both young and older members of our Council area. We have had some rain around the district. The gaugings varied quite a bit over the district from just a few mm to more than 25mm in some of the north and east. The harvest for many is complete. Probably a year that most would hope doesn't happen again any time soon, though for the grain delivered, the quality and prices were good. Livestock prices are improving on the strength of the good rains in the eastern states. Let's hope this trend continues.

We have the Christmas Carols on Sunday 10th of December. It is always a spectacular night listening to established and emerging talented singers and musicians from our region. There is also the Christmas Pageant on Friday 22nd December. Another great night to be enjoyed by all. A big thank you to the organisers of both events.

Another huge thanks go to Paul and both the office and outside staff at Council. They are a credit to our organisation. We are lucky to have such a hard working and efficient staff.

Lastly I wish everyone a safe, enjoyable and happy Christmas and New Year.

Cheers Grant

From the Council Desk

December here we come, as we rapidly close in on the end of another year, they seem to slip by so quickly nowadays.

It has been nice to receive some late November rain which will hopefully kick off some germination for graziers and not have disrupted too much in the cropping circles. I am certainly looking forward to the dust being settled at the very least.

As we get to the end of the year it is great to reflect on some of the key things delivered. This calendar year has seen a large capital program delivery on Council's vast asset base, most of which is renewal, some of the key items include:

- Over 20km of unsealed roads have been re-sheeted;
- Approximately 6km of sealed roads resealing has occurred from Pekina to Carrieton
- Over 750m of new sealed roads have been built

We have completed the bulk of this work prior to the New Year break which is excellent timing and was delivered on schedule. The staff of Council are to be congratulated on the quantum of works delivered for a small Council with such limited resources both inside and outside.

Next Council Meeting will be held
Wednesday 20th December 2023
at 9am in the
Orroroo Council Chambers.

Council continue to push for increased childcare provision and we seek the support of our Local State and Federal members to do so, if you see them, make sure the message is delivered that we deserve much better in this space.

I continue to work from Carrieton each fortnight on the Wednesday from approximately 9am until lunchtime. I am located in the 'craft room' (not sure how else to explain it) however if you pop into the shop, Chris can certainly point you in the right direction. Feel free to drop in for a chat as that is primarily the purpose of working from Carrieton, no appointment necessary.

On a personal note, I have found the last year to be very rewarding, I feel settled in the role and the community. These things often take time however it is made easier joining such a welcoming community especially with a young family. It is so great to see such a vibrant community and we are certainly seeing a large influx of children with a higher percentage than the state average of 0-4 year children. The population is very stable in Orroroo Carrieton, which is so vital in maintaining key services such as schools and hospitals.

As this is the last pre-New Year edition of the Goyder's Gazette, I wish everyone a happy and safe holiday period and New Year from myself, Sarah and Grace. I eagerly await another great year and hopefully a Crows premiership (perhaps just wishful thinking) is not too far away....

Council Office Closure Christmas and New Year Period

Notice is hereby given that the District Council of Orroroo Carrieton office at 17 Second Street, Orroroo will be closed from 5pm Friday 22nd December 2023 and reopen on 9am Tuesday 2nd January 2024.

For emergencies during this period, please contact 0437 949 713.

For further information please contact the Council Office on 8658 1260.

Council has recently erected an outdoor dining platform at the Orroroo Hotel

after a submission from the hotel for an outdoor dining area. This is a non-permanent platform structure that can be installed and removed in a matter of hours and is much more cost efficient than permanent structures and infrastructure.

The 'trial period' will help inform future usage. Should the trial be successful, and Council receive interest for future use, Council can investigate options to facilitate further dining platforms for businesses within our district on a hire basis.

Chief Executive Officer of the District Council of Orroroo Carrieton, Mr Paul Simpson, said *"The Flinders Ranges Council has kindly donated a free trial of one of their outdoor dining platforms, this gives our businesses the opportunity to try the outdoor dining phenomenon without upfront costs. This is an excellent example of collaboration between our Councils, a small example of the important work we do together as a sector"*

CLEANERS WANTED

Council is seeking reliable, motivated and versatile cleaners for casual roles in various locations across the District. We are seeking applications from candidates with a

strong eye for detail who are able to clean to a high standard, keep storage areas stocked and organised, have excellent customer service skills and at times work with minimal supervision. Previous cleaning experience is an advantage.

Successful applicants must undergo a pre-employment medical and provide evidence of a current National Police check and Working with Children Check.

Written applications of no more than one page plus your CV can be forwarded to council@orroroo.sa.gov.au. For further information or to discuss your interest please contact Ann at the Council Office on 8658 1260.

Public Consultation Orroroo Caravan Park Lease

Council is required under the Local Government Act 1999 to undertake consultation for community land that is leased or licenced.

The Orroroo Caravan Park is operated on land owned/ managed by Council contained in Section 320 and 336 Hundred Walloway with the lessee owning many of the improvements to the land (cabins & sheds). The current lease for the Orroroo Caravan Park will expire in November 2023.

Council has been working with the current lessees, Kym & Christine Bertram, for the continuation of the lease being a 10 year lease with an extension of 5 + 5 years.

Consultation is now open on the Orroroo Caravan Park lease. The community is requested to provide feedback via email / written submission to the Council on council@orroroo.sa.gov.au by 5pm Wednesday 6th December 2023.

Any submissions will be considered at the next Council meeting to be held on 20th December 2023.

If you wish to seek further information, please contact CEO, Paul Simpson, to arrange an appointment.

In recognition of International Volunteers Day on Tuesday 5th December 2023, Council wishes to thank all the volunteers within the community. Your willingness to give your time and service to the Orroroo Carrieton community is greatly appreciated.

Good Volunteers are like stars.

You can't always see them, but you know they're always there.

ORROROO REGIONAL TOURISM GROUP NEWSLETTER

The Orroroo Regional Tourism Group would like to thank our community, local businesses, surrounding communities and visitors to our town for supporting the main street markets and Orroroo Second Chance Preloved shop during 2023, without the support it would not happen. The small Group are working hard already on next year's markets, keeping it fresh and promote growth. The Group welcomes new members, fresh ideas, and enquiries re having a market stall. Markets for next year Sunday 24th March 2024, Sunday 28th July 2024 and Sunday October 27th 2024.

It was discussed at the meeting to maybe reintroduce open gardens to the October Market. If there is enough interest shown from our community and surround farm gardeners. If you are interested, please contact the Group via messenger or put your name down with Lynette at The Store on Second as we need to pencil in on the calendar soon.

Orroroo Second Chance Preloved Shop, a huge thank you to our volunteers who put their hands up helping out on a regular basis, and we must also thank the people who donate items for us to sell- it's amazing really where items come from, the volunteers hear some wonderful stories on how travellers enjoy donating to op-shops to help out small communities. Because of the donations and support this year Orroroo Second Chance Preloved Shop is able to put back into the community after overheads \$10,266:

Recipients this year are :

- **Men's shed** - \$2,000 towards setting up a working space
- **Mosiac Group** - \$1,000 towards community project
- **Orroroo Community Home** - \$2,000 towards purchasing a new digital Piano
- **Carols in the Main** - \$500 continuing support
- **Christmas Pageant** - \$500 continuing support
- **Girl Guides** - \$200 fees for camp 2024
- **Community Notice Board** - \$3,066
- **Age Friendly Group** - \$1,000 towards solar blanket for the pool

Orroroo Second Chance Preloved Shop will be expanding next year when shop renovations have been completed thanks to Anna & Tim Froling for their continued support, there is free WIFI down this end of Second street now. The Preloved shop will be closed for Summer Break from 22nd December 2023.

The Orroroo Regional Tourism Group would like to wish Orroroo and surrounding communities and visitors a very Merry Christmas and a Happy New Year. If you are on the roads travel safe, remember be alert and have a break.

Year 5/6 Community Project

This semester the 5/6 class have been working with the 54 31 Collective to create a mural for a Community Garden with a nature play space. The mural consists of individual pickets to be put together to complete the mural. Students have each designed and painted a picket and also designed a model of a nature play space.

Students presented their models to some of the team at the 54 31 Collective with the hope of giving them some ideas to put into their nature play space. Their presentations were excellent and the ladies at the Collective were very impressed, gaining lots of great ideas for their nature play project.

The 5/6 class have thoroughly enjoyed being a part of this project and can't wait to see their masterpieces and design ideas come to life when the Community Garden is complete.

Story Time

Playgroup returned to the library in November for Story Time. After making some sheep noises we watched the story "Baa Baa Blue Sheep" on the big TV. There were red sheep, purple sheep, yellow sheep and green sheep too. A story all about how great it is to share. Everyone made a very colourful sheep to take home. Some made a whole flock.

Christmas Story Time

Our next session will be Friday December 8th at 10am in the Library.

Come along for a glittery Christmas special.

Library Technology Sessions

Please note that the last Community Technology session with Josh will be on

Thursday 14th December.

We would like to Thank Josh for all his work in helping our community members with their technology questions.

The sessions have been very popular, being booked out each week.

Thank You Josh.

How to have conversations about dying and grief

About the course

Conversations about dying and grief can be hard, but they're important.

This one-hour education course provides practical tips on how to have caring and compassionate conversations with loved ones, colleagues, neighbours or friends about a stage a life we often avoid talking about.

Why attend?

The way we care for our dying reflects the humanity and compassion of our society. Through training, we can create resilience, understanding and capacity within our community, helping us care for our loved ones, families and friends.

Who can attend?

The course is for all members of the community, and there is no requirement for training or experience within the health or palliative care space to attend. While not directly targeted to health professionals, we welcome the attendance of everyone interested in these areas.

What topics are covered?

- Having a Compassionate Ear
- Responding with Compassion
- Helpful Conversations
- Self-care

SPECIAL TIMES TOGETHER...

The Orroroo Preschool 2023 class of 18 have enjoyed developing connections with the Orroroo Community Home and Hospital residents throughout the school year. The children and residents have shared time together, singing songs, playing games, making craft, talking together, learning with and from each other. It has been a very special experience as educators and staff of these facilities to witness these interactions between residents and preschool children. Throughout the year we have visited the Community Home and Hospital for themed craft session at Easter and Christmas, performed action songs, showed off our Book Week costumes to the residents with a parade and enjoyed this intergenerational connection.

The Preschool children, Occasional Care children and staff were so excited to welcome the Community Home residents to the Preschool for the FIRST time ever. The children were buzzing with excitement as the bus arrived with 9 residents onboard! The residents enjoyed the goodies the children had baked in the lead up, a cup of tea or coffee whilst chatting and watching the Preschool & Occasional Care children play in their indoor and outdoor learning environment. The preschoolers performed songs they had learnt before waving goodbye and 'yelling' see you soon. On another occasion, the Community Home residents visited the preschool group at the Orroroo Lions Park for a chat. Recently, the Preschool visited the Orroroo Hospital for a music session. The preschool children performed a rehearsal for their upcoming Christmas Concert for the residents. The residents enjoyed listening to the songs the children sung, bobbing along to the familiar tunes. We all enjoyed a shared morning tea together, thanks to the kitchen staff for the many morning teas we've enjoyed throughout the year at the Hospital and Community Home. We are looking forward to our annual Christmas BBQ lunch and Christmas craft with the Community Home residents. We've had a wonderful year!

We are extremely grateful to the Orroroo Community Home and Hospital staff for facilitating these ongoing visits which are an integral part of our children's learning at the OAS Preschool. These intergenerational relationships formed by the residents and preschool children are extremely special to see. Partnerships are embedded in every aspect of our practice at OAS Preschool. Engaging meaningfully with our community promotes understanding and provides a genuine opportunity for relationship-building and collaboration.

visitorroroo STAY & EXPLORE

Once again, there has been a good group of volunteers at the monthly meeting on Wednesday 1st November. We welcomed Valda Nutt's grandson, Matthew Rowe, to our retinue of willing helpers!

People are coping quite well with the increased pressure caused by the time constraint of the scanning equipment. There is good progress being made with the scanning of the photo files. We are more than a third of the way through and we have until the end of January to complete so it is still a possibility that we will achieve this goal!

Thank you so much to all of the volunteers, who are assisting to maintain and preserve the collection. You are all valuable contributors! Merry Christmas and a Happy New Year to all!

The next meeting will be Wednesday 6th December. After a short meeting, we will enjoy a Christmas afternoon tea at Maggies.

PROBUS REPORT

We had good attendance for our November meeting. Our 10 minute Speaker was Sister Sue McGovern, with an environment information on the excessive use of plastic.

Our guest speaker was Helen Smith a Probus member from Auburn. Helen was born in the Orroroo Hospital in 1941 and lived in the Horseshoe until her marriage to Chris Smith in St Dominic's Church on the 3rd March 1962 . Helen spent her childhood in the Horseshoe and attended the Mookra School travelling there and home by horse and cart. When the eldest child went to Rostrevor in 1951 Helen's Dad did not think the younger children could handle the horse and cart, so they began riding their bikes the 5^{1/2} miles to School.

The School Concerts were held in the Shearing Shed on "Mookra Vale" owned by Mr JT Mortlock and the school picnics at various spots around the district. The weekends were usually filled with attending sport on a Saturday and of course as Helen got older dances were great entertainment. Helen's brother John was known far and wide as "Short Jack" and went to school with Tom Case and later they worked together as shearers. Helen made contributions to a good number of organisations in and around Auburn, and recently retired from participating in "Trees for Life " which she did for 11 years.

Council recently spent several days at Carrieton tidying the streets and taking tree rubbish from around the swimming pool that had accumulated since the pool was built. Thankyou to all the council workers for the cleanup. The entrance to the caravan park had been tidied and new bitumen laid. Great improvements!

Carrieton Rodeo 31st December New Years Eve.

Once again planning for the town to swell with rodeo excitement. Woodall's bucking bulls travelling all the way from Colac,(Victoria), horses from the Carrieton Rodeo string, Kelpie the clown, (a favourite with children and a helping hand to bull riders) and many national and state competitors all add to a night of spectacular action.

A bar and refreshments, usual food stalls catering for

the crowd with the addition of a strawberry and icecream stall. Adelaide band Day Drive will entertain for those wanting to party into the New Year. Bookings online or tickets at the gate.

Many volunteers are needed to run such an event and the club is grateful for their support and in return this has helped in many ways within the Orroroo and Carrieton District. Recently \$10,000 was given to the Orroroo Bowling club to help install a new green. CARRIETON NEWS

On the 11th of November 2023 Carrieton turned it on for an action-packed day of horses and motorbikes at our Carrieton Hotel Carrieton Gymkhana and Motokhana.

Our second annual event was a huge success, the hot weather forecast didn't deter the competitors or spectators with 97 riders coming from near and far to entertain the large crowd who attended.

To commemorate Remembrance Day, there was a break in the program where Harry Williams along with Jessica and Steve Watson delivered an incredible service. Harry did an outstanding job and the whole community was extremely proud.

Announcer Daniel Williams kept the events moving along and spectators enthralled over the course of the day.

The Outback Mining Services Feature Relay Race was hotly contested and won by Luke Nicholls, Locky Johnson, Harvey Williams and Luke Ziegler.

CELEBRATIONS AT TARCOWIE

The town of Tarcowie celebrated its 150th anniversary on October 28th and 29th and the small town came alive over the weekend with over 200 guests turning up for the occasion. Over the 2 days locals and visitors from NSW and Queensland enjoyed a Golf Ambrose at the local course, old time dancing lessons, a Saturday night dance and Sunday lunch.

Glan & Daphne Lines

(Lines family established Tarcowie 1873)

10 to 92 came to kick up their heels and enjoy the atmosphere. The band catered specially for dances like the Military 2 step learned earlier in the day.

On Sunday 29th a luncheon was held and thanks to many local groups for their efforts. The Appila Progress provided workers for the BBQ and the meat supplied by Orroroo Meat Co was cooked at the Tarcowie golf club and farriered across to the Institute Hall by golf buggies.

Two Farmers Daughters supplied all salads and condiments with Black Rock Bakery providing Rolls. A real team effort came together with many locals helping

John & Myra Arthur

On the Saturday night the Tarcowie Pub was opened and provided meals and many enjoyed seeing the new renovations and beer garden. At 7:30 the dance began with MJ & Artisan Jazz project. Around 80 people ranging from ages of

The cutting of the cake was the towns oldest member Myra Arthur along with Malcom Smith, still farming in Tarcowie in his 80's. Keeping with the 150th theme, Tarcowie was lucky enough to have Alistair Keller give a blade shearing demonstration.

Cake and Cupcakes

Also thanks to the renovation crew from the Tarcowie Pub as they provided hours of labor to help repair the Institute Hall for the event.

Sunday lunch

Over the 2 days attendants including MP's Rowman Ramsey & Geoff Brock with Northern Areas Council CEO Kelly Westell enjoyed the various activities. With all 3 levels of government locals took the advantage to discuss no mobile phone service a (complete black spot) from Tarcowie to Orroroo.

The Tarcowie Progress wanted to recognize a few locals for their contributions. Roger Jefferson was presented with a recognition award for 40 years of being the treasurer of the Progress Association and John Arthur who has contributed over 40 years of service to mowing the golf course and the town. The Tarcowie Landcare Group and the local Scabble Group also received awards.

Even with the town only having 8 residents there are so many family connections, many people were raised here or still have family farms that they visit. Families who help to organize the weekend are descendants of the first settlers of 1873. Secretary of the Progress Association Noreen Arthur wanted to promote the pioneers and the hard times they endured to create the town of Tarcowie. With the Orroroo/Northern Areas Council boundary on the towns edge Tarcowie has always felt part of each Council. There is just enormous amounts of history in Tarcowie and many documents and files have been preserved and kept in the Hall. Locals have been working on a history room and some of the documents

found are breath taking. Handwritten letters from 1905 to the Progress Association, docket of purchase from saddle makers, wheelwrights and grocer shops.

Tarcowie sign

With a local pub/café, promotion of History at the Institute Hall & dedicated farming families, the town of Tarcowie will celebrate another milestone again.

Tarcowie Pub

An old pound book dating back to the late 1800's with all the written details of cattle and horses kept in the pound. Tarcowie Football, Tennis and Cricket teams photos and records dating back to the 1920's. This needs to be preserved and promoted.

NOTIFICATION OF AIRBORNE ELECTROMAGNETIC (AEM) SURVEY

IGO Ltd (IGO) is an ASX listed exploration and mining company with a strategic focus on high quality assets of scale and longevity, and an evolving strategy to align the business to energy storage.

This letter is to notify you that IGO will be conducting an Airborne Electromagnetic survey (AEM) over their wholly owned exploration tenure EL6551, EL6561, EL6562, EL6925 and EL6926. The survey will aim to be conducted between late January to March and should take approximately 14 days to complete.

The Survey will be carried out by Xcalibur Multiphysics, utilising a modified Cessna Supervan 900 survey aircraft. The aircraft will fly 3,473 line kms, with 1km spaced flight lines. The aircraft will fly at a minimum altitude of 120m with an electromagnetic receiver in tow at a minimum height of 68m.

AEM surveys map the amount of electrical current that can flow through a material (electrical conductivity). Light aircraft fitted with AEM instruments are used for the survey, a signal is transmitted from the aircraft into the ground and the receiver detects the returned signals. This signal has a similar output as a mobile phone and will not disrupt any equipment, plants or animals.

Survey Summary

Tenement holder: IGO Ltd

Contractor: Xcalibur Multiphysics

Survey Size: 3,473 Line kms

Line Spacing: 1000m line spacing

Flight direction: East and West

Flight height: 128m (minimum)

Receiver height: 68m (minimum)

Survey Start: TBC (expected late January to March 2024)

Survey duration: ~14 days

CONGRATULATIONS TO JOHN SCHMIDT

50 YEARS OF VOLUNTEERING AS A CFS MEMBER

Recently John Schmidt was awarded the National Service Medal for 50 years' service on becoming a CFS member.

The National Service Medal recognises long and diligent service by members of recognised government and voluntary organisations that risk their lives or safety to protect or assist the community in times of emergency or natural disaster.

- Fire Prevention Officer
- Road Crash Rescue Operator

John has been supported through all these years of volunteering by his wife Carol and their family who are in the background supporting him and keep the home fires burning.

As you can see, John is a very valuable member of the CFS, who they can totally rely on.

He makes the time to help where he can, whether that's out fighting fires, taking on a committee position or just getting the milk for the next meeting.

The CFS appreciates all the volunteer hours that you have spent over the past 50 years and value your efforts during this time. What a huge achievement.

Congratulations John!

John is a community man that always puts his hand up to help others, so when he was asked to join the CFS, he jumped at the chance and in March 1971 John joined the Orroroo Brigade.

Late in 1971 John took on the position of Orroroo Brigade Captain and was in this role for the next 22 years. John was then appointed Deputy Group Officer 1, which he held for another 27 years, before stepping into the role of Deputy Group Officer 2 in 2020 and is still currently in this role.

As well as fighting fires and taking on committee positions, John started helping with the Orroroo CFS Cadets in 2003 and has enjoyed training the young Cadets for the past 20 years. He is currently the Orroroo Cadets Coordinator and Group Cadets Coordinator and at times John and other leaders have had up to 40 keen cadets attend at any one time, learning how to use the equipment on the fire trucks, completing drills and soaking up John's knowledge. In this time, John has been lucky enough to pass on this information to some of his grandchildren which has made it even more special.

John has also put his hand up to participate in "Strike Teams", which head interstate to help other CFS volunteers with fires. On one occasion, he was lucky enough to do this with his daughter Kellie, which was another proud moment for him. John is a qualified Strike Team Leader which holds a lot more responsibility and pressure, which he takes in his stride.

John has held several other positions within the CFS and currently holds:

- Orroroo Brigade RCR Skills maintenance Officer
- Group Health and Safety Representative
- Level 1, Incident Controller
- Sector commander

John receiving his National Service Medal from Sindy McCourt, Regional Commander – Region 4, with Ken Campbell Group Officer, Black Rock Group, Region 4 in the back ground.

SA Country Fire Service present a service medal every 10 years and a clasp every 10 years thereafter.

Other awards presented on the day were:

Maria Heywood - Carrieton - 20yr Clasp to CFS Service Medal

Isaac Wittwer - Orroroo - 10yr CFS Service Medal - plus National Emergency Medal

Brett Wittwer - Orroroo - 10yr CFS Service Medal - plus National Emergency Medal

Bronte Hooper - Orroroo - 20yr Clasp to CFS Service Medal

Robert Bollinger - Orroroo - 30yr Clasp to CFS Service Medal
 Trevor Laskey - Pekina - 30yr Clasp to CFS Service Medal
 Jackie Boyd - Peterborough - 10yr CFS Service Medal
 Tanya Stevenson - Yunta - 20yr Clasp to CFS Service Medal

From left to right:
 Brett Wittwer, Isaac Wittwer, Bronte Hooper, Ken Campbell (Group Officer), Rob Bollinger, John Schmidt (Deputy Group Officer), Anthony Casey (Deputy Group Officer), Drew Boyd (received medal on behalf of his mum Jackie), Trevor Laskey

Congratulations to all these members on their achievements.

MEMORY LANE

Looking back ...

Adelaide-based novelist, Ann Clancy and her cousin, Margaret Turner a retired nurse from Bateman's Bay, NSW - great grand daughters of Michael and Mary Clancy, both buried at Pekina cemetery - made a pilgrimage to Pekina, Orroroo and Eureka recently, visiting their forebears' territory.

Whilst in the area they caught up with John Mannion, Noreen and Simon McNamara - current owners of the Clancy farm south-west of Orroroo, Ray and Clara Sims, and the Rowe's at the Commercial Hotel. Dave Clancey (Ann's great uncle) inherited the family farm but left Pekina in 1920 - he was the last of 14 children to leave and went to Orroroo where he had the Commercial Hotel until 1922. Ann's grandfather Frances Morris (Frank) Clancy and his wife Miriam (nee Turley) had two irrigation blocks at Orroroo c1913. It is believed that Miriam Turley's mother, Alice Jane Turley (nee Burch) was born at Pekina.

The News, 29th November 1929

Hotelkeeper and Sportsman

Mr. David Clancey, Licensee of Oriental Hotel, Magill road, Norwood, who died yesterday, was born at Pekina 43 years ago. After receiving his education at Wepowie Public School he engaged in farming. Subsequently he controlled Commercial Hotel at Orroroo, and British Hotel, North Adelaide. He had lived at Norwood for the past four years. Mr. Clancey was a member of the Licensed Victuallers' Association and a keen sportsman.

Ann Clancy

A fourth-generation South Australian, Ann Clancy was born and raised in Adelaide in a family of five children. Both her parents were teachers and she grew up in an environment of books and ideas. When Ann was nine her family spent a year in New Britain, Papua New Guinea, which awakened in her a life-long interest in other cultures and in the colonial era.

Ann gained a Bachelor of Arts and a Bachelor of Social Administration from Flinders University. She worked as a social worker for ten years before moving into the area of project management in information technology.

Descended from an Irish family from County Clare, Clancy had a longstanding interest in family history and wrote down many of the stories of her pioneering forebears as told her by her great-aunt. The early women had difficult lives, living on properties in the outback and raising large families. Some of the men were bullockies, and

Clancy's great-great-grandfather built the poppet head on the Burra copper mine. These areas were used as locations for Clancy's first novel, *The Wild Colonial Girl*. Scottish ancestry on Clancy's mother's side of the family was the inspiration for Bonnie Douglas, the heroine of *Rebel Girl*.

Margaret Turner

Margaret Turner's mother, Veronica (nee Clancy, daughter of Daniel Clancy) grew up in the Clare Valley, and was a nurse who survived a POW camp during WWII. Both women enjoyed their trip to the north.

Murray Pioneer (Renmark), Thursday 22nd August 1946

WRITING BOOK ON P.O.W. EXPERIENCES

Sister V A Clancy Revisiting Renmark

Sister Veronica Anne Clancy, who for 3½ years was a prisoner of war in Japanese hands, is at present revisiting Renmark as the guest of Mr and Mrs Ralph Jury. Capt Clancy (which is the rank she holds in the Army Nursing Service) was one of the 24 nurses, who of the total of 65, survived the dive bombing and machine-gunning of their ship, the massacre of Banka Island and the subsequent disease and starvation of prison camp life. The late Sister Elaine Balfour-Ogilvy, of Renmark was one of this party of nurses who lost her life. Capt Clancy, who is gifted with an observer's eye and a remarkably retentive memory, is writing a book on her experiences as a POW. She showed the sprint of the first year's happenings to a "Pioneer" representative yesterday, and there seems little doubt that when she has added details of another 2½ years to this, her effort will provide a valuable document in the history of World War II.

Sister Clancy

Very emphatic that she is not to be featured as a heroine, Capt Clancy has made a remarkable recovery from her prison camp privations, and has regained 4½ stone in weight since she was liberated. Since her return to Australia, she has been widely sought after by newspapers for her story, and though she has obliged many, she points out that it is possible only to give a mere smattering of happenings in the space of an interview. Captain Clancy has also been prevailed upon to give a number of addresses on her experiences. Continuing on to Adelaide next Monday, this distinguished nurse, who has been practically all over the Commonwealth in recent months, will later return to Mildura to be married to Mr. Dudley Turner, a "Tobruk Rat". Capt Clancy has just come from Mildura, where she did her nursing training at the Base Hospital, leaving for Sydney in 1938.

Woolshed for party dance

A woolshed dance provided informal enjoyment at tonight's party to celebrate the twenty-first birthday of Nancy Heaslip.

The dance was held at the home of Nancy's parents Mr Heaslip MP. and Mrs JA Heaslip of Willow Park Appila. Glowing braziers and big hurricane lamps warmed and lit the woolshed gaily set with check table cloths and colored candles. Woolsacks and shearing apparatus gave added country flavor to the dance decorations. Guests motored from many country properties and towns. Among house guests were Mr and Mrs Lloyd Jones, the former Rosemary Perry from Waikerie.

Nancy chose separates — a full swinging skirt of pebble beige angora, with azure blue twinset.

Her sisters Gillian and Pam and brother Ian helped with the entertaining. David Short, Nancy's fiance, motored from Adelaide.

Gillian's denim skirt of china blue was gay with a scarlet jumper, high to the neck. Pam had a blue skirt of vivid poplin to wear with her harness tan woollie.

City guests

Among those who motored from town were Mr and Mrs Tony Martin, Marlene Cox Beverley Greig, and John McKenzie. Country guests included Mr and Mrs L Jones of Waikerie; Eunice, Harold and Murray Tiver from Burra; Judy Dungey and Owen Price of Port Pirie; Phyllis Klem, Grant and David Andrews, Janet and Hadrian Grubb, all of Gladstone; Mary Solly, Jamestown; John Greenslade, Maitland; Jill Manthorpe Glenroy, Carrieton; Marlene Holland and Patricia Catford, Caltowie; Jill Michael, Sugarloaf, Burra; Ann Noonan of Hornsdale, and her fiancé Kevin Reichstein of Appila; Tom Cockburn, Wirrabara; John Fetherstonhaugh, Sidney and Malcolm Catford, Appila; and Trevor Clark, Cradock.
