

GOYDERS LINE GAZETTE

MARCH 2022

GRAND OPENING WEEK FOR THE COLLECTIVE

5431

COLLECTIVE

GRAND OPENING WEEK

Thurs 10 March: 10am-4pm
Fri 11 March: 10am-4pm
Sat 12 March: 9am-1pm
Sun 13 March: 9am-1pm (in line with Orroroo Markets)
Mon 14 March: 10am-4pm

There's been lots of movement in the main street and we are excited to announce that 54 31 Collective's 'Grand Opening weekend' is nearly here. 54 31 Collective, a not-for-profit enterprise run by the community for the community in the township of Orroroo in the Southern Flinders Ranges SA.

The '54 31' name inspired by the 5431 postcode of Orroroo & surrounds fits in with our aim of providing rural creators with links to 54 31, a platform to grow & showcase locally made quality products and services.

54 31 Collective is a blend of unique local businesses with beautiful brand stories in a shared market vibe space to showcase their products without the overheads of their own shopfront.

First imagined in the moist of a heart breaking 5 year drought, the 54 31 Collective board (a group of passionate local women) have taken the project from concept to reality.

The sleeves were rolled up and the ball got rolling revitalising an empty shop front on the Orroroo Main Street, turning it into a bustling community hub for both locals and visitors.

Please pop in for a look around, a chat or quiet minute in our community space area any time!

"Our ethos is to connect, collaborate and create a community space for both locals and visitors to our town to enjoy and learn the story behind the products and their creators."

RURAL AID SET FOR ORROROO

Project Week is scheduled for 3rd - 9th April 2022. Rural Aid's volunteer army will be in town to assist with our projects. Over the past few weeks, a group of dedicated community members have been working with Rural Aid staff to prioritise those projects which the volunteers will focus on. All of the projects have been developed hand in hand with the

broader community and are captured in the Community Development Action Plan. Visit www.orraroo.sa.gov.au for your copy. Let's get behind this once in a lifetime opportunity Orroroo, and make the volunteers welcome!

ORROROO SA

From the Council Desk

Ordinary meeting: Council held its ordinary meeting on Wednesday 23rd February 2022 in the Orroroo Council Chambers. Minutes are now available via www.orraroo.sa.gov.au. The next ordinary meeting is scheduled for 9am Wednesday 23rd March 2022. Council papers will be available to the public as normal via Council's website.

Flood Recovery Works: Stage 3 of Council's 2020-2022 flood recovery works have now commenced in the South Western area of the district. Road affected include Melrose, Crocker Hill, O'Dea, Hombsch and Narien Roads

Orroroo Heritage Trail design: The public consultation of the concept plan of the new trail has now closed. Council wishes to thank all respondents for their submissions and the broader community for their involvement. A final design and project plan of the trail will be presented to Council at their March meeting.

Main Street Median Strip Works: Council wishes to advise that tree trimming and removal will occur on a section the Main Street median strip between

Fifth and Sixth Streets (near the Woolshed) in early March subject to weather conditions. Council will endeavour to minimise inconvenience during the works however speed restrictions may apply.

Swimming Pool Closure: Council wishes to advise that the Orroroo Swimming Pool season closure is Friday 4th March 2022.

Business Plan and Budget 2022/23: Planning for the 2022/23 Financial Year has commenced. If you have particular suggestion or request of Council for consideration in next year's budget, please contact the CEO on council@orraroo.com.au or 08 8658 1260.

After Hours Duty Officer: To improve our service delivery Council has implemented an afterhours Duty Officer. The Duty Officer can be contacted for urgent matters outside of standard business hours on 0437 949 713. Any matters which are not urgent should be directed to the Council office Monday - Friday on 8658 1260.

Public Consultation

Social Media Policy

In accordance with Section 50 of the Local Government Act 1999, notice is hereby given that at its Ordinary Meeting held on 23rd February 2022, Council endorsed the draft Social Media Policy for public consultation.

A copy of the document is available for viewing at the Council Office, 17 Second Street, Orroroo and on Council's website www.orraroo.sa.gov.au.

Written submissions are invited by interested persons and should be directed to:

Mail: District Council of Orroroo Carrieton
PO Box 3, Orroroo SA 5431, or
Email: council@orraroo.sa.gov.au

Submissions are to be received no later than 5.00pm, Friday 18th March 2022.

Message from the Mayor

I spoke too soon last month thinking that I was not very busy. February flew past with all sorts of things going on. From a Council perspective, the Main Street Task force had a Zoom meeting with three leaders of Rural Aid to start the process of determining the projects they will work on when they visit. We were somewhat at cross purposes with them wanting to know our priorities and us wanting to know their capabilities but with another meeting with them next Tuesday and some forwarded information from them we should come to consensus. Certainly, it is a wonderful community program and I hope for some very worthwhile outcomes.

Council is interviewing for a new CEO this Friday. The process is moving along well and we hope to have a very short time between the new CEO starting and Dylan finishing up. It is certainly a help to our Administration staff and especially Ann if we can make the changeover as smooth as possible.

John Cozens, in his address to Council last Wednesday, spoke of how wonderful our health service was in his recent leg difficulties. Sometimes its too easy to criticise and complain but I had several visits to surgeries and

health appointments last week and we really are very well served here in Ororoo with both consultative situations as well as allied and preventative health in the region. I certainly concur with John's feelings.

Covid has reared its head within our community finally and we all know someone who's had it. Not all that pleasant for some and hardly noticed by others but lets hope the clusters diminish in number and we can all feel comfortable again.

Lastly, I would like to congratulate our two district cricket teams on their passage to this years Grand Final. In an eight team association that stretches from Wilmington to Burra, it is a credit to the players from Ororoo who finished top and Pekina Carrieton who finished fourth to be playing next week at Burra. Good luck to both teams and we will at least have some people in our community celebrating.

Kathie

Orroroo Half Marathon 2022

Whilst the Half Marathon Committee would have liked to have had a 2022 event on the last Sunday in March, it became obvious in our peak planning period that the impact of new restrictions during December & January made it very difficult to judge how an athletic event would be able to be organised, and what Covid considerations would need to be adhered to.

Responses to our competitor mail out were low, with uncertainty by metropolitan and regional runners to commit to events, many of which have been cancelled in the first 6 months of this year.

Our small committee feel that hopefully 2023 will be better, and with another Orroroo community group coming on board to assist with planning and administration of the event, we will be better prepared to get it all together for March 2023.

To all our Sponsors and supporters, we thank you for your patience in allowing us to defer your support until 2023.

ORROROO COMMUNITY GYM

Just before the beginning of the Pandemic the Orroroo Community Gym invested in five new items of equipment including,

- ◆ Schwinn AD8 Airdyne Bike
- ◆ Matrix S Drive Performance Trainer
- ◆ FDF Predator Ergometer
- ◆ Vision S60 Elliptical Suspension Trainer
- ◆ Synergy Power Tower.

All equipment was installed and ready to go just as the first lockdown happened and the Gym was closed for several months.

The new equipment we purchased was aimed to benefit the number of different groups of age and abilities that our Community Gym caters for. We normally run two senior's groups with the physio and a Pilates group, all of whom use some of the gym equipment, and independent gym users who use most of the equipment targeting fitness, strength, endurance and rehab from injury or surgery.

Because all equipment still needs to be socially distanced for its users, we are taking up all of the gym and the group exercise (supper room) area.

The Gym Committee, and the participants in the group exercise classes are extremely grateful to the Orroroo Carrieton District Council for allowing the group leaders to conduct their classes in the Town Hall, again giving good social distancing arrangements for participants.

While gym members and casual participants have continued to use the gym in increasing numbers, we wonder if there does need to be an opportunity for an introductory sessions made available to get the best value out of some of the new equipment? Contact a committee member if you would like some instruction with any of the new equipment.

The Committee will continue to research new gym equipment as the need arises, (equipment becomes redundant, unusable, or out of date), but at present, with social distancing and the fact that much of the new equipment is still quite "new" we are unable to purchase and install new items into our facility at this point.

A request for extended Opening Hours until 10:30pm has been investigated, and from March a trial period of 6am to 10:30pm opening times will be conducted.

Gym users are asked to be mindful of excessive noise during the later hours please.

If you have any queries or would like to make some suggestions, you can either,

- ◆ Email: orroroocommunitygym@gmail.com
- ◆ Write up in the "Communication Book" at the check in desk.
- ◆ Or speak to one of the Gym Committee members:
 - ◇ President: Di Barrie 0427 094 614
 - ◇ Secretary: Col Parkyn 8658 1261
 - ◇ Membership: Andrea Martin 0428 605 026
 - ◇ Committee member: Peter Amey 0438 252 430

NEW Gym hours: 6am - 10:30pm

Gym members under the age of 18 years must be accompanied by an adult Gym Member please.

ORROROO EQUINE CLUB

January/March 2022

Volume 5 Issue 1 - 2

Orroroo Equine Club

Happy New Year for 2022!

Orroroo Equine Club Committee for 2022

President: David Salisbury **Treasurer:** Alison Sellwood **Secretary:** Emily Byerlee **Public Officer:** Malcolm Byerlee
Publicity Officer: Emily Byerlee **Committee Members:** Liz Menzel, Haidee Williams, Ella Vercoe, Neil Byerlee.

Orroroo Equine Club Annual General Meeting held on Sunday 9th January 2022 at the Club Grounds. Committee Report for 2021 Orroroo Equine Club Season. The Committee would like to than all Office Bearers & Members for their help & support over the past Season. Unfortunately due to Covid 19 the Club has had to postpone/cancel many of it's planned events during the year. Also due to the extreme increase in the Annual Insurance Costs we shall have to review our insurance to remain viable, this may include being registered as a Western Club & holding Western events (which we already do anyway). This would allow us to be able to obtain insurance from the HSAA (Horse Shows Association of Aust.) and subsequently enabling us to have the required insurance to run our Club events.

*******Congratulations to the OEC Raffle Winner—Janelle Faggotter!*******

We look forward to another successful & happy Club Season for 2022. Any new Members are most welcome.

Expressions of Interest

The Club Committee are **seeking Expressions of Interest** for the purpose of Grazing of Sheep on the Club Grounds for the following 12 months—this will be reviewed with the prospect of ongoing grazing of sheep on the Club Grounds subject to Committee approval in 2023. The Maximum number of Sheep to be grazed would be 50 ewes, lambs or whethers.

Our first Rally Day for the 2022 Season will be Sunday 6th March which will be a Practice Day, Some help will be available for any that may require some assistance.

All Welcomed, all ages and equine types.

We look forward to another successful & happy Club Season for 2022.

Orroroo Equine Club Proposed Dates - 2022

March	Sunday 6 th	Practice/Instruction Day - 10am Start
April	Sunday 3 rd	Competition Day - 10am Start
May	Sunday 1 st	Orienteering/Instruction Day - 10am Start
June	Sunday 5 th	Instruction Day - 10am Start

The Orroroo Equine Club is a helpful & friendly Starting out Club. All Welcomed!

Due to the Corona Virus (Covid 19) limitations and Social distancing please remember to keep your distance and stay safe for all our sakes at all times!

Gone Riding

MEMORY LANE

Looking back at the 1960s

Back in 1967 a couple of Highways Department (HD) workers were doing a material search ("Test holes") for the planned road construction of the Orroroo-Wilmington, and the Minvalara-Black Rock roads. There was no camp as such, they camped in the Orroroo Caravan Park. This series of photographs from Malcolm Davis from Jamestown, shows the Michigan Dozer dozing for material to be tested prior to road use in the Black Rock area; the two caravans at the Orroroo park; and the dozer parked outside the Orroroo park.

The Advertiser, Tuesday 14 February 1911

A NEW RAILWAY SIDING

BLACK ROCK, February 10. Minvalara, a new railway-siding on the north line about eight miles from Petersburg, and six miles from Black Rock, has been opened for traffic. This will prove a great boon to the residents of Morgan Centre and the surrounding district, as they have been severely handicapped in the past. Although it was hardly completed for the wheat season just drawing to a close, considerably over 20,000 bags have been brought into the new siding. The shortage of trucks necessitates the buyers stacking part of the wheat for a

time. It is expected that more buyers will open at Minvalara for the next season. This will affect Black Rock a little, as most of the wheat from that district came here. After a two-years' agitation the residents of Morgan Centre have satisfied the Railways Commissioner that the new siding will pay, and Minvalara is expected to be a busy siding as soon as the caretaker is in charge and a platform built. Postal facilities are not yet supplied, as the authorities offered such a ridiculously low stipend for looking after the mails that no one has accepted the position.

The Times and Northern Advertiser, (Peterborough), Friday 24 June 1921

MEETING AT ORROROO

Mr Enos Copley (Chairman Orroroo District Council) proposed "that in the opinion of this meeting it is essential that facilities for handling stock and additional accommodation for the protection of merchandise should be provided at various sidings on the Great Northern system, where such facilities are inadequate, or where none are provided at present." The mover referred to a siding as an example; Black Rock possessed a tiny, unhealthy little box for an office for the caretaker, where he carried out his duties in addition to post and telegraph office. This siding passed out 50 or 60,000 bags of wheat per year, which would give an idea of the quantity of supers dumped by the railways. There was absolutely no provision made for the accommodation or protection of merchandise, and the man in the north was getting very sick of this sort of consideration. The motion was supported and finally carried.

The Chronicle, Saturday 15 December 1923

MORE FIRES NEAR ORROROO HUNDREDS OF WORKERS

Orroroo. — Further fires broke out close to the railway line to the south of Orroroo on Wednesday. Dense clouds of smoke were the signals for car loads of fire fighters to leave for the scene. A train in the Orroroo station carried a large contingent of beaters. The fire assumed alarming proportions and covered a frontage of over six miles. Mr P Smith, of Black Rock, lost over 80 acres of crop and hundreds of acres of grass land, classed as excellent feed. His fencing losses are also a big item. Over 300 firefighters

were engaged, and the railway gangs from Black Rock, Orroroo, and Minvalara rendered assistance. A resident tied his pony in a sulky to the fence and endeavored to fight the flames, but they spread rapidly, and before he could get back to his vehicle it was enveloped in flames. Mr H Brown with difficulty let the pony go but the animal will probably have to be destroyed. The vehicle was badly blistered.

The Times and Northern Advertiser, (Peterborough), Friday 15 January 1926

THE KELPIE

I wish to pay a tribute,
To the greatest friend of man,
The gallant little kelpie,
Who seems to understand
The language of his master.
And the work he has to do.
He's a prize to every sheepman,
Faithful, game and true.
I knew a little kelpie,
Who went quite far away.
And brought the sheep to water,
On many a summer day.
He rounded up the stragglers
And brought the big mob through,
Without a soul to guide him.
Or show him what to do.
Just treat your dog with fairness,
And you will ever find,
He'll pay you back in service,
That nature has designed.
In field, in yard, or roadway.
He'll show to you his worth,
A toast to you. wee kelpie.
The greatest dog on earth.
The bull-dog minds his master's house.
The hound's for fox and hare,
The pommey and the poodle,
Is for the lady fair.
The silent healer heals the cow,
The greyhound's made for speed,
But give to me in the land of sheep,
The gallant kelpie breed.
—Minvalara.

The Advertiser, Tuesday 11 February 1930

Storm at Black Rock

At Black Rock a bad dust storm started about 3.30pm and was followed by rain with thunder and lightning. The wind was terrific, and was stated to have torn down about two-thirds of the huge railway wheat shed, lifting a large portion of the roof off in one piece and carrying it for about 100 yards. An iron verandah at the rear of the residence of Mr A O'Gorman,

MEMORY LANE

at the station, was blown off, and sheets of iron stacked in the railway yards were whisked into the air in all directions, and some were carried for a quarter of a mile. A number of sheds at farms and stations in the district were unroofed.

Residents stated that they thought the lightning probably struck the wheat shed. The storm was so bad that the proprietor of the hotel (Mr G Clarke) had to close up the place while the wind was at its fiercest. Later 33 points of rain fell in the township, while out to the east heavy falls were recorded, about 70 points coming down within a short period. All the flat country round about was reported to be under water, and last night more rain was apparently threatening.

The Register News-Pictorial (Adelaide), Monday 17 November 1930

Country People

A farewell social was given Miss N O'Gorman in the Black Rock Institute before her departure for Caltowie. Mr GN Clarke presided. Other speakers were Messrs. CT Kuerschner and JJ Lang. Mr Kuerschner, on behalf of the residents of Black Rock and district, presented the guest with a handbag and notes.

The Chronicle, Thursday 2 July 1931 **BLACK ROCK**

While working on the railway bridge Mr AJ Parkinson had his thumb badly crushed, when the jack he was using slipped. First aid was rendered by Mr. B. Pannell, and the sufferer was conveyed to the Peterborough hospital by Mr HJ Box. It was found necessary to amputate the thumb.— Splendid soaking rains have fallen throughout the month, 220 points being registered to date. The bridge gang has completed all bridges in this division, and replaced the narrow gauge girders with new broad gauge ones.

The Times and Northern Advertiser, (Peterborough), Friday 19 October 1934

VALEDICTORY

Mr Orlando Stewart leaving Minvalara. A farewell Social and dance was tendered to Mr Orlando Stewart on Friday October 12th at Mr O'Reilly's residence, Black Rock. Many friends were present to bid the guest farewell and to wish him luck in his new job as station manager. Music was supplied by the Minvalarians, who put up a real good job. Mr Ern Caseyspoke

in reference to Mr Stewart's activities in the district during his residence of nine years, and presented him, on behalf of those present, with an Inkstand. Mr Allan Warnes spoke on behalf of the football club and mentioned the loss they would sustain by the departure of a good player and energetic secretary in the person of Mr Stewart. Mr and Mrs O'Reilly were thanked for the use of their home. The ladies present provided a very dainty supper.

The Advertiser, Friday 5 January 1923 **OBITUARY**

The death occurred last week near Peterborough of Mr George Willmott at the age of 82 years. He was born at Hindmarsh in 1840, and had been farming all his life. He was at Mintaro for 15 years, at Burra for 25 years, and at Black Rock, near Peterborough, for 20 years. He attended the old colonists' reunions at Glenelg on December 28 for many years. He leaves six sons—Messrs George, Alfred, Arthur, Charles, Sydney, and John Willmott—and two daughters—Mrs William Truam (Adelaide) and Mrs F Willmott (Peterborough).

The Advertiser, Monday 14 February 1898 **WATER FROM BELOW**

TO THE EDITOR

Sir—As the Pekina Creek is likely to be dammed (or in other words riparian rights ignored) what are the graziers and dairymen going to do, for it has been the floodwaters of the creeks from the hills that irrigated the Walloway Plain. I do not think there is another place in South Australia where the water has been so evenly distributed naturally. It has been alleged that the floodwaters of Pekina Creek have run waste. Any person who knows the trend of the watercourses knows this is not a fact for it is only where the floodwaters go that there anything like feed grows, elsewhere there being little and often absolutely nothing. I think it will be safe to say that if these irrigation works benefit one class it will be to the injury of another, with the pretty sure prospect of bare paddocks in the future. It has occurred to me cannot something be done to supplement the scanty rainfall on the plains; dams or rather tanks (for the plain is too level to admit of damming) will be of no use when floodwaters are cut off, unless in

an extra wet season, and such seasons come about once in 10 years. The only resource will be to bore and tap the water below. I do not make any pretence of being a geologist, but will give a description of the plain from my point of view. It is about 35 miles long from north to south, or from Yatina to Johnburgh and from 4 to 10 miles in width, without any jutables or foothills stretching across its width. The Walloway Plain, the widest part, lies north-north-east from Orroroo, and I believe at one period of the world's history this part of the plain was a lake. The floodwaters of unknown ages and the drift brought with them have raised the surface to its present state. There is only one outlet, a narrow gorge at the north-east extremity of the plain, and only upon two occasions in about 20 years have floodwaters reached this gorge which is deeply water-worn. A great extent of country drains into this plain at rare intervals from Mount Lock North to Eurelia, from Canowie belt, and nearly all Yongala run, Belalie North, and hills east of Petersburg, also Black Rock hills. In the early days, when this country was being settled, it was quite common to get bones of kangaroos 40 and 50ft. below the surface in sinking wells. A word about some of these wells. I have sunk three wells. The first cut water at 57ft, evidently on bank of old creek; fair stock water, no use for domestic purposes or irrigation. It was clay for first 20ft, then sand and gravel with bands of clay to bottom. The next well I sunk in hope of better water gave clay for 15ft, then 3ft. of clean sharp sand that would run, and clay to the bottom; same water as in first well, so filled it in again. Then went west about 50 chains from first well and sunk again. This well was clay from top to bottom; cut very fair water at 40ft., but cannot irrigate wholly with it, being a little brackish. One curious feature I will mention about a well Mr. James Gibb sunk close in at the foot of the range north-east of Walloway railway-station, where the range rises almost precipitous by some 400 or 500ft. He sunk 160ft with windlass and buckets without striking water. Then he hand-bored 60ft through sand, gravel, and clay; then gave it up. In a day or two his son went down the well to send up the rods He took the plug from bore and found it full of water to within 1 inch of top. He had to abandon this well on account of rotten nature of ground

MEMORY LANE

passed through, not having encountered rock on the way down. The well must have been close to a perpendicular wall. The above, I think, shows that the depth of drift is very great, and without a doubt abundance of artesian water can be got for the tapping. If there is coal in any part of South Australia it is likely to be under Walloway Plain. What a blessing it would be to have a jet of water spouting from a bore similar to that at Coward Springs. Such a stream could be conducted through the farms for miles, and if water was suitable most farmers could grow 10 or 20 acres of lucern, and so prevent such heavy losses of stock as have occurred these last few years. If the Government were to send up a trained geologist to make a thorough investigation I believe he would confirm much of what I have written. They might then be induced to put down a bore or lend a machine to the to put down one in view of the present prospects. I think the settlers here are entitled to some consideration, and help to improve this dry plain. The soil is equal to anything; it just wants water. I am, & c,
JM CADZOW. Orroroo, February 8, 1898.

One hundred years ago, March 1922, the Quorn Mercury reported:

A thoroughly enjoyable evening was spent by the many who attended the kitchen evening tendered Miss Ina McDougall on Thursday evening by her many friends, on the occasion of her approaching marriage. Kitchen gifts loaded up a goodly-sized table on the stage, and with a forefront of floral decoration, the effect looked pleasing. The Rev Faulkner, on behalf of the gathering, presented the table of presents, and Miss McDougall responded neatly on her own behalf. Musical, vocal, and elocutionary items filled in the blanks between dances, while those who pleased became busy at cards. Supper was provided by the ladies and the table tastefully decorated and laden with good things came in for a good deal of attention.

On Wednesday the 22nd three cars journeyed to Tarcowie to give a concert in aid of the Church of England. Mr C Kotz presided. Items were rendered by the following: Overtures, Miss M Arthur; vocal numbers, Misses Martin Graham and Schulz, and Mrs Wake. Messrs JT Gray, A Wake, L Harslett, K Clarke and R Jones. Supper, and dancing followed,

which lasted until the early hours of Thursday morning. Miss Myers supplied the music.

A great deal of excitement was caused at Tarcowie the same evening when four or five boys started a car (that brought the performers from Orroroo, in charge of Mr W Wall of Parnell's Garage) and ran away and left it in motion with the throttle right open. It came straight along the road for about twenty-five yards, when it turned and collided with two other cars, one owned by Mr Tapscott, which was damaged at the back and a new Overland, which came in for heavy damage. The run-away car was stripped of both doors on one side, the hood broken, and several holes and dents in the body. About £50 worth of damage was the result.

On Tuesday last a very pretty wedding was celebrated in St Paul's Church when Miss Ina McDougall changed her name to Mrs Reg Kitto.

Mr and Mrs FJ Bills and family left for Adelaide last week on holidays.

Mr McNamara (Inspector-General for the State Bank) was in Orroroo last week examining buildings erected for the bank and expressed himself as well satisfied with the homes erected.

The Register (Adelaide), Wednesday 6 July 1904

MORCHARD, July 2. On Friday night a social in aid of the institute funds was fairly attended. A ping-pong match begun then was concluded on Saturday night. Mr XF Beck won the gentlemen's contest and Miss Scriven the ladies. A progressive euchre competition was won by Mr Charles Brown. Mr Michael Mannion, an old resident of Coomooroo, died on Wednesday. He was a large farmer and was highly respected. His losses in stock since 1895 had been heavy, and that, with failure of crops, had affected him severely. He had had a long illness, and for a long time had been unable to lie in bed owing to heart troubles.

The Register, 7 March 1901

CARRIETON, March 5. A narrow escape from drowning took place here this afternoon. A child aged one year and nine months, son of Mr George Anesbury, was walking on the roof of an old tank on the property of Mr D Davies, when, owing to the rotten and insecure nature of the

covering, he fell through into the water (5ft deep). A lady living near fortunately witnessed the accident and called for assistance. Mr WJ O'Grady appeared on the scene, and, with commendable promptitude, jumped into the tank and recovered the child, who was in a state of collapse. Restoratives were applied by Mr Parry, chemist, which, after a time, proved successful.

EURILPA, March 2 Mr MB Ryan, held a clearing sale in the district yesterday, and, considering the dryness of the season, it was a good one. Horses brought up to £11 5s, and reaping machines up to £14.

What was the Linkson family doing in what was to become the Orroroo area in 1893? Where was Brockman and Asher's business in Orroroo in the late 1880s?

Burra Record, Wednesday 13 December 1893. p3

Mr WH Linkson, who was re-elected councillor for North Ward for the second term, was born on July 9 1865, where the town of Orroroo now stands. A few years afterwards his parents shifted to Burra and have resided here ever since. He was educated at Mr FW Holder's and FA White's school. When a youth he entered the post and telegraph department and served five years, after which time he resigned and went to Western Australia, but did not remain there very long.

After his return to Smith Australia he worked eight months at Orroroo with Brockman and Asher, merchants. On the death of his father (some nine years ago) he left and joined his brother, taking over the business of their late father, which they still carry on. Since his return to the town to permanently reside he has always taken a deep interest in all matters to advance it. He is also an enthusiastic sportsman.

CARRIETON NEWS

Scattered storms resulted in the following rainfall recordings for month of February

Almerta 4mm
Carrieton 18.2mm
Eurelia 6mm
GlenRoy 3.2mm
Johnburgh 4mm
Mooakra 7.5mm
Sandal Park 3mm

Farewell to Dylan Strong and Jodie Bouilly from Orroroo Carrieton District Council. Jodie Bouilly initiated several tourism projects helping Carrieton, the Johnburgh Loop page guides, while Dylan as CEO took time to attend Carrieton Progress Meetings and showed an interest in local issues. We thank both for their contributions and wish them well in their future endeavours.

The official opening March 13th of **54 31 Collective** will have craft work from Courtney and Eliza Rowe amongst the many other local products and produce. Best wishes to all the collectives participants. Another local initiative worth supporting.

Carrieton Cropping Project met for its half yearly general meeting on Wednesday 23rd February and approved funding requested by the CPA for the recent repairs to the stonework on the CWA rooms and the old kitchen. Plans for stock and the country to be farmed were also discussed.

Welcome home to Steve and Jess Watson and family who recently spent time for their summer break amongst family and friends in the eastern states. **The Carrieton Hotel** will be resuming the same trading times as last year in March.

Two **tourism grants** have been received within our area. Almerta will complete their Henders project at the base of Mount James with a upgrade of the stone cottage into off grid accommodation, improve the camping facilities and the installation of water access infrastructure. Bendleby Ranges will be upgrading their existing homestead accommodation amenities block, add eight new campsites, a new 4WD track and camp shelter. Both businesses will receive funding one third of the estimated cost of their projects. It good to hear of these enterprising tourism developments within our district.

Tourism for the local area is expected to resume with the following businesses opening in March. Carrieton Hotel ring Steve 0407 394 072 Cradock Hotel 8648 4107 Flinders Food Company (Hawker) 8648 4380. It's interesting to note that Flinders Food Co will be involved in a Tasting Australia event later this year.

Competitors local and interstate will be competing in the annual **Carrieton Campdraft** event of the Flinders Ranges Campdraft club on Saturday and Sunday 26th and 27th March at the grounds 2kms east of Carrieton on the Wilmington Road. The high standard events will be held over two days with the usual "Snows Roast" dinner on Saturday night and finals on the Sunday. Refreshments available and everyone welcome. The warmer weather recently has bought a request from regular swimmers to extend the pool opening for another week the same as last year. Many thanks to Annie, Lizzie and Council for the excellent facility we are able to enjoy within our town.

The first forum for the year by the **Flinders Ranges Outback Tourism Association** will be held at the Great Northern Lodge Quorn with a guided walk through the new Quorn Bushtucker Garden. Two reps from Carrieton Caravan Park will be attending.

Carrieton Rodeo Club will be holding a general meeting on Friday March 18th at 7.30pm in clubrooms. Everyone welcome.

Glyn Shackelford will be presenting his CD **"Gum Creek Country"** a collection of original songs at the Carrieton Caravan Park on Sunday March 13th 3pm - 5pm Everyone welcome. Light refreshments available.

Father Harold recently returned from visiting his mother for her 70th birthday in the Philippines. A flight cancellation extended his stay by a fortnight much to the delight of himself and family.

Catholic Church Times will be 6.00pm during March. Lent begins Wed March 2nd and parishioners are asked to pray for victims of the Ukraine war each day during Lent.

URGENT

Nine weeks self-contained accommodation required for three Uni SA OT students: April 25 to June 24 2022

Niesha Hampel, Johnny Librino and Connor O'Brien, fourth year UNI SA Occupational Therapy Students will be arriving in Orroroo in late April to complete the third Participatory Community Project, based in and around the Orroroo community.

They are in need of self-contained, independent accommodation during their stay (fully furnished).

Can you help? Do you have any accommodation or know of any local accommodation that would be suitable?

Contact the Mid North Local Health Cluster mnlhc@outlook.com or mobile 0417 446 089. Their accommodation costs are fully funded.

During their stay Niesha, Johnny and Connor are looking to becoming involved with Orroroo netball and football teams.

Health Cluster*

MID NORTH SUICIDE PREVENTION NETWORK PRESENTS... THE JAMESTOWN GOLF COURSE PARKRUN

Interview with Emma Scharkie – President of the Mid North Suicide Prevention Network

1. Who are you and what are you about?

parkrun is a free, weekly, timed, community event. Organised by local volunteers, parkrun is held every Saturday morning at 8am. Our event is 5kms and held at the Jamestown Golf Course. Our course follows the picturesque fairways of holes 1 – 7, and back. Our launch event was held on Saturday 5th February 2022 and will be held weekly from now on.

The format of parkrun is simple: register once, print your barcode, then turn up and take part wherever you want, in whatever way you want. You can run, jog, walk, volunteer, or spectate with coffee in hand. Get some friends together and come out for a walk and chat or come by yourself and meet new people. Bring your dog along and give them some exercise (provided they stay on the lead). Can you even bring the kids! We do recommend the big wheels if you bring a pram. You can take part if you are a seasoned runner, or if you haven't exercised for years, and simply want to start walking again. No one will judge and you will be encouraged every step of the way!

After the event, it is very common to go for a coffee, a snack, and a good ol' gas-bag! We highly encourage you to support our local businesses in Ek-wi-tee, The Depot, and the Jamestown Bakery.

2. Are you part of a bigger organisation?

Yes, parkrun is a world wide organisation. Founded by Paul Sinton-Hewitt in the UK in 2004 with 13 runners, 3 volunteers, a stopwatch and a few bits and bobs, parkrun is now a worldwide event, with 2000 locations in 23 countries across 5 continents. Every week thousands of people around the world come out to take part in their local event. The first Australia parkrun was held in 2011 on the Gold Coast.

3. How did the Jamestown Golf Course parkrun come about?

In late 2020/early 2021 the idea of bringing parkrun to Jamestown was proposed to the Mid North Suicide Prevention Network (MNSPN) and we decided that this would be a wonderful way to promote well-being in our community. Our group has worked very hard to bring the event to Jamestown over the past year and we have been blown away by the amount of support we have had. We were incredibly lucky to have our start-up costs funded by Energy Australia through a generous donation and have had amazing support Gary Lloyd and the rest of Jamestown Golf Club in allowing us to use the course. A special thank you to Dave Denton for maintain the course over the summer ready for our launch!

4. What is the purpose/the goals of the group?

parkrun is for everyone! It is about inclusiveness and well-being. The purpose is for as many people as possible to feel a part of the community, as well as the global parkrun family. parkrun is a positive, welcoming, and inclusive experience where there is no time limit, and no one finishes last. It doesn't matter how fast you go; it doesn't matter what you're wearing, and it doesn't matter what role you have. What matters is simply taking part.

5. Are there subcommittees as part of your group?

Our parkrun is managed by the committee members of the MNSPN. Rosie Thomas and I are acting as the parkrun Event Directors in Jamestown and have taken on most of the logistics. We connect with and supported by parkrun HQ. We always welcome volunteers on both the MNSPN and anyone who would like to help keep parkrun going each week.

6. Is there anything interesting you would like us to know about parkrun?

Once you register for parkrun, you can take part in any event all over the world. People travel all over to be able to say they have done every parkrun in the state/country. Both volunteer and participation milestones are acknowledged every week. You even get milestone T-shirts!

7. What are the benefits of being involved?

There are numerous benefits of being involved in parkrun, physically, psychologically, and socially! You can improve your health and well-being, learn new skills, meet new people, build new friendships, spend time in nature, improve your fitness, connect with our community and with the wider parkrun community. Plus, it is free!

8. How do people volunteer?

It takes between 5 – 7 volunteers each week for the event to go ahead. Volunteer roles include timekeeping, bar code scanning, handing out finish tokens, tail walking, and event briefing. Volunteers are on an email list and are contacted whenever we need to put a roster together. The more volunteers we have the less frequently you will need to be rostered on. You can come and enjoy the event no matter what. Just let us know if you would like to be a part of the volunteer roster. Simply register as a parkrun participant to become a volunteer and start getting volunteer credits.

9. How can people find you?

IMPORTANT – How to safely dispose of used Rapid Antigen Test Kits (RATs)

RATs ARE NOT RECYCLABLE!

There is a possible risk of putting yourself and waste/recycling workers at risk, by trying to break them apart for recycling. RAT kits are considered to be a medical waste. If a medical waste bin is not accessible, then please place them into a sealed bag before placing them into your waste to landfill bin (red lid).

PUT THEM IN A SEALED PLASTIC BAG AND DISCARD IN YOUR RED LANDFILL BIN

Your RAT kit should come with disposal information to follow. Some tests also come with a small plastic bag to place the contents of the test into (including the swab).

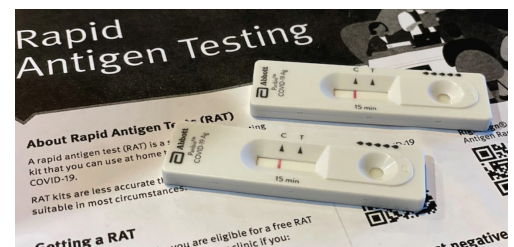

If no bag is provided, you can use your own sealable plastic bag.

(eg. sandwich bag)

The tightly sealed bag can then be discarded in your household waste to landfill bin.

SANITISE YOUR HANDS

It's important to wash or sanitise your hands effectively after completing the test and disposing of the test kit contents.

YUNTA EASTER TENNIS TOURNAMENT

15-18 APRIL 2022

No plans for Easter yet? Don't know what to do? Looking for a fun weekend in the outback but think it's too late to book? We have just the event for you!! Join our 2022 Yunta Easter Tennis Hoedown!

The Yunta Easter Tennis Tournament (YETT) is an annual tennis event that has been running since 1963. The tournament is hosted by the Yunta Tennis Club and is held over the Easter long weekend each year in the small town of Yunta, in the north east of South Australia.

The tournament attracts players and supporters from all over and caters for players of all playing abilities. The tournament comprises 14 events including open and handicap singles and doubles, mixed doubles as well as senior and junior events. In addition, several non-tennis competitions are run over the four days to keep spectators and players amused.

New players are always welcome - bring your family, your friends or even your tennis club along for a fun weekend for all! Accommodation is provided for attendees at local businesses, shearers quarters or if you like, camp in the beautiful outback and enjoy the sights and sounds of the area. Contact us or find out more:

yuntatennisclub@gmail.com or www.facebook.com/YuntaEasterTennisTournament/

EVERYONE IS WELCOME! - We hope to see you there

Tech Savvy Seniors
Free, fun digital skills sessions for seniors

TECH SAVVY 2022

We are pleased to announce that the Orroroo library will be running the Tech Savvy program this year. The program helps you build the skills and confidence to use computers, tablets and smartphones. Digital literacy skills are essential for anyone who wants to actively engage with family and friends across the country and the world.

Join our friendly training sessions with Adrian Hucks, supported by local library staff where you can learn to get online and then build your digital skills. Each session will run for approximately 90 minutes.

The training is designed to make it easy for you to safely and confidently get connected and learn at your own pace. Find out how to access all the important information you need and things you are interested in.

Learn Skills in:

*Email *Social Media *Internet Banking *Using Apps *Smartphones and Tablets
*Online Shopping *Cyber safety *Sharing Photos *Online Hobbies and researching

Register for your FREE classes by phoning the library on 86581100.

Sessions will commence on Friday 4th March at 10.30am–12pm

Swimming Carnival

Our 2022 Swimming Carnival was cancelled this year due to Covid restrictions.

Sports Day News

Sports Day is programmed for Friday 11th March, with a back-up day of Wednesday 16th March in the case of inclement weather.

Events held before Sports Day will be all vertical jump (U8 & U9's) and high jump events (U10-Open). These will be conducted during lesson times and/or lunchtimes.

The 1500m event (U12-Open) will be held on Monday 28th February at 10.10am with the finish line on the school oval.

The 800m (U10-Open), 600m (U8&U9) and 300m (U6&U7) will be held on Friday 4th March with the finish on the school oval.

PROBUS REPORT

As we have not been able to hold any meetings so far this year I thought it might be interesting to have another look into the past and this month we going back to February 2016 to when Mrs Trish Simpson paid us a visit , Enjoy.

Some of the 43 members who gathered for our February meeting were a little uptight as to what our guest speaker Mrs Trish Simpson from Kapunda might reveal about them as she spoke and showed photos of their time as publicans of the Pekina Hotel. On a visit to a friend in 2003 they discovered that the pub was up for sale as a private residence. The idea of living in the country appealed to them. However they soon discovered that the licence had been renewed and the locals were very keen to keep their local pub open. They quickly found out many rules and guidelines that had to be followed if

they were to keep their licence. The news that Trish would be expected to cook up to 20 –30 meals some nights came as a bit of a shock, but fortunately the previous cook was happy to stay on.

Pekina came to life when the ABC came to do their radio program and a Petanque competition was held in the main street, along with a local talent contest and Hill Billy music.

Not too many pub secrets were given away but it was still a very interesting insight as to what goes into running a small country pub.

Roma McKinnon thanked Trish and her husband on behalf of Probus and presented her with a Probus pen.

John Cozens

Nominations for 2022 NOW OPEN

dhs.sa.gov.au/premiers-certificate

Celebrating 20 years

Do your volunteers go above and beyond? Are you wondering how to let them know they are appreciated? You can thank, recognise and celebrate SA volunteers by nominating them for the 2022 Premier's Certificate of Recognition for outstanding volunteer service. Nominate a volunteer or group of volunteers who have made significant contributions or demonstrated leadership in volunteering. Applications close 5pm, Friday 25th March 2022

TEMPORARY TRAFFIC CONTROL DEVICE

NOTICE UNDER SECTION 17 (3) ROAD TRAFFIC ACT, 1961

I, Christopher Drew Holland, Senior Sergeant of Police, for and on behalf of the Commissioner of Police, exercise the authority delegated by the Minister for Transport under Section 11 Road Traffic Act, and make the following order under Section 17 (3) of the Act.

I declare that the 'Orroroo Markets' is a 'temporary purpose' to which this section applies.

I direct that a 25km/h temporary speed restriction will apply to the following roads between 8.00am and 2.00pm on Sunday 13 March 2022, Sunday 31 July 2022 and Sunday 23 October 2022:

Within the District Council of Orroroo Carrieton area: -

- Second Street, Orroroo between Fourth Street and Fifth Street.
- Fourth Street, Orroroo between a point approximately 50 metres either side of Second Street
- Fifth Street, Orroroo between a point approximately 50 metres either side of Second Street

I hereby authorise District Council of Orroroo Carrieton, its agents and contractors to install and remove, or cause the installation and removal of necessary and appropriate traffic control devices for the conduct of the speed zones.

I direct that the installation and removal of necessary and appropriate traffic control devices for the conduct of this event can only be performed by a person with work zone traffic management training.

Live Music to entertain you

Orroroo Community Church

It is not until something goes wrong that we realize what a fine line we tread on our daily walk of life. Little did I know that a simple fall in the main street the other week was going to change my life in many ways. It lead to an Ambulance call out, 36 hours in hospital, a trip to Port Pirie to get a foot brace fitted and the need to walk in a new way to adapt to the problem of suffering from drop foot.

They say that there are only two things in life that are definite, taxes and death. Even those who don't submit a tax return still pay tax through the things they buy and I am yet to see anyone who has been able to beat death. The closest thing to it has been those who have had their bodies frozen in the hope that one day modern technology will bring them back to life.

For those who know Jesus, although death brings to an end this earthly life, it marks the beginning of a life in the presence of Jesus for Eternity. There are still many things I would love to do before my earthly time comes to and end, death is something that I am looking forward to as it will mark a new chapter in my life. No one knows what tomorrow may bring or when we will take our last breath. The only preparation we can make is to be sure that we are ready to meet our Maker when our time does come.

God bless, John Cozens

council@orroroo.sa.gov.au

Thank You

The family of **Marie Hartman** sincerely thank the lovely staff of Orroroo Community Home for their care of Marie during her time with them. Consideration towards visiting family members was appreciated.

Thank You
Lynette Pumpa

Orroroo Refuse Depot

The Orroroo Waste Depot opening hours are as follows:

Wednesday 3pm - 5pm

Friday 1pm - 3pm

Sunday 10am - 2pm
