AUGUST 2023

NEW MAYOR & DEPUTY MAYOR APPOINTED FOR ORROROO CARRIETON

Last week's Council meeting was an important one for the District Council of Orroroo Carrieton, following the receipt of the resignation of Cr Kathie Bowman as Mayor. Cr Kathie Bowman had served in the capacity of the Principal Member of Council for many years.

As is required under the Local Government Act, an election occurred from within the elected member body at a Special Council Meeting held on Wednesday 26th July 2023. Cr Grant Chapman has been elected as the Mayor and Cr Ralph Goehring was elected as the Deputy Mayor filling the vacancy subsequently created

We sincerely thank Cr Bowman for her previous terms as Mayor, having served as Mayor over a period of 16 years. Commencing with the District Council of Orroroo in 1995, Cr Bowman has been involved with many projects including \$2 million Drought Communities Funding from the Federal Government, the Heavy Vehicle Bypass and the connection of Orroroo to the Murray River pipeline and SA Water supply. These are

by Cr Chapman (previous Deputy Mayor).

Mayor Grant Chapman & Deputy Mayor Ralph Goehring

Mayor Chapman was elected in 2010 as an Area Councillor and has served as the Deputy Mayor since 2014. Born and bred in the Orroroo Carrieton district, Mayor Chapman is passionate about the Council area and its people and is committed to long term sustainability of the Council. He was nominated and elected to the role of Mayor unopposed. Mayor Chapman has many ties to the community and is a local landowner with a primary production business in the Council area.

Cr Goehring was elected in 2014 and has served on Council since this time, Cr Goehring was also born in Orroroo, and is committed to the town prospering and growing.

just a few of the many milestones achieved over this period of time.

Mayor Grant Chapman & Former Mayor Kathie Bowman

Cr Bowman was recognised for her commitment to Local Government winning the Joy Baluch Award in 2019. The Award recognises the substantial contribution of women currently serving with South Australian Councils. Cr Bowman was the first 'regional' councillor to receive the award since its inception. Cr Bowman will continue as a Councillor for the District Council of Orroroo Carrieton.

Congratulations to Mayor Chapman and Deputy Mayor Goehring to their appointments.

Pursuant to section 249 of the Local Government Act 1999, notice is hereby given that at its meeting on 28th June 2023, the Council endorsed the proposed By-laws listed herein for public consultation. Details regarding the nature and effect of the proposed By-laws are as follows:

1. By-law No. 1 – Permits and Penalties 2023:
A By-law to create a permit system for Council By-laws, to fix maximum and continuing penalties for offences, and for the construction of Council By-laws.
2. By-law No. 2 – Moveable Signs 2023:
A By-law to set standards for moveable signs on roads and to provide conditions for the placement of such signs for the purpose of protecting visual amenity and public safety.
3. By-law No. 3 – Local Government Land 2023:
A By-law to manage and regulate the access to and use of Local Government land (other than roads) and certain public places.
4. By-law No. 4 – Roads By-law 2023:
A By-law to manage, control and regulate certain activities on roads in the Council's area.
5. By-law No. 5 – Dogs 2023:
A By-law to limit the number of dogs kept on premises and is for the management and control of dogs in the Council's area.
6. By-law No. 6 – Cats 2023:
A By-law to limit the number of cats kept on premises and is for the management and control of cats in the Council's area.
7. By-law No. 7 – Waste Management 2023:
A By-law to regulate the removal of domestic waste and recyclables from premises in the Council's area.

Copies of the proposed By-laws are available for public inspection during ordinary office hours at the Council's main office located at 17 Second Street, Orroroo SA 5431 and on the Council's website: www.orroroo.sa.gov.au

Members of the public are invited to provide written comment to the Council in respect of the proposed By-laws. All written comments must be provided to the Council before close of business on Friday 18th August 2023.

Council Depot

All residents are reminded that there is to be no access to the Council Depot in Orroroo.

All visitors must report to the Council Office and be escorted in the Depot by Staff.

Last Wednesday the Council was kind enough to accept my resignation as Mayor. In the end, it was a lot more emotional than I hoped it would be but those final words when I closed the meeting signalled the end of an incredible part of my life so I guess I could be allowed a little latitude.

Its been an absolute privilege and honour to be Mayor of Orroroo Carrieton and considering that not very many people get such an opportunity makes it all the more special. I am indebted to the people who sit in the chamber with me who entrusted me with the job of leading them on I think seven occasions and I thank them sincerely for the support they gave me over the years.

We are so lucky to have such a wonderful staff here at the Council, not just those who work here now but those who have gone before. We've been so well served by so many and quite a few for a long, long time. Throughout the years they have always shown me the utmost respect and I thank them for that.

The relationship that exists between the Mayor and the CEO is possibly one of the most important in the organisations and I can honestly say I've enjoyed great relationships with them all, five CEO's and two acting. Each one was different and brought varying expertise to the job, but I appreciated them all and in the main we achieved a lot of good works over their individual tenures.

There have been many highlights over the years, too numerous to mention in any detail but I will say that two projects that stand out for me are our section of the Orroroo Laura bitumen & the Black Rock Wool Shed, one which has proven to be a huge benefit to everyone in the region & the other a superbly beautiful addition to our main street.

I wish Grant and Ralph all the very best for the remainder of this term & to all of you my gratitude for sixteen so special years.

Cr Kathie Bowman

**Next Council Meeting will be held
Wednesday 23rd August 2023
at 9am in the
Orroroo Council Chambers.**

From the Council Desk

August has arrived with some pretty warm weather, fortunately the start to the season has been good for early growth in most primary production circles; however the time has come for a bit more precipitation as the month of July has been a bit light on. Fingers are crossed for everyone who needs the rain.

The month of July was an important one for our Council with a 'changing of the guard', in relation to the Mayor role, as you are all no doubt aware Cr Bowman has resigned from the position of Mayor and Cr Grant Chapman has taken on the role as Mayor. I would personally like to thank and acknowledge Cr Bowman for her many years of service to the role and the community. Cr Kathie Bowman has given me a great deal of support since my arrival at Orroroo. This is largely unseen to others however it has delivered a profound impact on my work life, and allowed me the space to settle into the role of CEO.

We have commenced work in earnest in many of the capital works commitments contained within the Annual Business Plan, you will note lots of marking out of road works as we begin the earthworks. The township sealed road upgrade works are being done with our well experienced internal workforce. The road base preparation works and drainage will be done over the next few months with the sealing to occur in October.

The roads being upgraded to a sealed road surface are: 450m of Minburra Road, Seventh Street (between Government and RM Williams) and part of Fifteenth Street in Orroroo.

We have a large program of sealed road 'resealing works' that is programmed to be completed in October. There is quite a lot of patching that needs to occur ahead of the bulk resealing works. This patching works basically involves cutting and digging out the significant failed patches, repairing the base and then putting a temporary seal over the top (to protect the patch). This will then be 'resealed' as part of the full width road being resealed in October.

The roads being patched and resealed as part of our renewal program will include approximately 3km of Price Maurice Rd (from Pekina Township back towards Orroroo), Second St and part of Fourth St in Carrieton, Thirteenth St Orroroo (from Seventh St to Ninth St) and Fourth St Orroroo from the hospital back down the hill to the hotel intersection.

There will be some changed traffic conditions and occasional delays and disruption, please be mindful that our staff and contractors are working in or nearby and obey any traffic restrictions in place. Everyone deserves to go home safely. If there are any concerns please come into the Council Office and provide feedback.

Please note when logging onto Dogs & Cats Online (DACO) there is now an additional security feature of multifactor authentication that is required at each log in.

ROASTING IN THE ROO

Despite the severe weather warnings forecast, over 200 people attended the inaugural Roasting in the Roo event on the 8th of July to enjoy a day of camp fire cooking, live music and delicious food.

The **Orroroo Recreation Group** (ORG) along with the **District Council of Orroroo Carrieton** would like to thank all those that made the effort to support the event, be it through sponsorship, competing, donating time or items, food stalls, performing live music, cultural demonstrations, novelty events and just showing up to enjoy the day. We would also like to again thank **FRRR** for funding this event through the **Strengthening Rural Communities** grant. Being our first event of this type, we know there is plenty of room for improvement and we are working through the feedback received to ensure its bigger and better should it run again, however support from within the community will be crucial to being able to do so. Funds raised by the ORG from the event will go towards continual improvements at the Orroroo Recreation Ground, benefiting the Orroroo and District community.

The **Winner of the Shearer's Cook (Pro) category**, and overall **Camp Oven Championship Team** for 2023 was team **Tastey Tasters** from Adelaide who presented a Moroccan Meatball dish and Sweet Bread. The **Runner Up** in that category was team **Shake and Bake**, also from Adelaide who presented a Mexican Chilli dish and Cornbread.

The **Winner of the Shed Hand (Beginner) category** was team **Pomchester** from Adelaide presenting a curry dish and Naan Raita. The **Runner Up** was team **Sprocket Rockets** from Tanunda with a roast lamb dish and damper presented to the judges.

Winner of Best Themed Team went to team **Rock'n'Rollers** from Nuriootpa for their Rock and Roll inspired theme.

Rainfall Recorded Almerita 5.5mm (145.5mm years total) Carrieton 8mm (130.6mm) Eurelia 12mm (146.4mm), Johnburgh 9.5mm (143mm) Glenroy 3mm (137.6mm), Mookkra 8mm (122.5mm) & Sandal Park 5mm (115.25mm)

Congratulations to Tricia and Leo Case who recently celebrated their golden wedding anniversary.

Welcome to Len and Bev Turner

(pictured right) the new caretakers at the Caravan Park. Both have travelled extensively and are glad to share their travelling knowledge and be settled in Carrieton for a time. The Caravan Park committee is grateful to Martin who capably acted as caretaker until Len and Bev arrived. WELL DONE & Thankyou Martin.

July also meant that **Deb Hombsch** took her long awaited retirement. A thankyou afternoon attended by many who appreciated the extra mile Deb took in her managerial role; trips to Pirie to buy extras, searching the catalogues to cater for special requests by customers and working extra unpaid time on occasions eg Rodeo, Trash and Treasure. The attendance of out-of-town postal run people at the farewell was an indication of the great service Deb gave. Well wishers also included George Healey, ex Carrieton teacher who travelled from Bridgewater for the occasion.

Welcome Chris Sims: may you enjoy your work in the Carrieton Community Store. Chris's past history of growing in Orroroo helping her parents in the 4 Square Store and owning her own business in QLD will no doubt be helpful.

Paul Simpson (CEO of Council) spent a morning at Carrieton talking to locals while having a coffee at the Store. It was a helpful discussion re childcare and strategic planning. Paul's commitment to do this regularly is appreciated and will benefit both Council and the Carrieton community.

Yanyarrie Rifle Range

was once again the scene of action with red flags flying and rifle shots to be heard. Maitand rifle club on a two-day visit to Carrieton and Orroroo competed on the Yanyarrie Rifle range over a 800 and 1200m distance. Yanyarrie Rifle Range is seldom used now but offers a longer range than most other sites. "South Australian Rifle Association was inaugurated in 1900 requiring all Rifle Clubs to be registered Yanyarrie was first to register and was deemed no 1 Club." From Carrieton in Gum Creek Country

Welcome home

to the group of 6 European travellers. With an extensive tour with some cruises and a final stay in Singapore we are looking forward to a slide night at the pub from our three locals.

L-R: Maria Haywood, Taryn Ackland, Betty Williams, Noelene Petrie, Barbara Nutt & Denise Redden

Best Wishes to Kathie Bowman and family as she leaves her role as Chairman of Council and moves to Verdun. Kathie has given extraordinary service to Local Government over many years and Carrieton appreciated Kathie's attendance at our Progress meetings. Thankyou Kathie, may you and Rob enjoy higher rainfall country and think of us when the north wind blows and dust rises.

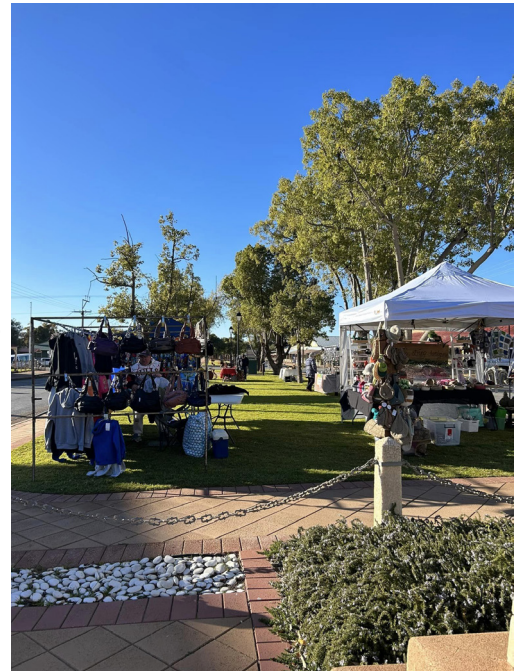

Catholic Mass continues for August at 6.00pm Saturday evening at St Raphaels Carrieton.

ORROROO REGIONAL TOURISM GROUP

The winter market held on Sunday 30th July was a great success, with the weather on our side making it a great day to come, have a browse, sit and enjoy conversation in the sunshine. The Tourism Group ran a very successful food stall raising \$704.50 to put back into the community at a later date and with only 3 volunteers available to help, juggling running of the market, manning the stall, PR with stallholders making sure their needs were met, operating the opshop (a volunteers husband put their hand up to do this), we were stretched but it's always pleasing when we see people enjoying themselves, it's all worth it. We are very grateful to the local businesses who open delivering fabulous food, coffee and selling their wares, thank you. There will be a post market meeting soon, date hasn't been set as yet.

Orroroo's Second Chance Preloved will be expanding sometime in the future when the planned shop is renovated, this will give us the opportunity to offer a much-improved space for people to come, visit and also makes it easier for our volunteers to operate not having to move racks in and out of the shop. Community noticeboard is at the powder coaters and not far away from being erected in the main street, thankyou to our local business Key3D.

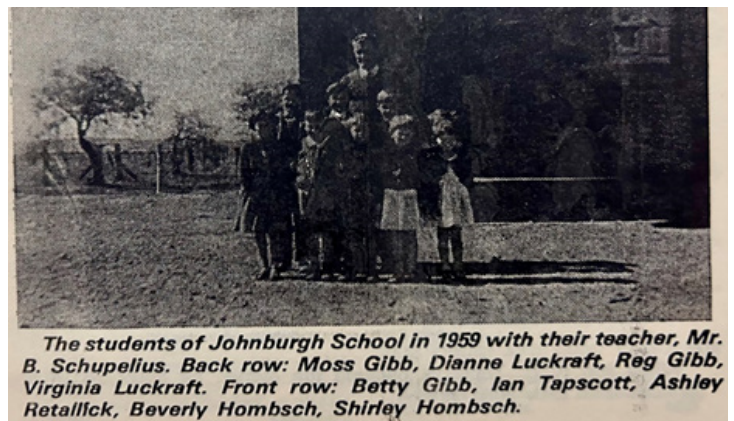

JOHNBURGH SCHOOL REUNION

A reunion is planned for Saturday 7th October 2023 for students, teachers and their families who attended Johnburgh School.

The reunion will be held at Johnburgh school. We are reaching out to try and make contact with those who had a connection with, have memorabilia or stories to tell about the Johnburgh school.

Further details of the day will be posted when we have approximate numbers attending, please contact Joy 0427 533 628 if you plan to attend.

AUSTRALIAN OPEN LAWN BOWLS

For 2 weeks in June over 2000 lawn bowlers from all over Australia and New Zealand travelled to the Gold Coast to compete in the Australian Open. Isaac Jesser, who plays for Grange Bowling Club selected to compete with approximately 60 other South Australians. He competed in the singles, pairs and fours, representing South Australia and Grange, playing at Broadbeach, Coolangatta, Musgrave Hill, McKenzie Park and Southport bowls clubs. In the singles he won two out of three sectional games and teaming up with mate Ben Bowman in the pairs also won two out of the sectional games.

When it came to the fours Isaac, Charlie Hicks, Tim Hicks and Ben Bowman teamed up and won their three sectional games, four knock out games and made it to the quarter finals. Along the way they beat many top players and an emerging Jackaroos team. They were on form to win their quarter final by 11 shots overall. Wow, through to the semi finals! This was played at Broadbeach with some South Australian spectators cheering them on. Getting off to a strong start, leading by six shots, the green surface changed as the afternoon turned to dusk and the temperature dropped. The other team began to like the change to the green and charged ahead. Isaac's, team went down by seven shots in the end.

A mighty fine effort to come fourth in Australia!

Isaac had the time of his life, soaking up the atmosphere, playing against top bowlers from all over Australia and New Zealand and even one competitor from America. Enjoying playing on different bowling greens and meeting so many people who love their sport of Lawn Bowls.

An experience to remember forever!

Isaac Jesser and Ben Bowman

The Centenary Celebrations meal was attended by current members, past members, invited guests and sponsors.

Thank you to everyone who helped out to make the evening a success.

What a great weekend! A wonderful celebration of golf, longevity of a small town club and the superior work of volunteers! Thank you, thank you, thank you to EVERYONE that helped in any way to make the 100 year celebration the success it was. The beautiful food that was willingly supplied, the work put in by so many and the cleaning up afterwards was as usual above and beyond.

The players very much appreciated the hot goodies

supplied to them during and after their cold, windy round on Saturday.

The meal served Saturday night was tops and we have received so many compliments re the presentation, the quality of the meal, and the huge serves.

Our members and their families as usual stepped up to the plate in many, many ways, either in the kitchen, on the course or around the club. Special thank you to our supporters, Joy Ford, Sue Ackland and Karon Williams for your invaluable help; Dianne Scott for your fantastic cake and Amanda Dyer for supplying the beautiful desserts.

On Sunday some of us dawdled around the course playing 9 holes which was fun and came in to a yummy bbq lunch as we all started slowing down! Thank you to all for cleaning up and preparing tables and chairs to be returned to their homes.

All in all a great weekend, thank you!

LADIES GOLF REPORT

Well, our 100th celebrations have come and the next 100 years have started! A fantastic weekend! Everyone deserves a pat or two on the back for the work and efforts put in by so many to make it such a success. Congratulations Everyone!

The course is looking amazing though it is soon going to need a drink. Take a walk or a drive around the course if you don't play, it's worth a look.

Results:

31st May 2023

Five players out today competing in a PAR competition. Winner: Kate Williams 2up; NTP no 6; Birdie No 8.

Medal winner for May was Kate.

Four of us ventured to Tarcowie to play in their Open Day. For a small club they put on a great day and are great hosts. Jenny Liebich and Kate were Championship Winners and Denise Williams and Maria Heywood were beaten on a four-way countback for Championship Runners Up.

7th June 2023

Today four players competed in a stroke competition, in heavy conditions.

Winner: Denise Williams

NTP: Nardine Odea

14th June 2023

Three ladies played 9 holes before preparing for our Open day, tomorrow.

Open Day 15th June 2023

Thirty-two players from eleven clubs attended and played a Pinehurst competition in ideal conditions.

Winners: Championship; Liz Kelly and Judy Honan, (Jamestown).

Runners Up: Libby Williams and Kathy Fogden, (Copper Club).

Handicap Winners: Lindy Smith and Lorraine Saunders (Crystal Brook)

Runners Up: Marilyn Woolford and Venessa Seidel; (Port Germein).

Long Drives, Div 1: Lindy Smith Crystal Brook. Div2, Tracie Littlewood, (Port Augusta).

NTP: Div 1, Judy Honan, Jamestown. Div2, Christine Koch, (Moonta).

Longest Putt, Deb Kirkham, (Port Augusta)

Thanks again to Michele and Ros who helped in the kitchen. Very much appreciated.

On the 20th June, Denise, Jenny, and Kate travelled to Quorn to play in a Pinehurst competition. Another small ladies club who does a great job putting on these lovely days. Denise and Kate were Championship Runners Up.

No one played the next two weeks due to rain and a funeral.

Medal Winner for June: Denise Williams

5th July 2023

Only three ladies out today and played a stroke round. Course is looking amazing!

Winners: Patrons Trophy, Nardine Odea nett 70 and chip outs on No 3 and 16.

Chip Out: Jenny Liebich No 8

12th July 2023

Today three ladies played a Stableford round. Numbers have been down of late due to one member enjoying the heat in Darwin and another swimming lots due to even hotter conditions in Europe.

Winner: Kate Williams, and chip outs, No 1 and No 4.

Nardine Odea, chip out No 6.

Yesterday, Nardine, Jenny and Kate travelled to Booleroo Centre to play in their Open day on a glorious day. Jenny and her partner Jeanette Newson were Championship Runners Up.

19th July 2023

Three ladies and two men came out today. The ladies competed in a Putting competition, and would you believe we all had the same number of putts! Nothing to write home about but it earned us four points each in the weekly medal points. Kate Williams had a chip out on No 18 which gave her a birdie and the birdie pot!

Congratulations to the men on their successful Open Day on the 22nd July.

26th July 2023

Our regular player Jenny Liebich attended Country Week at Clare, so only three of us out to compete in a stroke round. Our Darwin visitor has returned home to the cold!

Winner: Nardine Odea nett 65, and NTP no 15 Long Drive No 5 Kate Williams Chip Out No 13 Denise Williams Medal winner for July, Kate.

60 trees were planted this week on our course, thank you to those involved in this project. As I said earlier the course is apparently the best it's ever been. It truly is worth a visit.

- Keep an eye out for the new Gym Information Brochure. It updates opening times, equipment, membership and program information for new members and is available for current gym members too.
- New equipment due to arrive soon will include a "Box" and various new Weights. A new Treadmill is being investigated. The new Recumbent Bike should arrive in the next month or so.
- The Gym will be closed to casual users when a group activity with a leader is operating. This includes "Strength For Life" & "Movers and Groovers", both groups needing access to all the gym equipment for the time that a session is running.
- We continue to find coffee stains on the carpet and gym equipment. Please remember that bottled water is the only drink allowed in the gym .
- Please replace any equipment that you use for individual exercise, like dumbbells and weights after use.

CHILDREN AND YOUNG PEOPLE USING THE GYM.

It has been reported to the Management Committee that several young children have been using the gym without signing in or out, and not under the supervision of an adult. They have gained entry with their parents or a family tag. This is illegal and that membership can be terminated.

A GYM IS A DANGEROUS PLACE FOR KIDS.

A REMINDER ON THE RULES FOR STUDENTS AND YOUNG PEOPLE IN THE GYM:

Children under the age of 10 years:

- ◆ May only use the gym under supervised instruction and should also be accompanied by a parent or guardian.
- ◆ **THEY MUST NOT USE ANY OF THE CARDIO EXERCISE OR WEIGHTS & RESISTANCE EQUIPMENT IN THE GYM.**

Children between 10 and 15 years:

- ◆ May use the gym for supervised rehab or group instruction, led by a qualified fitness leader or physiotherapist.
- ◆ Under supervision they may use cardio equipment, (treadmills, cross trainer, bike rowers and steppers).
- ◆ **THEY MUST NOT USE ANY OF THE WEIGHTS OR RESISTANCE APPARATUS.**

Young people between 15 to 18 years:

- ◆ May use the gym only while accompanied by a responsible Gym member over the age of 18 years, or a supervising group leader or instructor.

The Orroroo Community Gym Membership application and renewal forms contain a section on the back of both forms to be signed by the parents or guardians if they wish their children to take part in any supervised group or rehab activities at the gym. This does need to be signed before a child or young person commences a program.

MURRAY WILLIAM SHACKLEFORD

How Bout it Blue?

Words spoken by Murray William Shackelford when either greeting a stranger in the street or happy to see his nearest and dearest. Everyone was either: Blue, Blondie, Susy or whatever came next. Known for his riddles, rhymes, and phrases, that he weaved throughout his everyday dialogue. Dad was born in the Orroroo Hospital on the 30th of April 1935. His parents being Edward and Katherine, his sister Coral two years senior, with Dad completing the family. Being younger, some Aunties would say he was the spoilt one! Nevertheless, if it was true, he had to work very hard from an early age, as did any child of a pioneering family.

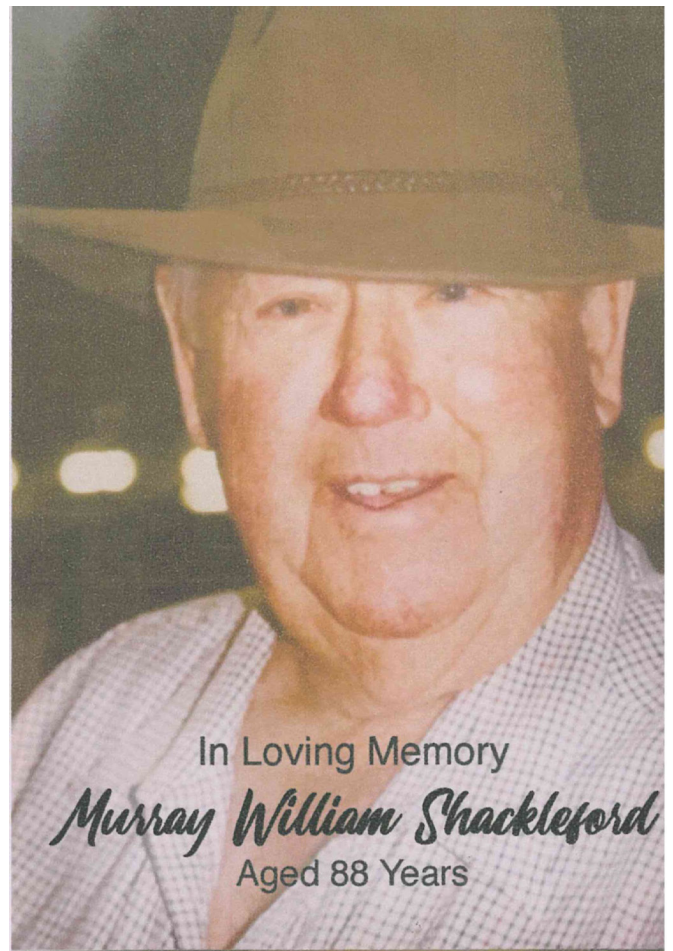

A three-room building on Cox's Corner was Dad's 1st home, then at the age of three they moved to Addison's, just two kilometres down the road from here, as the crow flies (point), Bartlett's today. This is where his father leased the land for five years. Dad corrected us only days ago in the RAH that he was exactly 8 and a half years old when his parents purchased the Block on Minnburra Road.

They lived in an old farmhouse that was there before demolishing it and rebuilding. The new house was completed in 1952, which Dad played a vital role as labourer. He enjoyed learning these new skills. The family home is where Glyn resides today.

When the house was completed, dancing took place in the lounge room with the neighbours, Brice's, Francis's and Reid's. Becoming a regular occurrence, they took turns hosting these wholesome nights.

Dad loved all the old-time dances, The Queen's Waltz was his favourite. But singing was his absolute delight. Waking up the household while making breakfast, singing away as he cooked. He was even singing leading up to his final hours. He loved most country artists: Slim Dusty, Charlie Pride, Patsy Cline, Tammy Wynette - the list goes on. When questioned: "Did you like school Dad?" His reply was "NO. On my 1st day I was in a fight" that he proudly declared he won. Debatable.

Like many of that era, Dad and Coral had to milk cows before riding off to school. Although not liking school, Dad was indeed a scholar, finding it quite easy, yet one difficulty he faced was the art of legible handwriting. His doctor's scribble is known amongst you here that ever-received a written note or a cheque, always hard to decipher. Maybe this is why when public speaking, he never had any notes, maybe even he couldn't understand his own writing at times. However, on that subject, he didn't need notes as he retained and recalled brilliantly. Dad's mind, right to the end, remained ever so sharp, always quick with a reply. His education finished in year nine, itching to leave and begin his life's journey.

Mostly working on his parent's farm, roustabouting around the district, which he hated so he soon began shearing with a hand piece under the tutelage of Ted Bright, a local landowner just down the road, as his father could only shear with blades.

Growing up with Dad was a exciting experience – there was always variety in our lives. Love of the land was instilled in both Glyn and I, and our cousins Haydn and Lindsey who joined us every school holidays.

Treasured family evenings were also had watching westerns, mainly starring John Wayne and musicals featuring Gene Kelly, Doris Day, Julie Andrews, these had us all singing along, loving the classics.

Dad was always up for an adventure or trying something new, like the day he and Glyn took their horses into the front bar of the Commercial Hotel. Patrons of the day thought it was a hoot! Dad on Crystal and Glyn on Cindy. It was the talk of the pub for a long time.

It was always a pleasure having Dad visit us on the farm over at Kimba.

Who would have ever of thought that Murray Shackelford would become a teapot collector?! He spent many an hour fossicking through op shops, getting a thrill out of wearing down the shop keeper to get the bargain he thought he deserved.

He started the collection after realising that he had an original teapot belonging to his grandmother, Edith Dawson. This original teapot had been in the family, travelling from North Shields, in around 1912, by wagon to Dawson.

He was appreciative of those who helped his collection grow by donating teapots they found. Even he surprised himself when they started pouring in and began to take over the shed. Hosting morning or afternoon tea gatherings in the shed enabled him to proudly showcase the teapots. This little hobby became his passion. Dad stated in the RAH that there were 553 teapots, last count.

Dad played some cricket with Orroroo Colts team and likened himself as a leg spinner. He often organised charity scratch matches, Shacks Shearers v another team. He had never opened the bowling, until one such Sunday, captaining his team, he positioned Roley Kuerschner in the gully and bowled the opening batsman out with his first delivery, Roley took the catch with ease. A couple of times he also organised Shacks Shearers v other teams in football games on a Sunday.

Dad captained the school football team. Played some B grade for Orroroo. In the 70's he goal umpired the B grade for a few years before stepping up to the A grade for a few more years.

He was a passionate Crows supporter, and really enjoyed watching Tex kick is 10 goals against West Coast Eagles.

He was a member of the West Torrens Football Club for many years after the late Jack Redden encouraged him to join up. His favourite footballer was Lindsay Head and sometimes attended their games at Thebarton Oval with his mates. Dad was reputed to be the best neck shearer in the district and the late Jim Dorward, a contractor he worked for in the northern shed's, said he was the best Sandy Sheep Shearer he had ever had in his team. He did some Show Shearing around the district and always seemed to bring home trophies. His highest tally was 188 at Yalpara, he had 107 out by lunch time but a cut out after lunch going on to sheep matted with Bathurst Burr robbed him of the chance to get 200. Dad described how he could hold the whole fleece up straight with the amount of burr in it.

He started shearing contracting in the early 70's and built up a run going from the north of the state down to the southeast, and sometimes into NSW. Over the years he started a lot of local lads off into their

shearing careers, helping the employment situation in the district over several years.

Dad became involved in the racehorse industry after a short sojourn in the harness racing industry. In 1975, he was instrumental in establishing the Orroroo Gymkhana, acting as president, and calling the races.

His gift of the gab saw him in high demand all over the state for Picnic race and rodeo calling. Adding to this, his proficient no-nonsense Chute Boss attitude and his years of service to the industry saw him honoured with the prestigious inaugural 'Dick White Service to Rodeo in SA' award at the Carrieton Rodeo in 2014.

In amongst this action, he became a well-respected registered horse trainer. His big success stories came from races in Roxby, Port Lincoln, Gawler, Port Augusta, Hawker and one of his most memorable races at Morphettville winning with Elegido.

Dad and Colleen were brought together by a horse named Russell Tops that they both had a share in which went on to win the Orroroo Cup. They were married in Port Augusta on the 9th of September 1993. This began their happy life together, travelling all over, taking their horses to all these fun race meets, always chasing down that next win.

Dad was founding member of the Orroroo Gymkhana club, both holding positions, Dad being president and Colleen Treasurer.

He was also a support to Colleen for the many years as she owned the Orroroo Medicine Shop. It was delightful to see the companionship of Dad and Colleen, sharing joy and common interests over the last 30 years.

In his retirement he was a founding member of the coffee club held on a Saturday morning. With two other friends, being Rex Ackland and Ros Rasheed. Soon the club grew as these men seemed to be having too much fun.

The stories of Murray are endless. Let's never stop sharing them and honouring such a beautiful, rough, and tough man. Brave until the end.

**Steer 'em straight
and drive 'em hard.**

To use a John Wayne quote: 'Courage is having fear, but saddling up anyway.'

MURRAY WILLIAM SHACKLEFORD

I have known Murray since 1966 we met on an RAA call while I was working for Toop Motors. Today I will give a short resume of Murrays Local Council terms and Orroroo Bowling Club.

MW was first elected to the Orroroo Council in 1977 and continued until 1981. He was the inaugural Chairman of the Orroroo Community Cropping Committee, heavily involved in the volunteer fencing of the Crown land along Black Rock Plain and later the Walloway section. The concept was very successful especially in the early years in contributing a welcome revenue stream to participating clubs and organisations. Murray was extremely proud in bringing this concept to fruition.

In 2002 Murray was elected to the Orroroo Carrieton District Council and served until 2014 some sixteen years of community service.

MW was a long term member of the Orroroo Bowling Club from the late seventies.

He was a major sponsor in the early days, Later Murray served as a selector on a number of occasions and became Tournament Director in 2011 using his powers of persuasion to gather very good sponsor ship deals.

His playing prowess was very different, would never have a "roll up "before Pennant Matches, never waste a good bowl on practise was Murrays Motto.

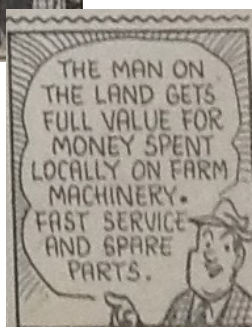

Only few weeks ago during a talk about the usual weather conditions, the world's problems the Crows and of course how Fords were still better than Holden's, very enjoyable banter.

Murray mentioned the day at Crystal Brook when he donned a lace up Guernsey and played B grade I well remembered that day, I quipped to Murray about the lace up look, quick as a flash he smiled and said LOOKED GOOD FROM THE BACK.

A true character a good friend.

RURAL AID HIRES COUNSELLOR IN QUORN

Australia's leading rural charity has committed to further improving the mental health of South Australian farmers through the recent hiring of counsellor Dorothy Crosby (Pictured right)

Rural Aid counsellors offer free, confidential support to farmers, their families and rural communities.

Rural Aid's Mental Health and Wellbeing Team love visiting farmers on their properties, catching up over a 'cuppa' and providing mental health support to farmers.

Dorothy lives in the foothills of the Flinders Ranges, in the picturesque agricultural town of Quorn.

After starting her working life as a nurse, she now has more than 12 years' experience improving the mental health of her counselling clients.

Dorothy cares deeply for others and is experienced in helping people through relationship challenges, improving their self-worth and communication skills. Dorothy is a compassionate person with experience supporting families on their grief and loss journey.

She greatly admires farmers' ingenuity in the face of serious challenges. She knows how hard it is to find healthcare in the regions, and loves how Rural Aid makes seeking help a little easier.

"Farmers are often so busy managing their properties that they don't make seeking help for their mental health a priority," Dorothy says.

"By being available and flexible to meet the farmers at the farm gate, it is helping to diminish some of those barriers."

Dorothy is both a counsellor and community representative. She covers a 300 kilometre radius from her Quorn base.

Rural Aid counsellors are professionally trained to support their clients through all kinds of life challenges and come with an understanding of the unique needs of rural people.

They can support with practical strategies to help farmers refocus and get back on track. Dorothy is one of two Rural Aid counsellors servicing South Australia. Counselling is also available via telehealth and phone appointments.

For more information on Rural Aid's counselling initiative, phone the dedicated counselling line on 1300 175 594 during business hours, Monday to Friday, or visit the Rural Aid website www.ruralaid.org.au

ABOUT RURAL AID

Rural Aid is Australia's leading rural charity. We provide critical support to farmers affected by natural disaster through financial, wellbeing and fodder assistance. Rural Aid's community programs help create more sustainable and resilient rural communities by building stronger futures for all Australian farmers.

MEMORY LANE

The Advertiser (Adelaide), Friday 17th September 1915 THE LATE PRIVATE LW EYDEN

Private LW Eyden, the second son of Mrs C Eyden, of Brown-street, Mitcham, who has been killed at the front, was born at Wepowie in December 1882. After leaving his home he resided at Broken Hill, Nuriootpa, and Port Pirie, and about 12 years ago he left the State for Narrogin, Western Australia, where he engaged in agricultural pursuits. He returned to his home in February last, and after a short holiday he answered the call to the colors. He returned to Western Australia and joined the 6th Reinforcements, then in camp at Blackboy Hill. On June 25th he left Australia for the front, where he joined his battalion, the 16th. The news has just reached his widowed mother of his death. He possessed a bright, happy temperament, and has left many friends, both in this State and Western Australia. There are two sisters (Mrs C Chapman, Brighton, and Miss E Eyden, Mitcham), and three brothers (Messrs C Eyden, Narrogin. WA, A Eyden, Mitcham; and H Eyden, Brighton).

THE LATE PRIVATE CECIL FOULIS

News of the death of Private C Foulis, on August 20th, at Choubra Hospital, Egypt, of pneumonia, came as a shock to his relatives and friends, as he was of an exceptionally fine physique. The first news of his illness and death was received by his mother on September 4th. He was the youngest son of the late Mr George Foulis, grazier of Horrock's Pass near Wilmington, where he was born and resided until 1911, when he left to go to his brother at Oodnadatta. He left there in December, 1914, and joined the Light Horse and later he was transferred to the 4th Light Horse Field Ambulance, and he left for Egypt on June 23rd. His upright, manly character made for him a large circle of friends, by whom he was loved and respected, and great sympathy is felt for his family. He was in his 22nd year.

Quorn Mercury, Friday 28th June 1918 VIOLET DAY AT WEPOWIE

The members of the Wepowie School Committee, with parents and friends of the scholars, assembled at the school on Friday to commemorate Violet Day. The school hall was artistically decorated with garlands of violets and fern, and a lattice work of violets formed an effective background for the photos of the soldier heroes. After the reading of the roll of honour by the teacher (Miss Hill), a touching reference to the memory of the late Private Leslie Eyden, who was educated at the Wepowie School and died on a hospital ship in August, 1915, was made by Miss Chrystal.

A wreath of violets was placed above the photo of the deceased hero. Eulogistic references to the boys who had so nobly responded to the call of duty was made by Messrs C Halliday (Chairman of School Committee), T Gale, sen, and A Burley. The National Anthem, the hymns "Nearer My God to Thee" and "Lead, Kindly Light," were rendered by the children. Afternoon tea was provided by the ladies' committee.

Observer (Adelaide, SA : 1905 - 1931) Saturday 16 October 1909 - WEPOWIE ESTATE

ORROROO, October 8th. — News was received this afternoon that the Wepowie Estate has been sold to the Government at 24/ per acre. The land comprises nearly 7,300 acres, some of which is within a mile or two of Orroroo. Over 2,000 acres is splendid agricultural land, from which excellent crops have been reaped, and a large area hilly. It is generally thought that the Government has made a cheap purchase, and many people value the land at over 30/. If it is the Government's intention to subdivide the estate, there is little doubt that it will be eagerly snapped up, and there should be a good profit on the purchase.

The Times and Northern Advertiser, (Peterborough) Friday 18 July 1919 - Page 3

WEPOWIE

A welcome home social was tendered to Private M Burns, Trooper P Burns and Corporal Conway, M M (a visitor), by the local residents, in the schoolroom, on Wednesday evening.

An apology was read from Sergeant J Duffy (an old scholar), who was invited but was unable to be present. There was a large attendance. The room was tastefully decorated by the Misses McCormack. A guard of honour was formed by the school children, the soldiers entering whilst "Home, Sweet Home," was sung. Pte. M Burns was absent from the district three and a half years, and saw service in Egypt and France. On behalf of the residents Miss Chrystal presented each of the guests with a pocket book. Appropriate speeches were delivered by the chairman (Mr Jas Orrock), Messrs. Gale, F F Orrock, J Halliday and Miss Chrystal. The soldiers suitably responded. A musical programme was contributed by Misses Hinton, Duffy, Irvine, and Orrock. Recitations by the school children. Mrs. Jas Orrock acted as accompanist. After singing the National Anthem and "For they are jolly good fellows," the soldiers and their relatives and friends were entertained at supper.

MEMORY LANE

1923 05 19 FOLLOWING IN FATHER'S FOOTSTEPS
Source: Register, Adelaide, Saturday 19 May 1923,
page 7 FROM DROVER'S LAD TO RACING STABLE
By Rossccommon.

Lovers of the sport of kings, resident in the middle and upper north will recall George MacDonald, the owner and trainer of Possit, Vanardo, and other horses, of the useful type. Mr MacDonald died at Port Augusta about seven years ago, and his small string of horses were thus left without a trainer. Albert (his second youngest son) came back from the bush, to take charge.

A DROVER'S LIFE. The young trainer was educated at Orroroo, and at the age of 14, he began a drover's life in the employment of W ('Thackaringa Billy') Canny. Many interesting experiences were given during a chat in Mambray Lord's box at St Leonard's on Thursday. Albert has practically lived in the saddle during the past 12 years but although, he considered himself able to 'sit' most animals, he found he could not do so properly when the over seer of Mr AC MacDonald's Naryilco Station (just aver the Queensland border) threw him into the saddle aboard a 'rough up', customer, who sent him so high in the air that he imagined he was 'planing. Thackaringa Billy had previously sold George, sen, 'Vanardo, who won the Trials at half a dozen northern meetings before he sold him to Jim Cummings, who went on and took the Chinkford Trial at Martindale, and subsequently struck trouble at Jamestown with the Pilgrim gelding, Pinballie and Lullabar were in work when Albert's late father took ill, and he did well with both of them in the following summer. He trained and rode the horses attached to the Orroroo stable for many years, and will be remembered as the pilot of Ghardor (owned by Mr Tom Couzens), which had previously performed splendidly when trained by Peter Timmens. For MacDonald he won the Squatters' Cup at Port Augusta, the Mannahill Cup, the Quorn Handicap, the double at Orroroo, and the sprint race at Peterborough.

Baran Rose was a speedy mare which won a race at Port Adelaide, and eight others at country meetings.

The Other Brother

When Albert decided to ride at metropolitan fixtures it became necessary for him to relinquish training horses, and the young brother, George, took his place. The Last-named has now (in addition to Mambray Lord and other in the city), eight horses at Orroroo.

He will remain at the northern home, but Albert intends to settle in Adelaide as a public trainer sometime during the winter. The boys have been the breadwinners for years, and are hard workers, like their father, who was favourably known in the outback shearing sheds before he took to training horses.

Mambray Lord

Mambray Lord is a brown gelding, six years old, and was bred by Mr W Dahlenberg, at Mambray Creek, near to Port Germein. Mr Dahlenberg also bred Mambray Star, another good stake winner in the north. Lord Alwyne (the sire of the third horse to finish in the Adelaide Cup) is standing at Orroroo, at a fee of £10 10/, so that northern owners with well-bred mares may be considered fortunate.

Mambray Lord's dam, Cypria, is own sister to Sanskrit, a Derby winner. She was by Aryan— Tarlock. Mr J Dally (a storekeeper at Port Germein) is having quite a good innings with Mambray Lord, who, among others, landed the chief races at the following meetings: - Port Pirie (twice), Laura (twice), Crystal Brook, Orroroo, Port Broughton, Georgetown and Booleroo Centre (twice). His condition reflects credit upon George MacDonald. When the Lord Alwyne gelding left Orroroo the general opinion was that he had absolutely no chance in the Adelaide Cup. Yet he was the first horse to wheel into the straight.
