

BOOST FOR ROADS SUPPORTING TOURISM

The District Council of Orroroo Carrieton has just received \$285,000 under the Australian Government's Drought Communities Programme to fund improvements to tourism roads, new signage and visitor infrastructure in the district.

The project will fund the upgrade of unsealed roads, particularly focussing on higher use and tourist routes, such as "Magnetic Hill" and the "Johnburg Loop". New infrastructure such as tourism signage and a picnic shelter will also be delivered.

Mr Dylan Strong, Chief Executive Officer of the District Council of Orroroo Carrieton, has welcomed the funding and believes the benefits of the project will be far reaching.

"There are not too many positives in drought, however the drought communities funding gives us a chance to create local employment and stimulate business in the communities with benefits to flow for several years,"

"Tourism is an important ingredient of our local economy and we need to grasp every opportunity for the sector to grow".

The re-sheeting to occur on the Johnburg Loop will value-add Council's scheduled maintenance and improve road safety.

"We will see immediate benefits for our northern communities who use the roads every day, and also open up further tourism possibilities that those communities can take advantage of," he said.

The \$285,000 project is the second project to be approved for the Orroroo Carrieton district area under the Drought Communities \$1 Million program, with five other projects remaining under assessment.

Introducing Council's Drought Initiatives Facilitation Officer, Jodie Bouilly

Whilst I am disappointed that the role of Drought Initiatives Facilitation Officer has to be filled I am excited to be here with the DC of Orroroo Carrieton. I have a diverse professional and business background in training, primary production (Tregalana Station) and tourism (Pichi Richi Park). Due to a commonwealth compulsory acquisition for Defence purposes our property & home was acquired, my husband and family diversified into tourism (8yrs) and more recently relocated to the Mid North to return to livestock management.

With the DC of Orroroo Carrieton I am aiming to support economic and social initiatives under the commonwealth Drought Communities Programme. Council has already progressed the planning of several infrastructure projects, I'm hopeful that we can implement the majority of these and engage local resources for the benefit of the region. Along with supporting and monitoring these projects I am keen to learn more about the strengths and opportunities for further development in the region.

Sometimes an independent person can help highlight possibilities, it can get very overwhelming when faced with adversity, especially when elements are out of our control. I am here as a contact person to offer links, resources and facilitate feasible community initiatives during a testing time. If you would like to discuss any business, educational or innovative concepts to sustain productivity please feel free to give me a buzz or a coffee catch up is great!

Jodie Bouilly

See Page 3 for more on the Drought Communities Programme

On-Farm Emergency Water Infrastructure Rebate Scheme

The Australian and SA Governments are offering a rebate to drought affected farmers who invest in urgently-needed on-farm water infrastructure.

Eligible farmers can access a 25% rebate – up to \$25,000 – on new purchases and installation costs for on-farm water infrastructure to help them in the current drought and be better prepared for future dry conditions.

The On-Farm Emergency Water Infrastructure Rebate scheme can be applied to:

- new purchases and installation of:

* pipes

* water storages

* water pumps

* de-silting dams

- drilling of new stock water bores and associated infrastructure including:

* desalination plants

* power supply such as generators.

Farmers will be eligible to apply through PIRSA for the rebates, which will also cover eligible work undertaken since 1 July 2018.

Further information can be found at:

<http://www.pir.sa.gov.au/onfarm-water-rebate>

Road Closure – Orroroo Half Marathon

Sunday 31st March 2019

Notice is hereby given that the District Council of Orroroo Carrieton resolved to:-

Pursuant to Section 33(1) of the Road Traffic Act 1961, declare that the event described below (“The Event”) that is to take place on the road described below (“The Road”) is an event to which Section 33 of the Road Traffic Act 1961 applies; and

Pursuant to Section 33(1)(a) of the Road Traffic Act 1961, make an order directing that the Road on which the Event is to be held and any adjacent or adjoining roads specified below, be temporarily closed to traffic for the period as specified below:

The Event: 2019 Orroroo Half Marathon

Period: Sunday 31st March 2019 for the period commencing 7.00am and concluding 12 noon

Road: Second Street, Orroroo, between East Terrace and West Terrace

Pursuant to Section 33(1)(b) of the Road Traffic Act 1961, make an order directing that persons taking part in the Event be exempted, in relation to the Road, from the Duty to observe the Australian Road Rules specified below subject to any conditions described below and attaching to the exemption.

Australian Road Rules Exemption and Conditions:

Rule 230: Crossing a road – general (no condition)

Rule 238: Pedestrians travelling along a road (except in or on a wheeled recreational device or toy) – (no condition)

For further information please contact the Council Office on 8658 1260.

Dylan Strong

Chief Executive Officer

Drought Communities Funding Update

As reported in the Goyder's Line Gazette last month the Federal Government has allocated up to \$1 million to Councils in South Australia that are determined to be drought affected undertake projects and initiatives that will sustain employment and the economy within those council areas.

Council has now submitted seven applications to the programme totalling \$1,000,000. With Council's Drought Initiatives Facilitation Officer now commenced, and work soon to commence on the Tourism Roads re-sheeting project, our attention now turns to those applications for funding which are still undergoing assessment. These include:

- Water efficiency & reuse project (focussing on stormwater harvesting and re-use for the oval, and water wise refurbishment of the amenities)
- Upgrade of the Carrieton Community Store
- Sustainable community space project (aiming to decrease energy costs for community groups by installin solar systems on facilities such the Orroroo Town Hall, clubrooms and recreation centres)
- Emergency water supply in remote areas (which will install six 20,000 gallon water tanks connected to bores across the Council district to ensure water supply in emergencies)
- Tourism infrastructure and employment project (includes a bundle of smaller projects related to tourism which would be ineligible in their own right, such as repair of the main street WIFI, tourism signage, improved disability access into the Visitor Information Centre, Hall and community gym, and air air-conditioning to the Town Hall).

Council will continue to pursue a response on the outstanding applications to ensure that all works are delivered within the tight timeframe of 30th June 2019. Council looks forward to delivering all of those projects approved with the support of our community.

Chairman's Chatter

Last week I attended a Round Table with the Premier and the contingent of Local Government mayors.

There were, on the count of the LGA President Sam Telfer, about 46 mayors in attendance and it was pleasing that accompanying the Premier were four ministers they being Ministers Knoll, Whetstone, Ridgeway and Wade.

Other than Community Cabinet held in this region four years ago, I had never had the opportunity to hear from and ask questions of an array of our State leaders like this. Long may it continue. The questions asked were many and varied but as usual in a gathering of Local Government mayors came mainly from the metropolitan area. One would hope that in the future Minister Knoll in particular may attend a meeting of Legatus and give more of an opportunity for him to hear the concerns of people in our rural area.

Having said that I was delighted to receive a letter from our local member Dan van Holst Pellekaan offering to meet with Council at some stage in the near future and we will be inviting him to attend a meeting with us at his earliest convenience. It is extremely important that we cultivate a strong working relationship with the State Government particularly when Local Government reform is on their agenda. We need our voice to be heard.

The Murray water is all but here, our CWMS Scheme is on track, the reparation of the final stretch of Price Maurice Road has begun and moving along at a rapid rate and we've had two projects in the Federal Government's drought package approved and are looking toward a few more to follow.

There are several community events also to look forward to so the next few months here in Orroroo Carrieton will be busy and exciting. I hope you all enjoy them.

Cheers

Kathie

From the Council Desk

Ordinary meeting: Council held its ordinary meeting in the Orroroo Chambers Wednesday 27 February. Minutes are now available via www.orraroo.sa.gov.au. The next meeting is scheduled for 9am Wednesday 27 March 2019 in the Orroroo Chambers.

Main Street Gum Tree: A large gum tree in the Orroroo Main Street is causing some safety concerns and frustrating some local business owners. As it is a significant part of the Orroroo street scape, Council are keen to hear what the community think is the best course of action. More information is available via www.orraroo.sa.gov.au or through the Council Office at 17 Second Street Orroroo.

Price Maurice Road: Works are underway on stage 2 repair of Price Maurice Road (just South of Pekina). Stage 2 will deliver reconstruction of a total of 2.2kms of failed road, made possible by Council's successful application to the Special Local Roads Programme. Road works will continue through March 2019, and speed restrictions are in place.

RV dump point: Council are committed to providing a free RV dump point in Orroroo which is accessible to caravans and motorhomes of all shapes and sizes. At the recent ordinary meeting, Council resolved to explore options for the installation of a new RV dump point at the eastern edge of the township where large caravans and motorhomes can stop safely.

SA Power Networks street light replacement: SA Power Networks (SAPN) have advised council that many of the existing street lights are coming to the end of their useful life and will soon be replaced with modern LED lighting. Council welcomes the energy efficiency which the new LED's promise, and is working with SAPN time to find the most cost effective option for the replacement.

Works nearing completion on the Orroroo CWMS project

The Orroroo community wastewater management system (stage 1) is nearing completion. The project is an exciting step forward for Orroroo which does not have any current form of community wastewater treatment. The town has been utilising septic tanks in a similar way since Orroroo was first surveyed in 1875!

Commencing in August 2018 this project is the first, yet major, phase of a longer term plan to connect all Orroroo businesses and homes to the scheme. Once complete stage 1 will deliver the major pipeline, pumping station, treatment plant, and enable the connection of major facilities and commercial properties in town.

A CWMS is the type of major infrastructure which communities like Orroroo need to be sustainable, and to grasp opportunities of growth. Council is currently looking to secure date for a special commissioning event of the system which will likely be held in mid-May.

Orroroo Markets 2019 - Speed Restriction

Notice is hereby given that the District Council of Orroroo Carrieton at meeting held on 27th February 2019 resolved to erect 'Community Event' and speed reduction signage for the Orroroo Markets for 2019 in the interest of public safety. Dates and times as follows:

Date	Time
Friday 15 th March	4pm to 10pm
Sunday 26 th May	9am to 1pm
Sunday 28 th July	9am to 1pm
Sunday 22 nd September	9am to 1pm
Sunday 24 th November	9am to 1pm

For further information please contact the Council Office on 8658 1260.

Carrieton News

February was another dry month, school resumed and Frances Shephard has begun her school life with many school bus miles ahead of her. Good luck Frances .

Denise and Donald Williams welcomed their first grandchild Frankie Louise O'Dea on 15th of February. Congratulations to Tammy and Liam on the birth of their daughter.

Sympathy is extended to Kate Williams and her family on the death of her mother . Mrs McMillan worked many years at Broken Hill hospital and as Regional Director of Health in Western Districts of NSW and later at Wilcannia.

Congratulations to Katrina Gameau and Johnno on their recent engagement and also DJ Macca (Tanya McHendrie) to Jay Smith.

Cradock Hotel is reopening March 1 after a months break and is looking forward to patronage with its new extensions complete.

Farewell to Jack and Natasha Case who have moved to the Riverland.

Lisa and Jason Stares have Dakota Stares joining their family and attending Orroroo Area School. We hope you enjoy your time at school and in our community.

Thankyou to Gay Rowe for her attendance at recent Melbourne Caravan and Camping show presenting the tourist businesses, Almerita and Carrieton Caravan Park within the Finders Ranges and Outback Association display.

Thankyou to Gerhardt for his work at the Carrieton Caravan Park during the difficult months of summer. Sandra and Damian Moon will be in attendance for month of March.

Snow Rowe, Wayne and Janet Williams on a recent trip to Texas visited the Fort Worth Rodeo. The Rodeo runs for 23 days, is 163 years old and includes all aspects of animal husbandry and agriculture. Horse events of all kinds are a great feature and the cowboy culture is very strong. An opportunity to meet Stacey Smith a rodeo contractor who has won many national awards for his work as contractor and cowboy was most interesting. Stacey's research has traced the best bucking horse stock back to four blood lines and now is cloning horses from these lines at a sale price of over \$200,000.

Right - Wayne Williams and Snow Rowe with President of Fort Worth Rodeo and Dave Appleton, a three times world champion Australian cowboy now living in Texas. Photo taken in the International Office of Fort Worth Rodeo

Upcoming dates

March

Monday 4th 7.30 pm Rodeo Club Meeting at Carrieton clubrooms at 7.30pm

Friday 29th Community Tea. Everyone welcome

April

6-7th Campdraft weekend

10th Variety Bash catering Bendleby

27th Holowiliena Pastoral History tour as part of History Festival month.

Join us for a tour of Holowiliena Station, a pastoral property held for 5 generations by the Warwick family, in the Flinders Ranges, north east of Cradock. Frances Frahn, from the family's fifth generation, willingly shares their interesting and unique history in a guided tour of the station. Cost \$25 per head , (includes morning tea).

Tour starts 10am or cars leaving Carrieton Caravan Park at 8.30 Bookings essential. Enquiries Janet Williams 0487 285 979.

FESTIVAL OF SMALL HALLS

A Twilight Market is planned for
Orroroo Friday 15th March from 4pm
(before the concert)

Anyone wishing to have a market stall or wanting further details please
contact email : OrrorooRTG@gmail.com or messenger

Lynette: The Store on Second (08) 8658 1310

Margaret : 0418 800 581

Kathy: 0438 829 423

Joy: 0427 533 628

All local food outlets will be open extended hours for this event.

3 Course Dining Experience catered by school hospitality.

Come on down, have some fun

A colorful poster for the Festival of Small Halls. At the top, a banner reads "AUTUMN TOUR 2019" and "PORT FAIRY FOLK FESTIVAL TO NATIONAL FOLK FESTIVAL". Below this, it says "WOODFORDIA INC. PRESENTS". The main title "Festival of Small Halls" is written in a large, cursive font. A ribbon graphic contains the text "COMING TO A SMALL TOWN NEAR YOU". Two circular photos are featured: one of the band "THE ONCE (CAN)" and one of "JOHN FLANAGAN (AUS)". At the bottom, logos for "NATIONAL FOLK FESTIVAL" and "PORT FAIRY FOLK FESTIVAL MUSIC" are visible.

PERFORMING AT
ORROROO MEMORIAL HALL
FRIDAY 15TH MARCH 7PM
TICKETS ON SALE : The Store on Second or
www.festivalofsmallhalls.com
Twilight Markets from 4pm

Orroroo Regional Tourism Group

The Small Halls Festival is getting closer so please secure your tickets soon, either from the Store on Second or on the Festival of Small Halls website. Free supper will be provided

The schools Hospitality and Food Classes have put together a fantastic menu for our fine dining experience in the Main Street. This will comprise a three course meal for \$50; including drinks and will be a great experience for the students.

Special Guests include "The Once", John Flanagan, Managers of the Festival of Small Halls and Rowan Ramsey MP and his wife.

We have invited others but as yet haven't received any response as yet.

Tickets are limited for both events.

Twilight Markets will be from 4pm – 6-30pm.

Our first scheduled market will be held on March 31st from 9am – 1pm in conjunction with the half marathon. Market days will then be held bi-monthly and in conjunction with major events in the main street .

If weather is inclement we will move to the Town Hall.

The Black Rock Wool Press working party and the Tourist Group have applied for funding to get this project off the ground. The outcome not be known until May.

BORE WATER

WHAT'S BENEATH THE SURFACE

IT'S BEST TO TEST

Before you use your bore water to water your veggies, fill your pool or run the sprinkler, make sure your groundwater is safe to use by having it analysed at a professional, accredited water-testing laboratory.

The Australian Water Quality Centre
(ph: 1300 653 366) can test residential
bore water and advise you if it is OK to use.

FUNDRAISING FOR

COMMUNITY GROUPS

If your sporting or community group would like to have a pop-up food or other stall as a fundraiser at the Orroroo Half Marathon and Orroroo Market on Sunday 31st March 2019, please contact Margaret Wilson or one of the Orroroo Regional Tourism Group for further information.

www.orraroo.com.au/halfmarathon

Visit the website for registration details, race times and photos of past events.

Come and join the fun!

- We are looking forward to welcoming Olympic Marathon runner Jess Trengrove, who will be competing in the 21K run.
- The **Orroroo Markets** will be operating on the day on the median strip.
- Food stalls, **Lions BBQ**, and pop up stalls, plus local businesses will be open too
- SA Water "Quench Bench" where you can fill up your water bottles for free!
- SA Water will be promoting the arrival of River Murray Water into the Orroroo system with a community celebration.

Gym hours: 6am - 9:30pm

Gym members under the age of 18 years must be accompanied by an adult Gym Member please.

Renovations Update: The new windows have arrived and are ready for installation along with a screen door for the rear door. This will allow air flow through the gym on days when the AC is not needed. Sun block blinds will be installed in due course, and shelving for equipment to keep the floor area clear and safe for group sessions is being organised. The gym area is looking really fresh and clean, and the committee will be looking at updating equipment as finance becomes available.

Due to Occupational Health & Safety, some of our current gym equipment has been placed in different positions in the front gym room. This has raised some understandably negative comments from gym users, and we note your concerns. Treadmills and similar equipment can not back onto a wall surface for safety reasons, so we are looking at types of new equipment and the placement of current equipment within the small space we have over the longer term to alleviate these OH&S concerns.

A sink with plumbed in hot water and filtered drinking water is being installed for gym members to replenish their water bottles, and for hand washing and gym cleaning. The Gym is now not a food service area, and by the direction of our lease with council, the area is not to be used for afternoon tea or snacks during or after sessions. Please do not plug electric kettles, urns or other high drawing equipment into the power points at the sink. Gym has been directed by the electrician that the new hot water system draws more power than we anticipated.

We ask that you could perhaps support the local food service businesses if afternoon tea is required?

Thankyou for your patience during our renovations and repairs.

OCG Committee

Looking back.....

It was all go between Pekina and Laura back in 1876...

"as many as seventy teams [horse] have arrived in one day from Pekina alone"

Adelaide Observer, Saturday 11 March 1876 p6

The Corn Trade of Laura.—Ever since Christmas the town of Laura, in the Booyoolee Agricultural Area, has been exceedingly busy. The enormous quantities of grain which have been sent from here, and the still larger stacks which the wheatbuyers have accumulated, strike strangers with wonder. It is not an uncommon thing for more than a hundred teams to leave for Port Pirie in a single morning, and as many as seventy teams [horse] have arrived in one day from Pekina alone. There are now over 30,000 bags of wheat stacked at Laura, and the stacks are increasing. The main street of the place reminds some people of Port Pirie, so heavy is the traffic. The dust consequently is distressing, and is the finest powder imaginable. There are no signs of preparation for metalling the main street yet, and what the residents and travellers will be able to do when they want to move- about our local correspondent says he cannot guess.

Looking back to Black Rock 1876

Northern Argus, 4 January 1876

Top of Form

BLACK ROCK PLAIN

[From our own Correspondent]

December 28.

The past few days have been really wintry weather. There was a heavy fall of rain on Sunday and Monday, and it is still showery. A few days ago as Mr James, butcher, of Yatina, was going one of his rounds he met with rather a serious accident, the result of a capsizing. I understand that three of his ribs were broken, and that he also sustained some other injuries. The accident occurred about three miles from the township, where Mr James had to be left for a few days, he being in a very precarious state at the time. I have been informed that he was taken home since.

Christmas has once more come and gone, and is now to be numbered with the past. The morning was cool and cloudy, strongly indicating a change of weather, but towards noon old Sol peeped out from his curtain, assuring those bent on merry-making that he would not mar their pleasures for the day, which induced a great many persons to sally forth to a picnic held in a nice grove adjoining the Black Rock station. One need hardly say it was well attended, everything passing off in first-class style, and everybody seeming too much bent on pleasure to give or take offence. Subjoined is a list of the sports:— 100 yards men's race, 1st prize, 10s, A Threadgold; 2nd do, 7s 6d, Walter Searle.

Hop, step, and. jump, 1st prize, 7s 6d, G Seal; 2nd do, 4s, C Lockton. Distance 38 feet.

Running high jump, 1st prize, 6s, A Threadgold; 2nd do, 3s, P Kuerschner.

Height 4 feet 9 inches.

Three-legged race, 100 yards, 1st prize, 7s 6d, Seal and Lockton; 2nd do, 3s, Kenny and Threadgold.

100 yards boy's race, 1st prize, 6s, J Jagoe; 2nd do, 3s, Hansborough.

Next came a cricket match, Married v Single, for £1 to the highest scorer on either side, presented by Mr W Warwick. This was won by J Alford, who handed it over to Mr A Healy for a charitable purpose. This concluded the day's sports, and a start was made for home about six o'clock.

Looking back

The Times and Northern Advertiser, Friday 22 April 1949 p 1

DOUBLE WEDDING AT APPILA

A function of unusual interest will take place at Appila Catholic Church next Saturday morning when two sisters, Miss Moya Griffin will marry Mr Frank Clarke, and Miss Sylvia Griffin will marry Mr Bill Redden. The brides are natives of Appila and the grooms both come from Pekina. Rev Father F O'Farrell will officiate and a reception will follow in Stacey Hall, Appila.

We offer our hearty congratulations to the young couples and wish them every happiness and success in the future.

Looking back at Carrieton district

The Advertiser, Monday 2 July 1894 p 6

Yanyarrie, June 27.

The first military funeral at the Carrieton Cemetery was held today, when Lance-Corporal John Mentz, who died on Sunday last, was buried, Twelve members of the Pamatta VMR [Volunteer Mounted Rifles] rode in front of the hearse, which was followed by 25 traps and several horsemen. The coffin was covered with beautiful wreaths and after the burial service was read Lieutenant Bock ordered his men to fire the parting salute. The deceased was only 27 years of age and was much respected.

We have had nice showers here the past three days, and the wheat is all coming over the ground.

Note: Carrieton Cemetery was surveyed and plan prepared c. February 1892

Chronicle, Thursday 15 July 1937 p 14

At the conclusion of the last Carrieton Council meeting a tribute was paid to Mr TM Williams, who has represented Yanyarrie ward in the Carrieton District Council for 26 years, and has been chairman for the greater part of that period. Mr WJ Gleeson, who died at Balaklava recently, had represented Yanyarrie ward for 21 years previous to Mr Williams.

Southern Cross, Friday 30 October 1896 p 10

MOOCKRA, October 24.

Death's "recording angel" has been again busy amongst us, and taken from our midst, two very much esteemed and respected members of the community, in the persons of the late Mrs D McKenna, who died on the 13th, and Miss Norah Devitt, who departed this life about 7 o'clock, on the morning of the 19th. The remains of the first-named lady, were interred on the 14th, in the Coonatto Cemetery, about three miles east of Hammond, and those of Miss Devitt were laid to rest in the beautiful, secluded and silent grounds of the Carrieton Cemetery, on the afternoon of the 20th.

Both funerals were largely attended by sorrowful and sympathising relatives, mourners and friends many of whom travelled long distances to pay their last tribute of respect to the deceased ladies. Mrs McKenna (who was only 24 years of age), leaves a sorrowing husband and four very young children to mourn their sad and untimely loss as well as her dear parents, besides several brothers and sisters. She was a daughter of Mr and Mrs Carn, of the Horseshoe, and daughter-in-law of the late Mr Jas McKenna, of Broken Hill, who went to his final reward only a very short time ago.

Miss Devitt, whose age was 26 years, was the second eldest surviving daughter of Mr and Mrs M Devitt, who are old, esteemed and well-known colonists, having first settled down near Kapunda, from whence they removed to Pekina, where they resided for several years, and from thence to this locality, where they have lived and prospered under favourable circumstances during the last 17 or 18 years.

The deceased ladies were attended to in their illnesses, by our esteemed and zealous pastor, the Rev Father Doyle, from whose hands they received the last sacraments and consolations of Holy Church.

Orroroo Hospital Auxiliary

March Report

Following a significant monetary donation by the Hammond Hall Committee following the closure of the Hammond Hall, we have supported the hospital staff in the development of a small and private lounge for the use of patients and family. This much needed resource will be opened by Faye Case, at 2pm on Monday 11th March.

The Auxiliary will be having a pop up biscuit and slice stall at the Twilight Markets prior to the Small Halls Concert. Community members who would like to contribute biscuits or slice to be sold, are welcome, and if you are going to the concert, why not purchase some as a snack for the interval?

The Orroroo District Hospital is celebrating the centenary of the laying of the Foundation Stone on Friday 5th April. The Auxiliary will host a light lunch for invited guests and past staff.

There has been much building action in the back court yard garden of the hospital with the erection of a solid roof pergola to provide shade and shelter for residents and patients outside. The garden has also been fenced to provide protection from the wind, and is now a lovely sheltered area, awaiting re-landscaping by the garden friends of the hospital.

Orroroo Hospital

100 year journey

Help us celebrate on
Friday April 5th 2019
11am: Hospital walk through

12 noon: Light lunch at Golf Club for invited guests
2pm: Official presentation at the Orroroo Memorial Hall
with memorabilia display and light refreshments

All welcome

CPAP CONSULTANT

Kathy Moldenhauer

Orroroo Health Centre

Tuesday 19th March

Patients are welcome to see Kathy about masks, machines, tubing and correct wearing.

Consults are free of charge. Book on 86581222

The Royal Adelaide Hospital (RAH) Mobile Bone Densitometry Service will be visiting:

Orroroo from 8/7/2019- 12/7/2019

Contact: RAH, Department of Nuclear Medicine to make a booking on: 1300 724 319
(Please note a GP's referral is required and patient bookings will only be taken approximately 2 months prior to our visit)

PRO MOTORS

Welcome to the 2019 Netball Season!

We are excited to welcome back all of our old players' as well as a big welcome to any new ones this year! We are looking forward to another successful fun filled year for the ONC.

Just a few bits of information to kick off the season;

Season Dates:

Senior Preseason:	Thursday 14 th Feb;	6pm at the courts
Senior Netball Training:	Thursdays; 6pm-	Commencing 14 th March
Trial/Grading Day:	Sunday 17 th March; 10am-12pm -Light Lunch Provided	
	Thursday 21 st March; 6pm	
Junior Trainings:	Thurs 4pm;	Commencing 14 th March. Sausage Sizzle to follow
First Game:	Saturday 13 th April	vs Crystal Brook @ Orroroo

Junior Age Limit Change:

NANA have made the below changes to the age limits for players in I/J& G/H Grades; previously these grades have been determined by the player's current year level at school.

8.6.1 To play G and H grades players must be under the age of 17 as of the 1st of January in the year of competition. (Players born in 2002- 2005)

8.6.2 To play I & J grades players must be under the age of 13 as of the 1st of January in the year in competition. (Players born in 2006 & above)

Juniors will now also be fill in for senior teams an unlimited amount of times throughout the season (previously only 6 times before having to stay up in that grade)

Online Registrations:

2019 will see the continuation of all player registrations being completed online on the My Netball Website. You will need to use your email address you registered with the ONC with, and use the 'forgot my password' section if you cannot remember your details from the 2018 season. If you require any assistance or need to register your email to ensure you are receiving all the information, please contact Stephanie Dearlove. Once you have filled out all sections and paid your subs, you will be registered for the 2019 season.

Step by step instructions on how to register can be gotten from Steph Dearlove..

If you know someone who is interested in playing, please contact Stephanie via phone 0488199150 with their details.

2019 Netball Fees:

Sub-minis & Minis:	\$20
Junior Players (school aged):	\$60
Senior players:	\$70

The ONC accepts the Sports Vouchers for primary school students.

Uniforms:

The Netball Club has various sizes of netball uniforms in already in stock that can be purchased at trainings.

Socks:	\$10	T-Shirts:	\$40
Dresses:	\$70	Second hand Dresses:	\$40
Shorts:	\$25		

**First time junior players are entitled to their first set of dress & shorts for \$50*

**Sub-mini & mini players will be able to borrow a uniform from the club for the season for a fee of \$20.*

Uniforms can be purchased at the first training night. Please see Lisa Reddaway to try on sizes.

A merchandise order (jumpers, t-shirts and bags etc) will be submitted prior to the start of the season.

Stayed tuned for the Order forms

ONC Committee:

The 2019 ONC Committee will consist of the following people:

- President:** Kate Pearce 0411 042 282
- Vice President:** Rebekah Rasheed
- Secretary:** Lisa Reddaway 0417 822 708
- Asst Secretary:** Karlee Dohnt
- Treasurer:** Jessie White

Look forward to seeing you all out there!

Kate Pearce

Volunteer Certificate Recognition Program

Are you an organisation or community group who would like to say thanks to your dedicated volunteers?

Recognising the work of volunteers is crucial. It's all about letting them know you appreciate them and the work they do - so why not reward their efforts by presenting them with a certificate of appreciation.

To assist you, the Office for Volunteers has developed two levels of certificates, which can be awarded to acknowledge the participation and valuable contribution of volunteers.

2019 Premier's certificate of recognition for outstanding volunteer service

The 2019 Premier's Certificate of Recognition for Outstanding Volunteer Service provides an opportunity for volunteer-involving organisations and community groups to recognise and reward excellence and significant achievements by nominating one or more of their volunteers.

Nominations for the 2019 Premier's Certificate of Recognition for Outstanding Volunteer Service are now open.

**Nominations close at 5pm
Friday 29 March 2019.**

Guidelines and the Online Nomination form can be found at:

<https://ofv.sa.gov.au/volunteer-recognition/volunteer-certificate-recognition-program>

For more information, please contact: Office for Volunteers on 1300 014 712 or via email ofv@sa.gov.au.

South Australian volunteer certificate of appreciation

The *South Australian Volunteer Certificate of Appreciation* is available to all South Australian based organisations or community groups to acknowledge their volunteers.

This might include recognising them for the number of hours contributed, the achievement of a particular outcome or purely for their dedication.

These certificates are available all year round and you can place your order for certificates with the Office for Volunteers by phoning 1300 014 712 or emailing ofv@sa.gov.au.

Landholders unite against feral foxes and wild dogs

A group of 20 landholders from Yunta, Dawson, Peterborough, Orreroo, Pekina, Eudunda and Burra recently attended a workshop in Peterborough to hear about predator control for improved agricultural production from the State and National Wild Dog Coordinators.

Natural Resources Northern and Yorke Ranger Perri Hendriks said the workshop was a great opportunity for landholders to learn more about predator control, and take back new knowledge and techniques to implement on their property.

"Landholders across the Southern Flinders Upper North district are highly committed to predator control, with around 170 thousand hectares of land already being controlled for feral foxes and wild dogs," Ms Hendriks said.

"The opportunity to have both state and national Wild Dog Management coordinators come to our region and share their expertise around feral predator management was invaluable."

Greg Mifsud from the Centre for Invasive Species Solutions and the National Wild Dog Coordinator, highlighted the importance of coordinated control regardless of land tenure.

"It is crucial that neighbours work together regularly in both fox and dog control to ensure predator populations don't increase and cause significant costs to livestock producers," Mr Mifsud said.

"I urge all landowners to form a group to carry out these activities together and share information about any sightings, which we recommend doing through the free digital website and app [WildDogScan](#)."

Mr Mifsud stressed that concern for farm dog safety is not a reason to not bait.

"It is essential that care is taken to protect domestic animals when undertaking baiting programs. If standard baiting guidelines are followed, effective safety precautions are easy and cheap to put in place," Mr Mifsud said.

Predator control leads to more sustainable and profitable grazing enterprises, which are able to better manage the land to its capability due to improved margins within the business.

Predator control is the major management tool used to improve the health of native animal and bird populations throughout the region, due to improved breeding potential and reduced threats.

Landholders are encouraged to participate in the upcoming Bait Injection Days at Dawson, Cradock, Quorn and Wilmington. Dates and locations to be advised.

The workshop was funded by the Australian Government's National Landcare Programme.

For information about undertaking a predator control program on your property or to purchase manufactured fox and dog baits, contact Natural Resources Northern and Yorke on 8841 3400 or visit www.naturalresources.sa.gov.au/northernandyorke

NATIONAL DAY OF PRAYER AND FASTING

Saturday 2nd March 2019

Acts 2:17,21

Today we pray to see individuals, churches and our nation experience
an outpouring of the Holy Spirit.

Probuss President's Report

Our first meeting for 2019, and I would like to take this opportunity to wish everyone a very Happy New Year. Hopefully this year will be better than last, and we can all look forward to a good season with plenty of rain.

Congratulations to Malcolm Byerlee on his award as Citizen of the year for the Orroroo/Carrieton District Council.

Our 10 minute speaker was Joan Luckraft, EO DON of the Orroroo Hospital, who made us aware of the new arrangements with Goyder's Line Medical, Jamestown, to provide Doctors for Orroroo. This trial will run for 6 months, and by then hopefully a new GP has been found for Orroroo. Joan also reminded us of the Centenary of the Orroroo Hospital to be held on April 5th. 2019.

After a lovely morning tea, our Guest Speaker from the RAA, Tony Ey, quizzed us on road rules. A very informative and enjoyable presentation.

The PROBUS picnic this year will be held at the Laura Sporting Reserve on April 1st and no this is not an April Fool's Day joke, cost \$25.00. Need to know numbers by next meeting.

Our next meeting will be our AGM to be held at the Commercial Hotel on Tuesday 5th March 2019 and our guest speaker will be Geoff Power speaking on the dog fence.

Faye Case

Mad March in Adelaide-FRINGE Festival

Stay short term (any time) in a cosy, quiet, secure, single- storey terrace home located close to FRINGE attractions, Adelaide Oval, city and hospitals.- Highbury St, Prospect

2 b/rs, full cooking facilities and a deck overlooking the garden. Secure and private off-street park. Not a motel but a cottage :)

Enquiries and photos: Rick **0412 244 292** OR rhuntley80@bigpond.com

Orroroo Community Church

Last month we had the opportunity to spend three nights in Perth. Having not been there for 54 years it was good to see how the city has developed over that time. On the Saturday we took a ferry down the Swan River to Fremantle with great commentary along the way. After spending a couple of hours in their excellent Maritime museum we caught the train back to Perth. On the way we stopped at the no longer used Subiaco Oval.

On the Sunday evening we checked out the new Optus stadium and watched a big bash cricket match. When we told an attendant this was our first visit, they said we were free to wander around and check out the place. It certainly proved to be a very impressive stadium with its sixty thousand capacity. But as I watched the match I couldn't but wonder, "How long it will be before they decide this stadium no longer fits the needs of the people and pull it down". This thought was brought on by the fact that day the Government had announced that they would be pulling down the Subiaco Oval and building apartments around the edge but keeping the oval area as a park following in line to what is happening at Football Park.

Because we are blessed with so much, it is easy to become a throw-away society. It is time to value and appreciate all the God-given assets we value, and take care and share more of what we have.

God bless, John Cozens
