### WINNERS ARE GRINNERS!

#### Bendleby Ranges Bronze at the 2022 Qantas Australian Tourism Awards!

Bendleby Ranges, an eco-tourism destination situated at the southern edge of the Flinders Ranges, is thrilled to announce that it has won the bronze medal for the award for Best Adventure Tourism Destination at the 2022 Qantas Australian Tourism Awards held in Sydney. Charlie and Kylie Luckraft, owners of Bendleby Ranges, expressed their delight at receiving the recognition. "We are incredibly proud of what we have achieved at Bendleby Ranges. Winning the Adventure Tourism category in the South Australian Tourism awards and being named as a finalist in the National awards

is a testament to the hard work and dedication of our staff and the loyalty of our customers. To win the bronze at the national awards is a great honour," Charlie said.

The pair were also quick to acknowledge their team and customers for their success. "Bendleby Ranges is an incredible place, but it is the commitment and hard work of our team that makes it such a special destination. We also thank our guests who continue to support us and share our passion for adventure and nature," Kylie said.

## Message from the Mayor

I'm sure you will all have heard by now that Rob, Lachie and I have sold our farms and Rob and I are shifting to Verdun in the Adelaide Hills. Although we have known for some years that this would occur at some stage it certainly wasn't envisaged to be at the end of 2022. But circumstances change and opportunities need to be taken when they arrive so we will be relocating sometime in the second half of the year. We are very much looking forward to being closer to our family and being occasional babysitters to our smallest grandchildren. Mt Gambier will now be only 4 hours away, not 7. In the meantime I will continue to put my heart and hard work into my position as Mayor as I believe I have always striven to do.

We welcomed Councillor Watson back to our last meeting after her unfortunate enforced hiatus. It didn't actually feel as if she'd been away as she attended our previous meeting as an observer to keep abreast of what was going across our table. But it was great to have her full input again.

Some of you will no doubt have seen that Minister Champion took Local Government to task for being lackadaisical over land release and development for housing. Rather difficult for us when our prime possible residential land adjacent to the town square is Crown Land with Native Title not extinguished. It has not been through lack of trying, in fact we've been at it for about 20 years. However we are pursuing other avenues at the moment to see what we can muster so we'll keep you all informed of our progress.

Next Council Meeting will be held  
Wednesday 26<sup>th</sup> April 2023  
at 9am in the  
Orroroo Council Chambers.

Last Friday Paul and I attended a land use forum in Tanunda run by the alliance of RDA, Landscapes SA and Legatus. Although some aspects didn't resonate with our particular situation, a couple of speakers at the end were very interesting. One spoke of the development of far smaller devices than the present wind towers for power generation which could be used to power individual towns. Technology moves at such a fast pace these days there are always new ideas that can improve on what is available. In comparison with the huge amount of costly steel, not to mention the concrete bases, these smaller devices were cost efficient without the huge subsidies that wind and solar have enjoyed so far. Along with small modular nuclear plants, this was the future in his opinion. As I say he was very interesting.

Lastly, you will see elsewhere in this paper a report on our premiership in the North Western Bowling Association Thursday competition. It was a fantastic day for all of us and I was enormously proud to be part of it. Unfortunately the Pekina Carrieton cricket team did not fare quite so well but grand finals are great to play in even without the ultimate prize. Without them we wouldn't have finished where we did. Thank you to all three of them. We have a really good time on Thursdays during summer but we're a bit light on for players so would welcome any offers of assistance. You never know your luck, perhaps there's another premiership around the corner.

*Cheers Kathie*

### Attention Food Businesses

The new Food Safety Standard, 3.2.2A – Food Safety Management Tools is now in effect. The Standard introduces new requirements for all food service, catering, and retail businesses that handle unpackaged, ready-to-eat, and potentially hazardous foods.

These businesses must implement either two or three new food safety management tools, depending on their category, which is based on the risk of the food handling activities of the business. The tools are:

- mandatory food handler training
- implementation of a food safety supervisor
- substantiation of key food handling activities.

Notification to Category 1 businesses has been completed by Council's Environmental Health Officer this week.

Category 1 businesses are required to implement all three food safety management tools. To do this your business must:

- make sure all food handlers have completed a food safety training course or can demonstrate their food handling skills and knowledge
- appoint a certified food safety supervisor and ensure they are reasonably available when the business handles potentially hazardous foods
- ensure you can demonstrate to an authorised officer that you have complied with prescribed provisions.

Affected businesses must implement the Standards before 8th December 2023.

SA Health are hosting a virtual information session for affected businesses on Tuesday 23 May 2023.

To register for the information session, as well as access more information including videos, resources and to read the Standard, visit [www.sahealth.sa.gov.au/foodsafetymanagement](http://www.sahealth.sa.gov.au/foodsafetymanagement).

## From the Council Desk

Council's attention (and mine) is clearly focused on the upcoming Annual Business Plan and the 23/24 Budget. As mentioned previously we have some challenging financial issues to deal with at present, including a substantial increase to our electricity accounts. Our electricity has recently come off an LGA long term secure contract into a very volatile market. Our electricity usage includes items such as buildings, irrigation pump infrastructure, recreation ground, swimming pools, street lighting to name but a few. These increased costs are certainly putting pressure on our budgets due to the large increases well above inflation.

Council (in accordance with legislation) will be reviewing draft long term financial plans, asset management plans, business plans and budgets in the next few weeks with view to endorsing those plans and budgets for consultation periods. If you as community members, have priorities that you think need consideration in upcoming business plans and budgets please ensure you speak to an Elected Member of Council. This can then be considered during the consultation period and in turn provided to Council in the form of a report on the consultation feedback. Consultation forums will be held in early May 2023 - keep an eye on our website, Facebook & Noticeboards for dates and locations.

Next financial year's business plan and budget has been centred on 'back to basics' with expenditure focused on Asset Renewal, this was the clear desire of the Elected Member body.

You will also have seen some significant line marking in the last few weeks, badly needed in many sections of our network. This line marking is largely complete and has considerably improved the day time visibility and night time reflectivity of the lines.

The operational staff have also been attending to the footpath maintenance and repairs in Ororoo following the heavy rains we had experienced before the New Year. This footpath work is occurring as we have resources available, the work is being performed concurrently with the resheeting program. The resheeting program covers approximately 25 kilometres of various segments of our unsealed road network; resheeting is essentially adding layers of crushed rock to our road top layers and re-grading the road.

If you have a business (including primary production) and want to chat about anything please also reach out - if you make a time I would be happy to pop out for a site visit, to learn more about your business and/or farming enterprise. Understanding the businesses within the district is important, as a greater understanding will be helpful if there are opportunities that come across my desk that can facilitate business growth.

# ORROROO BOWLING CLUB- WOMENS COMPETITION

It was with a certain amount of trepidation that the Orroroo Thursday Bowling team travelled to Wirrabara to contest the Grand Final against Crystal Brook. We had only played them once before as our match in the first round was washed out and that game on their home deck had resulted in a loss. To come away with a win and thus the premiership was exhilarating for all of us as we hadn't played a finals game for some time and we'd had some dramas with injury through the year.

We'd set ourselves a goal at the beginning of the season when we found with the new setup of only one section instead of two, that we would try and be as successful as we could and perhaps get into division 1 instead of division 2 where we were participating. We got off to a good start only losing to BHAS in the first round albeit having some fairly close encounters. Two games into the second round came our loss to Crystal Brook but we didn't lose again for the year but as the last two matches were called off for heat, we finished in second place, one point behind BHAS. By this stage we had lost Karon with a troublesome shoulder, were in doubt with Trish with a similar complaint and Mary who only plays at home had had one game since Christmas.

However we managed to overcome BHAS in the second semi due to a magnificent win by Maria's team of Trish, Jenny and Yvonne (who absolutely starred) which was enough to carry the other team of Pauline,

Mary, Barb and Kathie who recorded a loss. BHAS then succumbed to Crystal Brook in the preliminary and thus the grand final was set.

The game proved to be the opposite of the second semi with Maria's team struggling and Kathie's having a strong game so the result was in doubt right to the end of the game. It was thus a very exciting game for the very large group of spectators. As team manager only since Christmas it was a true honour to accept the shield on behalf of the women who played on the day but we are indebted to the efforts of those who didn't get to participate but supported us wonderfully. Karon has been team manager for years and is a stalwart of our club and it was very disappointing that her shoulder operation prevented her from bowling. But she was there barracking as were 3 others to whom we owe our results throughout the year. "George" Hombsch, Greg McNamara and "Wing" Anesbury had filled in for us on a number of occasions especially since Christmas and without them we wouldn't have finished where we did. Thank you to all three of them.

We have a really good time on Thursdays during summer but we're a bit light on for players so would welcome any offers of assistance. You never know your luck, perhaps there's another premiership around the corner.

**Congratulations to Heidi and Paul Rodgers** on the birth of Pip Louise born at Port Augusta on 28<sup>th</sup> March A welcome sister for Clay and Cali.

**Sympathy is extended** to Julie Williams and her sons, Nick, Shane and their partners Bec Williams, Anna Scheories and Liz Menzel. A much loved Pop to Corey, CJ, Karl, Maddison, Rylie, Nannie, Hamish and Bodie. Vincent (also known as Curly or Moe amongst locals) was a quiet but active member of many committees including Secretary for the Rodeo Club for years. Vincent had a love for his rural life especially the outback where he lived for 12 years at Mount Sarah, north of Oodnadatta. RIP Vincent.

Sympathy goes to the children Dianne, Ginny, and Warren and their families on the death of their mother Ruby Merle Luckraft (known as Dinki ). Dinki lived most of her life at Bendleby, Johnburgh, until her retirement to Orroroo. A talented lady who painted beautiful Australian landscapes and as a musician entertained at many social functions playing the piano or electric organ when dances were a regular feature.

**Carrieton Progress Association met on March 16<sup>th</sup>.** Present projects on crematorium wall, playground and renovations at clubrooms and Memorial Hall are on track. Questions were raised re electricity use at Memorial Hall and future management of the Caravan Park. Next meeting will be in May.

The Carrieton Rodeo club meeting planned for 31<sup>st</sup> March was postponed until Wednesday 19<sup>th</sup> April.

**Welcome back to James and Julia Clarke** who are returning to reside at earlier home at Pamatta. Welcome also to new residents Margie and Todd Phillips and their children Hayley and Ray.

**Flinders Ranges Campdraft** held a successful event on Saturday 25<sup>th</sup> March. The lack of suitable stock forced the event from its usual two days back to one but there were still many keen interstate and local competitors. The event concluded with an evening meal and presentations at the rustic clubhouse with its scenic outlook towards the Oladdie Hills.

Recently I travelled on the local Friday **mail run**. It was a journey of over 300kms delivering to 8 different places. Leaving Carrieton at 10.30am and stopping with a short break for lunch we arrived back at Carrieton at 4.10pm. First stop was Oladdie and then onto Johnburgh, Glenroy and headed northeast to Barratta on the gas pipeline. There was a variety of country and scenery as we headed due north to Willipa, Flinders country. Tricia Case familiar with the run could show me regular sites on the journey eg the territory of old man emu who has ended up fostering a tribe of about thirty chicks while at Holowilena we shared the joy of them shearing after the drought, the first time in five years. I highly recommend the trip if one wants a long day drive on dirt roads and are prepared to venture without the security of mobile phone reception and other traffic (we only passed three motorbike tourists). Presently the roads are in good condition, but side roads and wheel ruts tell that the road is not always so good. To take the trip prepare yourself with food for the day, an outback areas map and a camera to record the great scenery. Such an enjoyable experience made me wonder how many mail runs are there in this state over 200kms?

I give full credit to those delivering Aust Post over such distances and roads on their regular schedules.

## SPORTS DAY 2023

The OAS annual Sports Day was held on Friday 10th March. The efforts of our students were to be applauded, everyone gave their best and made for a close tussle between the two teams for the whole day. Again, we saw a number of our students getting out of their 'comfort zone' and doing events that they simply did to get a point for their house team! Great levels of courage and perseverance!

Thankyou to the Staff of the school for your efforts in preparing the students during Sports Day practices and for your efforts in scoring, recording and timing during the day, and also in packing up the oval and equipment at the end of a long day!

We had a great number of parents who offered to assist with age group events and timing. The support of parents and caregivers makes the organisation and running of the day much easier.

To our groundsmen, Craig Finlay and Kevin O'Dea, thankyou once again for your work in preparing the oval and surrounding event areas to such a high standard.

adventures the touring life has sparked for her. And there have been some grand adventures along the way – like Jodi’s songwriting road trip from New Orleans to New York State with her hero Arlo Guthrie, which spawned Jodi’s stunning 2016 album Saltwater.

This year marks 21 years since Jodi’s first album Water and Wood was released by the indie label Little Big Music, alongside luminary Irish stablemates Mundy and Glen Hansard’s The Frames. To celebrate her 21<sup>st</sup> year of touring and recording music, Jodi is playing a very special house concert show at Walloway Farm on Saturday 13<sup>th</sup> May, where she will unveil some never-before-released songs from the vault.

To honour her 21<sup>st</sup> celebration in 2023, Jodi is releasing a three-album set called The Never Settle Trilogy, which includes a collection of the best songs she wrote between the age of 4 and 21. The hilarious Tommy the Toyota is one of the highlights – an epic blues rap immortalising her dad’s ute and its dramatic escapades!

‘The funny thing is, it’s not just 21 years since Water and Wood started this ball rolling’ Jodi states. ‘It was another 21 years before that when I wrote my first song that I can still remember!’ And will that song be unveiled at the show? ‘Yes, absolutely – I was only 4, so it will be a slightly vulnerable moment, but it’s funny.’ Jodi laughs.

Singer songwriter **Jodi Martin** is known by her loyal following as a road warrior – famous for years of touring Australia in her Toyota van, armed with just her songs and her guitars. Jodi’s song ‘Diesel’ immortalises her passion and dedication to touring her music and the

**Gretta Ziller** is proudly an Americana misfit. Her music is folk, yet alternately grunge. Poignant & rock driven, lyric-based and everything in between.

Gretta’s music is reminiscent of Natalie Hemby, YOLA & Maren Morris, to name a few. In an industry where women are often expected to conform to a stereotype, Gretta's songwriting is subtly complicated, human and real. Listeners are attracted to that rawness and relatability in Gretta’s lyrics.

Gretta’s 'Americana' sound is described as country storytelling disguised in folk, blues and rock sounds. Her songwriting is thoughtful and poignant in an intimate 'singer/songwriter' setting, those same songs become bold and fearless when she is with her band. Only a musician with a firm grasp of her art would be able to own this body of work. Gretta’s confidence and talent make her listeners forget about genre.

Gretta’s albums have had recognition with both ‘long listed’ for the Australian Music Prize. She has had 2 Golden Guitar Nominations, and was a Music Victoria ‘Country Album of The Year’ finalist. She was a recipient of an Australian Independent Radio Mentorship. Gretta was also part of the 2021 Global Music Match Program as well as being a 3 x finalist for an APRA PD.

2022 saw Gretta touring again, including supporting Ian Moss & Troy Cassar-Daley on their ‘Together Alone’ tour. Gretta has recently released ‘Ain’t Even Your Lover’, the first single from her anticipated 3rd album, due out later in 2023.

## Looking back at some early Orroroo buildings ...

In the northern areas the name Dennis is usually associated with Peterborough and the building and hardware trade, and Bill Dennis was a well-known barman at Peterborough for years. However the Dennis's also helped to build the Orroroo Public School, the Orroroo Imperial Hotel and the Orroroo Baptist Church.

## Chronicle (Adelaide), Saturday 2<sup>nd</sup> June 1928

### Mr E DENNIS

Mr Edwin Dennis, who died at the home of his son Mr WE Dennis, Blight street, Croydon, on Thursday, was 94 years of age on May 18. He was born in Whitstone, Devonshire. For some years prior to leaving England he conducted a builder's business. In 1876, with his wife and nine children he left England in the ship Duntroon, arriving in South Australia in November of that year. He went to the Redhill district where he engaged in farming and contracting. He removed to Orroroo in 1880 and three years later came to Adelaide. Returning to the country in 1880, he engaged in farming at Port Broughton, where he remained until 1911, when he went to live with his son at Croydon. His wife died thirteen years ago. He did not take an active part in public affairs, but was at one time a member of the Port Broughton Agricultural Bureau. He was a member and lay reader at the Port Broughton Church of England. He was a Freemason. He left four sons - Messrs W E Dennis, a former Mayor of Hindmarsh H Dennis, (Adelaide); G F Dennis, (Claremont, Western Australia) and JJ Dennis, (Orroroo)— and six daughters — Mesdames A Swift, (Port Elliot); A Calderwood (Port Lincoln); E Paterson, (Unley); W Tonkin, (New South Wales); JT Baker, (Peterborough); and VJ Tonkin, (Magill). There are 74 grandchildren and 84 great-grandchildren.

## Chronicle (Adelaide), Thursday 28 April 1938

### Mr WE Dennis

William Edwin Dennis, who died in a private hospital last week, was the eldest son of the late Mr and Mrs E Dennis, of Port Broughton. He was born at Brent, England, and came to Australia with his parents on the Duntroon in 1876. With his father, who was a carpenter and builder, he helped to build the Orroroo public school, the Orroroo Imperial Hotel and the Baptist Church. He married Miss Julienne Nixon of Adelaide in 1885 and on her death went to Western Australia with Mr Tuck of Terowie. On his return he married Miss Adelaide Chivell, and they lived at Croydon until her death in 1934. Both Mr and Mrs Dennis were foundation members of St Barnabas Church, Croydon, and Mr Dennis was Mayor of Hindmarsh and a councillor for many years. Mr Dennis met with a motor accident 18 months ago, and never fully regained his strength. He leaves one son, Edwin, two daughters, Lucy and Marion (Mrs Blake), and 13 grandchildren. There are three brothers, Herbert (Unley), GF (WA), John J (Lock), and six sisters, Mrs

David Swift (Orroroo), Mrs Calderwood (Tumby Bay), Mrs E Paterson (Blackwood), Mrs EK Tonkin (NSW), Mrs JT Baker (Peterborough), and Mrs VJ Tonkin (Magill). Miss Marion Baker (Orroroo) is a niece, and Messrs Dennis Bros (Peterborough) are nephews.

## The Times and Northern Advertiser, Peterborough, Friday 10 January 1941 Late Mrs M A Swift.

Mrs MA Swift, who died in Adelaide on 15<sup>th</sup> November, 1940, was born in Wales nearly 82 years ago and came to South Australia on the "Duntroon" in 1876 with her parents, the late Mr and Mrs Edwin Dennis, of Port Broughton and Croydon. A few months after her arrival she opened a provisional school at Magpie Creek, Condowie Plains. In 1880 she was married to Mr David Swift, a blacksmith of Orroroo. Both were good workers in the Baptist Church and for the town where they lived for 37 years. Twelve sons were born, and the eldest, Sydney, was drowned at the age of six in the Orroroo reservoir, Kingsley died in infancy—Mr and Mrs Swift left Orroroo on account of the dry conditions and went to live in Adelaide. Mr Swift died at Edwardstown on the outbreak of the Great War. Seven of their sons joined up: Leonard, Stanley, Victor, Herbert, Raymond (killed in action), David and Edwin. After his return Herbert was killed in a train accident. Edwin, the eldest surviving son lives in WA, John and Laurie in SA. When her sons returned from the war, Mrs Swift built a home at Colonel Light Gardens, afterwards living at Port Elliot and Magill, returning to Colonel Light Gardens a few months before her death. Mrs Swift was a great Bible Student and always conducted a class of young folks on Sunday. She was also an ardent worker in the WCTN, a foundation member of the Orroroo, Edwardstown and Colonel Light Gardens Churches. Mrs Swift was laid to rest with her husband, son and grand-daughter in St Mary's Cemetery, South Road. Rev De la Rue conducted a short service in her home, the Rector read the burial service and Rev Morris gave the closing prayer.

**Looking back at some of the history of those associated with one of our local landmarks, ‘Bambrick’s Creek’ ... and the bridge was never built ...**

The wide creek crossing known as ‘Bambricks’, just south of Orroroo, is roughly at the junction of the hundreds of Pekina, Black Rock, Coomooroo and Walloway. The creek is named after an early European farmer, Robert Bambrick and family. The farm had a paddock in each of the hundreds and the Bambricks lived in a dug-out hut in the creek bank, and also grew fruit and vegetables which they sold to passing stage coach travellers. The family left the creek in 1884, but part of the property was retained by Harry Bambrick, now owned by McNamara’s. A Bambrick descendent, Les and partner Thelma Davey, unaware of his local ancestry, settled at Pekina in 1982 where they ran the local pub until 1985 when they semi-retired to Orroroo.

**Some Bambrick newspaper mentions:**

In April 1888, H [Henry or Harry] Bambrick was on the committee of the Pekina Jockey Club

South Australian Register, Thursday 9<sup>th</sup> August 1877  
 Birth BAMBRICK.— On the 3<sup>rd</sup> August, at Wepowie, near Pekina, the wife of R Bambrick, of a son.

**The South Australian Advertiser, 27 December 1888 Marriage BAMBRICK—CUBLEY**

On the 19<sup>th</sup> December, by the Rev C Frisby Smith, at the Orroroo Baptist Church, John, third son of Robert Bambrick, Orroroo, to Minnie [Miriam], youngest daughter of William Cubley, Tarcowie.

John and Miriam had a son, Nelson John Bambrick, born nine months later on 28/9/1889 at Glenorchy near Wirrabara SA. Nelson Bambrick went on to be the publican of the Hamley Bridge Hotel, Hamley Bridge in 1936-1937 and the Black Swan Hotel, North Terrace Adelaide in 1938.

Messrs Bambrick and Daly [below] appear to have been pioneers for rights of local women, but were out-voted.

**Southern Cross (Adelaide), Friday 13 September 1889 PEKINA BRANCH**

A well attended meeting of the Irish National Land League was held here on last Saturday, when the following new members were elected:— Messrs D Magee, Wilmington, P Byrne, J Hawes, F McHugh, M O’Connor, J Burgen, M Travers, W Irvine, Jas Hayes, and J Fitzgerald. A motion was moved by Mr Bambrick, seconded by Mr J Daly, that ladies should be admitted to meetings as honorary members. An amendment by Mr J Travers, seconded by Mr M Kenny, against the proposal, was carried by a large majority, it being considered better for the ladies to form a branch of their own, if desired. The business of the meeting being concluded, several Irish national songs

and readings were given by various members in good style. This branch continues to increase in numbers, as members are joining from all parts of the North.

**South Australian Weekly Chronicle, Saturday 24 April 1886 NARROW ESCAPE AT ORROROO**

Orroroo. April 17.  
 Mr Hermann Bleische, while working for Mr Robert Bambrick in excavating a large underground tank this morning, narrowly escaped a fearful death: During Mr Bambrick’s absence Bleische continued working when suddenly, a large mass of earth fell upon him. He was under the earth for quite an hour, and it took an hour to effect his release. Fortunately he received no serious injury.

**No room at the inn for the Bambricks ...**

Kapunda Herald, 10 March 1882  
 Caution to Publicans. — At the Adelaide Police Court on Tuesday William Board, landlord of the White Horse Hotel, Currie Street, was charged with unlawfully refusing to accommodate Robert Bambrick and his wife and child. Mr HE Downer appeared for the prosecution. From the evidence taken it appeared that Bambrick came from Orroroo on the night of 27<sup>th</sup> of February and took lodgings at the White Horse Hotel, but on the following day he met the landlord, who told him he could not stay there with his wife and child. He asked the reason, but could get no satisfactory reply, and was eventually obliged to go and seek for other lodgings for himself and family. The defendant pleaded that his house was crowded out at the time owing to the show, and that he objected to having any families in his house, which was known as a sporting hotel. Defendant was fined £20 and costs, or in default order him to be imprisoned for three calendar months.

Note: 1883 Robert Bambrick, (senior.) of near Orroroo, farmer was declared insolvent. Bambrick was not alone in being insolvent at this time.
